The Life And Traditions Of The Red Man:

The Life and Traditions of the Red Man Joseph Nicolar, 1893 Joseph Nicolar's *The Life and Traditions of the Red Man* tells the story of his people from the first moments of creation to the earliest arrivals and eventual settlement of Europeans. Self-published by Nicolar, this is one of the few sustained narratives in English composed by a member of an Eastern Algonquian speaking people during the nineteenth century. At a time when Native Americans' ability to exist as Natives was imperiled, Nicolar wrote his book in an urgent effort to pass on Penobscot cultural heritage to subsequent generations of the tribe and to reclaim Native Americans' right to self-representation. This extraordinary work weaves together stories of Penobscot history, precontact material culture, feats of shamanism, and ancient prophecies about the coming of the white man. An elder of the Penobscot Nation in Maine and the grandson of the Penobscots' most famous shaman leader, Old John Neptune, Nicolar brought to his task a wealth of traditional knowledge, providing historical context and explaining unfamiliar words and phrases. *The Life and Traditions of the Red Man* is a remarkable narrative of Native American culture, spirituality, and literature. *The Life and Traditions of the Red Man* Joseph Nicolar, 2017-09

The volume presents over forty essays by leading and emerging international scholars and analyses regional, cultural, racial, and sexual identities in Native American literature, key historical moments from the earliest period of colonial contact to the present, worldviews in relation to issues such as health, spirituality, animals, and physical environments, traditions of cultural creation that are key to understanding the styles, allusions, and language of Native American Literature.
