Farrar, ... 2d Edition Frederic William Farrar, **The Life of Christ** Frederic William Farrar, 2024-03-26 Reprint of the original first published in 1875

The Life of Christ as Represented in Art Frederic William Farrar, 1894 **The Life of Christ** Frederic W. Farrar, 2018-05-04 Jesus Christ is the most famous person to have walked upon the surface of the Earth Many people claim to know details of his life but few would be able recall all the details of those remarkable years when he was among us So who was Jesus of Nazareth How did he develop a large group of followers through the course of his lifetime And why did he lay down his life for us Frederic Farrar s brilliant two volume biography aims to answer all of these questions and to enlighten those of us who at the moment only have a brief understanding of Jesus life by far the most able and worthy work of its kind ever written in English The Quarterly Review Farrar takes a chronological overview of Christ s life and uncovers many of the periods of his life that have been too often been forgotten or even misunderstood It is a remarkable account drawn from a variety of sources that is vividly written to help the reader further understand who Christ was Two volumes have been combined into one for this edition of Farrar s work so that the reader can follow Christ s life from beginning to end Volume One covers from the Nativity to the feeding of the four thousand while Volume Two begins with the great confession and finishes with the Resurrection Farrar is never dry or tame he seems almost to have a dread of being uninteresting He aims to take notice of everything in the literature pertaining to the subject which modern scholarship has sent out On his vivid and instructive pages the reader will find much to enlighten him respecting the teachings of the Apostles and the times in which they lived New Englander and Yale Review the best selling biography of the later Victorian Age Owen Chadwick The Victorian Church Frederic W Farrar was a theological author who was for many years a master at Harrow and Headmaster of Marlborough School He was later Canon of Westminster and Rector of St Margaret s Archdeacon of Westminster and Dean of Canterbury His The Life of Christ was first published in 1874 and he passed away in 1903 The Life of Christ. By Frederic W. Farrar, D.D., F.R.S. ; Late Fellow of Trinity College, Cambridge ; Master of Marlborough College ; and Chaplain in Ordinary to the Queen. In Two Volumes Frederic William Farrar, 1884 **The British Jesus, 1850-1970** Meredith Veldman, 2022-04-05 The British Jesus focuses on the Jesus of the religious culture dominant in Britain from the 1850s through the 1950s the popular Christian culture shared by not only church kirk and chapel goers but also the growing numbers of Britons who rarely or only episodically entered a house of worship An essay in intellectual as well as cultural history this book illumines the interplay between and among British New Testament scholarship institutional Christianity and the wider Protestant culture The scholars who mapped and led the uniquely British quest for the historical Jesus in the first half of the twentieth century were active participants in efforts to replace the popular image of Jesus in a white nightie with a

stronger figure and so they hoped to preserve Britain's Christian identity. They failed. By exploring that failure and more broadly by examining the relations and exchanges between popular artistic and scholarly portrayals of Jesus, this book highlights the continuity and the conservatism of Britain's popular Christianity through a century of religious and cultural transformation. Exploring depictions of Jesus from over more than one hundred years, this book is a crucial resource for scholars of British Christianity in the nineteenth and twentieth centuries.

The Historical Jesus and the Literary Imagination 1860-1920 Jennifer Stevens, 2010-07-14. An Open Access edition of this book is available on the Liverpool University Press website and the OAPEN library. Fictional reconstructions of the Gospels continue to find a place in contemporary literature and in the popular imagination. Present-day writers of New Testament fiction and drama are usually considered as part of a tradition formed by mid to late twentieth-century authors such as Robert Graves, Nikos Kazantzakis, and Anthony Burgess. This book looks back further to the late nineteenth and early twentieth centuries when the templates of the majority of today's Gospel fictions and dramas were set down. In doing so, it examines the extent to which significant works of biblical scholarship both influenced and inspired literary works. Focusing on writers such as Oscar Wilde, George Moore, and Marie Corelli, this timely new addition to the English Association Monographs series will be essential reading for scholars working at the intersection of literature and theology.

The life of Christ. (Biographical ed.). Frederic William Farrar, 1903.
