SOLID SOUTH

A POLITICAL HISTORY

DEWEY W. GRANTHAM

The Life And Death Of The Solid South A Political History

Bruce H. Kalk

The Life And Death Of The Solid South A Political History:

The Life and Death of the Solid South Dewey W. Grantham, 2021-10-21 Southern style politics was one of those peculiar institutions that differentiated the South from other American regions This system long referred to as the Solid South embodied a distinctive regional culture and was perpetuated through an undemocratic distribution of power and a structure based on disfranchisement malapportioned legislatures and one party politics It was the mechanism that determined who would govern in the states and localities and in national politics it was the means through which the South s politicians defended their region s special interests and political autonomy The history of this remarkable institution can be traced in the gradual rise long persistence and ultimate decline of the Democratic Party dominance in the land below the Potomac and the Ohio This is the story that Dewey W Grantham tells in his fresh and authoritative account of the South s modern political experience The distillation of many years of research and reflection is both a synthesis of the extensive literature on politics in the recent South and a challenging reinterpretation of the region s political history

Southern Democrats Nicol C. Rae Associate Professor of Political Science Florida International University, 1994-03-29 From the election of Jimmy Carter to the wide defection of Democrats in the South to the Republican ticket in the Reagan Bush years Southern Democrats have played a crucial role in recent American national politics With the 1992 election of President Clinton they once again occupy a place at the center of the American political stage A timely examination of this important phenomenon in American politics Southern Democrats traces the history of this influential regional faction and gauges the extent and nature of Southern Democratic influence in congressional and presidential politics today Nicol Rae argues that the Southern Democrats remain a distinctive faction despite the passage of the 1965 Voting Rights Act which initiated the end of the social and economic system that had previously bound them together The only surviving political faction based on regional rather than ideological concerns they have nevertheless evolved from being a deviant element within the party to coming closer to the national Democratic norm which is most apparent in civil rights issues Drawing on interviews with many southern politicians and memoirs and accounts of past campaigns Rae deals with the success of Southern Democrat and Democratic Leadership Council leader Bill Clinton in winning the 1992 Democratic presidential nomination and reveals the changing role of Southern Democrats in internal party politics and national elections He concludes with an overall assessment of the present and future state of this important southern wing of the Democratic party

The Congress of the United States Donald A. Ritchie, 2006-10-12 This completely revised and updated third edition to the Young Oxford Companion to the Congress of the United States 1994 and The Congress of the United States A Student Companion second edition 2001 contains more than 200 articles arranged alphabetically that provide a concise and easy to use guide to the people issues vocabulary and activities of the U S Senate and House of Representatives In this third edition there are new articles on four House and Senate leaders Tom DeLay Bill Frist Nancy Pelosi and Harry Reid There are also five new articles

on the Capitol Visitors Center Homeland Security Nuclear option Recess appointments including a chart of recent statistics and Association of the Centers for Congressional Studies There are updates to 24 articles Advice and consent African Americans in Congress Appropriations Campaign financing Chisholm Shirley Commemoratives Constituent services Constitutional amendments Daschle Tom Dress Ethics Filibuster Hastert Dennis Hispanic Americans Lott Trent Mansfield Mike Media coverage Nominations Reapportionment Records of Congress Reporters of Debate Salaries Voting War Powers Several of the tables are I also revised Apportionment of the House of Representatives Committees Lame duck sessions Longest serving members Majority leaders Vetoes and the Congresses list in the appendix All of the back matter is thoroughly updated Visiting Congress has information on new security procedures Doing Research is expanded to include new books and a new section on websites The bibliographies both at the back of the book and for each of the entries are thoroughly updated

The Origins of the Southern Strategy Bruce H. Kalk, 2001-01-01 The Origins of the Southern Strategy is a detailed study of the rise of two party competition in South Carolina during the mid twentieth century In 1950 when the study begins there was for all practical purposes no functioning Republican party in that state nor was there much of one anywhere in the deep South During the two decades covered by this study the interplay between two clear factions economic and racial conservatives shaped the growth of the party Bruce H Kalk amply demonstrates the implications of these developments for the rightward shift in national politics and charts their effect on the resurgence of assertive economic conservatism as a new southern base became the core of the Republican party s presidential strategies after 1968 The Future South Joe P. Dunn, Howard Lawrence Preston, 1991

