The Librettos Of Mozarts Operas The Sources 2 Volume 7

**Stephen A. Crist, Roberta Montemorra
Marvin**

The Librettos Of Mozarts Operas The Sources 2 Volume 7:

W. A. Mozart: Così Fan Tutte Bruce Alan Brown,1995-11-24 At once the most light hearted and disturbing of Mozart and Da Ponte's Italian comic works the opera has provoked widely differing reactions from listeners for more than two centuries This study provides a detailed account of the libretto's complex origins in myth and Italian literary classics

Understanding the Women of Mozart's Operas Kristi Brown-Montesano,2021-11-09 Is The Marriage of Figaro just about Figaro Is Don Giovanni's story the only one or even the most interesting one in the opera that bears his name For generations of critics historians and directors it's Mozart's men who have mattered most Too often the female characters have been understood from the male protagonist's point of view or simply reduced on stage and in print to paper cutouts from the age of the powdered wig and the tightly cinched corset It's time to give Mozart's women and Mozart's multi dimensional portrayals of feminine character their due In this lively book Kristi Brown Montesano offers a detailed exploration of the female roles in Mozart's four most frequently performed operas Le nozze di Figaro Don Giovanni Cos fan tutte and Die Zauberflöte Each chapter takes a close look at the music libretto text literary sources and historical factors that give shape to a character re evaluating common assumptions and proposing fresh interpretations Brown Montesano views each character as the subject of a story not merely the object of a hero's narrative or the stock figure of convention From amiable Zerlina to the awesome Queen of the Night to calculating Despina all of Mozart's women have something unique to say These readings also tackle provocative social political and cultural issues which are used in the operas to define positive and negative images of femininity revenge power seduction resistance autonomy sacrifice faithfulness class maternity and sisterhood Keenly aware of the historical gap between the origins of these works and contemporary culture Brown Montesano discusses how attitudes about such concepts past and current influence our appreciation of these fascinating representations of women

The Cambridge Companion to Eighteenth-Century Opera Anthony R. DelDonna,Pierpaolo Polzonetti,2009-06-25 The perfect accompaniment to courses on eighteenth century opera for both students and teachers this Companion is a definitive reference resource

Catalogue of the Allen A. Brown Collection of Music in the Public Library of the City of Boston Boston Public Library. Allen A. Brown Collection of Music,Allen A. Brown Collection (Boston Public Library),1910

Mozart Studies 2 Simon P. Keefe,2015-09-10 Cultural historical and reception related contexts are central to understanding Mozart one of the greatest and most famous musicians of all time Widening and refining the lens through which the composer is viewed the essays in Mozart Studies 2 focus on themes issues works and repertoires perennially popular among Mozart scholars of all kinds pointing to areas primed for future study and also suitable for investigation by musicians outside the scholarly community Following on from the first Mozart Studies volume internationally renowned contributors bring new perspectives to bear on many of Mozart's most popular works as well as the composer's letters biography and reception Chapters are grouped according to topics covered and collectively affirm the vitality of Mozart

scholarship and the significant role it continues to play in defining and redefining musicological priorities in general

Historical Musicology Stephen A. Crist, Roberta Montemorra Marvin, 2004 Many of the achievements of musical scholarship are established on documentary foundations These essays study how scholars interpret source material for their research argue for a wider selection of source material present ideas for new ways of reading documents

The Politics of Opera Mitchell Cohen, 2017-08-28 A wide ranging look at the interplay of opera and political ideas through the centuries The Politics of Opera takes readers on a fascinating journey into the entwined development of opera and politics from the Renaissance through the turn of the nineteenth century What political backdrops have shaped opera How has opera conveyed the political ideas of its times Delving into European history and thought and an array of music by such greats as Lully Rameau and Mozart Mitchell Cohen reveals how politics through story lines symbols harmonies and musical motifs has played an operatic role both robust and sotto voce Cohen begins with opera's emergence under Medici absolutism in Florence during the late Renaissance where debates by humanists including Galileo's father led to the first operas in the late sixteenth century Taking readers to Mantua and Venice where composer Claudio Monteverdi flourished Cohen examines how early operatic works like Orfeo used mythology to reflect on governance and policy issues of the day such as state jurisdictions and immigration Cohen explores France in the ages of Louis XIV and the Enlightenment and Vienna before and during the French Revolution where the deceptive lightness of Mozart's masterpieces touched on the havoc of misrule and hidden abuses of power Cohen also looks at smaller works including a one act opera written and composed by philosopher Jean Jacques Rousseau Essential characters ancient and modern make appearances throughout Nero Seneca Machiavelli Mazarin Fenelon Metastasio Beaumarchais Da Ponte and many more An engrossing book that will interest all who love opera and are intrigued by politics The Politics of Opera offers a compelling investigation into the intersections of music and the state

Sentimental Opera Stefano Castelveccchi, 2013-10-24 Castelveccchi presents a critical re evaluation of the operatic genre system and the cult of sensibility in the age of Mozart

Così fan tutte, An Opera of Mimetic Revelation Isabel Díaz-Morlán, 2025-09-01 Isabel Díaz Morlán reads the characters of Così fan tutte an opera by Mozart and Da Ponte through the lens of René Girard's theory of unconscious mimetic desire The opera features couples who resemble those from classical literature including Ovid's Collatinus and Lucretia Cervantes's Anselmo and Camila and Shakespeare's Leonatus and Imogen The book explores the sources of the libretto comparing them with each other and with the libretto itself to detect the themes that reveal the mechanism of mimetic desire This offers the groundwork for the analysis of key moments of the opera in which the combined action of words dramatic action and above all music show how Ferrando and Guglielmo as well as Fiordiligi and Dorabella fall into mimetic rivalry an incitement to desire and hypocrisy always within a *m* connaissance that prevents them from recognizing what is happening to them until the truth is finally unmasked

Mozart's Operas Daniel Hertz, 1990 Renowned Mozart scholar Daniel Hertz brings his deep knowledge of social history theater and art to a study

of the last and great decade of Mozart's operas Mozart specialists will recognize some of Hertz's best known essays here but six pieces are new for the collection and others have been revised and updated with little known documents on the librettist's composer's and stage director's craft All lovers of opera will value the elegance and wit of Professor Hertz's writing enhanced by thirty seven illustrations many from his private collection The volume includes Hertz's classic essay on *Idomeneo* 1781 the work that continued to inspire and sustain Mozart through his next and final six operas Thomas Bauman brings his special expertise to a discussion of *Die Entführung aus dem Serail* 1782 The ten central chapters are devoted to the three great operas composed to librettos by Lorenzo da Ponte *Le nozze di Figaro* 1786 *Don Giovanni* 1787 and *Cos fan tutte* 1790 The reader is treated to fresh insights on da Ponte's role as Mozart's astute and stage wise collaborator on the singers whose gifts helped shape each opera and on the musical connections among the three works Parallels are drawn with some of the greatest creative artists in other fields such as Molière Watteau and Fragonard The world of the dance one of Hertz's specialties lends an illuminating perspective as well Finally the essays discuss the deep spirituality of Mozart's last two operas *Die Zauberflöte* and *La Clemenza di Tito* both 1791 They also address the pertinence of opera outside Vienna at the end of the century the fortunes and aspirations of Freemasonry in Austria and the relation of Mozart's overtures to the dramaturgy of the operas
