The Life And Times Of The Late Demon Rum:

The Life and Times of the Late Demon Rum Joseph Chamberlain Furnas,1965 **The Life and Times of the Late Demon Rum** Joseph Chamberlain Furnas,1973 The Late Demon Rum Joseph Chamberlain Furnas,1965 **The Life and Times of the Late Demon Rum** Joseph Chamberlain Furnas,1965 Informal history of American drinking habits from Colonial times through the Prohibition period to the present The life and time of the late demon rum Joseph Chaberlain Furnas,1965 **Prohibition and Bootlegging in the American West** Jeremy Agnew,2022-10-25 Prohibition was imposed by eager temperance movements organizers who sought to shape public behavior through alcoholic beverage control in the 19th and early 20th centuries The success of reformers efforts resulted in National Prohibition in America from 1920 to 1933 but it also resulted in a thriving illegal business in the manufacture and distribution of illegal liquor The history of Prohibition and the resulting illegal drinking is frequently told through the lens of crime and violence in Chicago and other major East Coast cities Often neglected are the effects of Prohibition on the Western part of the United States and how Westerners rose to the challenge of avoiding the consequences of illegal drinking Illegal liquor was imported from abroad made in stills using strange ingredients that were sometimes poisonous to the unlucky drinker This history includes stories ranging from serious to quirky and provides an entertaining account of how misguided efforts resulted in numerous unintended consequences

Alcohol and Opium in the Old West Jeremy Agnew,2013-10-17 This book explores the role and influence of drink and drugs primarily opium in the Old West which for this book is considered to be America west of the Mississippi from the California gold rush of the 1840s to the closing of the Western Frontier in roughly 1900 This period was the first time in American history that heavy drinking and drug abuse became a major social concern Drinking was considered to be an accepted pursuit for men at the time Smoking opium was considered to be deviant and associated with groups on the fringes of mainstream society but opium use and addiction by women was commonplace This book presents the background of both substances and how their use spread across the West at first for medicinal purposes but how overuse and abuse led to the Temperance Movement and eventually to National Prohibition This book reports the historical reality of alcohol and opium use in the Old West without bias *The Rise and Fall of American Sport* Ted Vincent,1994-01-01 **Saloons, Prostitutes, and Temperance in Alaska Territory** Catherine Holder Spude,2015-02-04 In Saloons Prostitutes and Temperance in Alaska Territory Catherine Holder Spude explores the rise and fall of these enterprises in Skagway Alaska between the gold rush of 1897 and the enactment of Prohibition in 1918 Her gritty account offers a case study in the clash between working class men and middle class women and in the growth of women s political and economic power in the West Inside the Barbary Coast David Jensen,2001-12-12 John Pitman Jr didnt want to become a doctor His father had been one and had failed a die hard who had clung to cupping and purging as a means of ridding the bodys impurities But as a stevedore on the docks of San Francisco no one could mend broken bones like John Pitmans lanky son Jack Finally the young lad decides If he

is to become a doctor he will be the best INSIDE THE BARBARY COAST is where Jack Pitman chooses to open his medical practice It is an area of San Francisco filled with saloons parlor houses and opium dens bordering on Chinatown Fresh out of medical school Jack saves the life of a young Chinese prince who is an actor in Dr Pierre Louthans medical show Louthan did not go to medical school but easily passes off as a learned physician with his European manner silver tongued ability to converse on any subject relating to anatomy and his courses of treatment that involve a growing array of patent medicines Jack falls in love with Louthans assistant Marie not realizing she is married to the quack doctor Although Jacks nurse the wise Madam Wong cautions the young doctor he is smitten nonetheless and fathers a child Louthan believes is his Jack fights to discredit the huckster hoping Marie will see Louthan as a charlatan and leave him She however has plans of her own and manages to snare Jack in her own secret web As Jack becomes consumed in his new practice he tries valiantly to save the life of Hawaiis King David Kalakaua who is dying at the Palace Hotel His friend Gentleman Jim Corbett the famous boxer plays a role as does Adolph Sutro San Franciscos flamboyant mayor who built the famous Sutro Baths near the Cliff House facing the sea Jack embraces electro therapeutics because he believes it is the frontier of the New Medicine When a prominent socialite is accidentally electrocuted in his office he dismisses electrotherapy altogether and labels X rays as another quack fad But he is wrong and discovers his miscalculation just as tong wars break out in Chinatown and as President McKinley sends 10 000 young troops past the Golden Gate on their way across the Pacific to the Philippines The young doctor from the Barbary Coast hones his surgical skills while serving as a medic in the Spanish American War When he returns Marie still loves him but cannot find justification to divorce her husband The bubonic plague hits San Francisco giving the unions ammunition in their fight to exclude more Chinese from immigrating to the United States Meanwhile the always scheming Dr Louthan concocts a new patent medicine that increases sexual vigor It is based on the findings of a European endocrinologist Louthan experiments on himself resulting in a fight with Marie that leaves their relationship damaged But Pierre will not grant his wife a divorce spurring Jack to join other physicians in San Francisco and around the country to discredit Louthan and other quack doctors like him The plan works and Louthan finds the underpinning to his nostrum business slipping away Jack and Marie have just attended Enrico Carusos performance of Don Jos and taken a room at the Palace Hotel when a devastating earthquake rocks San Francisco It is April 18 1906 Shaken out of bed Jack puts Marie in a taxi to go home and heads to the Pacific Anatomical Museum where he finds Louthan has been trapped by a fallen beam As a fire erupts and flames begin licking their way closer Nate Nordstrand an old friend of Jacks who now works for Louthan swings a fire ax to amputate the quack doctors leg to free him from the beam and encroaching inferno But Nate is not finished and swings again this time squarely across Louthans neck An eye for an eye he shouts Jack knowing the full meaning of his cry Jack returns home and finds th