The Southern Manifesto John Kyle Day, 2014-07-09 On March 13 1956 ninety nine members of the United States Congress promulgated the Declaration of Constitutional Principles popularly known as the Southern Manifesto Reprinted here the Southern Manifesto formally stated opposition to the landmark United State Supreme Court decision Brown v Board of Education and the emergent civil rights movement This statement allowed the white South to prevent Brown s immediate full scale implementation and for nearly two decades set the slothful timetable and glacial pace of public school desegregation The Southern Manifesto also provided the Southern Congressional Delegation with the means to stymie federal voting rights legislation so that the dismantling of Jim Crow could be managed largely on white southern terms In the wake of the Brown decision that declared public school segregation unconstitutional seminal events in the early stages of the civil rights movement like the Emmett Till lynching the Montgomery bus boycott and the Autherine Lucy riots at the University of Alabama brought the struggle for black freedom to national attention Orchestrated by United States Senator Richard Brevard Russell Jr of Georgia the Southern Congressional Delegation in general and the United States Senate s Southern Caucus in particular fought vigorously and successfully to counter the initial successes of civil rights workers and maintain Jim Crow The South s defense of white supremacy culminated with this most notorious statement of opposition to desegregation The Southern Manifesto Massive Resistance

and the Fight to Preserve Segregation narrates this single worst episode of racial demagoguery in modern American political history and considers the statement's impact upon both the struggle for black freedom and the larger racial dynamics of postwar America

Billy Graham and the Rise of the Republican South Steven P. Miller, 2011-08-23 While spreading the gospel around the world through his signature crusades internationally renowned evangelist Billy Graham maintained a visible and controversial presence in his native South a region that underwent substantial political and economic change in the latter half of the twentieth century In this period Graham was alternately a desegregating crusader in Alabama Sunbelt booster in Atlanta regional apologist in the national press and southern strategist in the Nixon administration Billy Graham and the Rise of the Republican South considers the critical but underappreciated role of the noted evangelist in the creation of the modern American South The region experienced two significant related shifts away from its status as what observers and critics called the Solid South the end of legalized Jim Crow and the end of Democratic Party dominance Author Steven P. Miller treats Graham as a serious actor and a powerful symbol in this transition an evangelist first and foremost but also a profoundly political figure In his roles as the nation's most visible evangelist adviser to political leaders and a regional spokesperson Graham influenced many of the developments that drove celebrants and detractors alike to place the South at the vanguard of political religious and cultural trends He forged a path on which white southern moderates could retreat from Jim Crow while his evangelical critique of white supremacy portended the emergence of color blind rhetoric within mainstream conservatism Through his involvement in the Eisenhower and Nixon administrations as well as his deep social ties in the South the evangelist influenced the decades long process of political realignment Graham's public life sheds new light on recent southern history in all of its ambiguities and his social and political ethics complicate conventional understandings of evangelical Christianity in postwar America Miller's book seeks to reintroduce a familiar figure to the narrative of southern history and in the process examine the political and social transitions constitutive of the modern South

The ^AOxford Guide to the United States Government John J. Patrick, Richard M. Pious, Donald A. Ritchie, 2001-07-04 The Oxford Guide to the United States Government is the ultimate resource for authoritative information on the U S Presidency Congress and Supreme Court Compiled by three top scholars its pages brim with the key figures events and structures that have animated U S government for more than 200 years In addition to coverage of the 2000 Presidential race and election this Guide features biographies of all the Presidents Vice Presidents and Supreme Court Justices as well as notable members of Congress including current leadership historical commentary on past elections major Presidential decisions international and domestic programs and the key advisors and agencies of the executive branch in depth analysis of Congressional leadership and committees agencies and staff and historic legislation and detailed discussions of 100 landmark Supreme Court cases and the major issues facing the Court today In addition to entries that define legal terms and phrases and others that elaborate on the wide array of government traditions this invaluable book

Pursuit of Unity Michael Perman,2010-01-01 In Pursuit of Unity Michael Perman presents a comprehensive analysis of the South s political history In the 1800s the region endured almost continuous political crisis nullification secession Reconstruction the Populist revolt and disfranchisement For most of the twentieth century the region was dominated by a one party system the Solid South that ensured both political unity internally and political influence in Washington But in both centuries the South suffered from the noncompetitive one party politics that differentiated it from the rest of the country Since the passage of the Voting Rights Act in 1965 Perman argues the South s political distinctiveness has come to an end as has its pursuit of unity

In Search of Federal Enforcement Vanessa A. Holloway,2015-05-08 In Search of Federal Enforcement is a call to investigate the history of federal oversight to secure and preserve black Americans voting rights over a ninety five year interregnum This book satiates the reader s harboring curiosity as to why the national government was culpably negligent in protecting the exercise of the franchise for black Americans until the 1965 Voting Rights Act As Holloway explains much of this problem stemmed from Southern Democrats operating in tandem with the power of private actors to circumvent the Fifteenth Amendment This mutual advantage partnership codified disfranchisement safeguarded the interests of recalcitrant Southern states and localities and defended local systems of privilege In the pages of this timely study Holloway lays bare the abject failure of the national government and critically evaluates how the Southern status quo stimulated chaos at the national level Despite market paradigms In Search of Federal Enforcement confronts this historical conundrum and offers keen observations about voting manipulations and electoral abuse by both incumbents and private actors

Whispering the Strategies of Language: An Emotional Quest through **The Life And Death Of The Solid South A Political History**

In a digitally-driven earth wherever monitors reign great and instant communication drowns out the subtleties of language, the profound techniques and emotional nuances hidden within phrases frequently move unheard.
