

Mozart's Death

“There are no remains of Mozart, so no theory can be fully proved or disproved...but this explanation would answer all the issues brought forth by the features of his death as they have been described,”

Robert Spaethling

The Life Death Of Mozart:

The life and death of Mozart Michael Levey,1973 *The Life of Mozart* John Rosselli,1998-04-28 Mozart was not only an extraordinary musical genius but a man who lived through the great change from the old society to the modern one in which we still live when people began to move from accepting the Christian scheme of things to standing alone from letting themselves be ruled by parents and superiors to rebelling against them He was himself one of the new men of the age his music gives voice to anxieties and consolations that are still ours This book first published in 1998 sets Mozart s life within the history of an age plunging into revolution and European war It probes his crucial relationships with his father and his wife but avoids guesswork It studies in depth though in non technical language characteristic examples of his music and asks what they can tell us about their author and ourselves
