The Life Of Christ His Divine Birth Scripture Miniatures:

Jesus Christ: his life and his work Frederic Amadeus Malleson,1880 **The Congregationalist** ,1928 **Essential Figures in the Bible** Ronald L. Eisenberg,2013 For millions of people throughout the world the Hebrew Bible functions as the foundation of their faith For millions more the same book functions as the subject of their studies For both groups the characters discussed in the Bible lend key insight to the lessons found there However sifting through the hundreds of names mentioned in this key religious text to find information about one figure can be tedious and time consuming and most reference guides either provide only brief unhelpful entries on every character including minor figures or are so extensive that they can be more intimidating than the original text **Essential Figures in the Bible** compiles thorough but manageable entries on the figures most vital to an understanding of the Bible and its teachings In this valuable reference Dr Ronald L Eisenberg catalogs and explains the importance of more than 250 figures who are most vital to an understanding of the Hebrew Bible and its teachings For these figures selected from the more than 3 000 names found in the Hebrew Bible Eisenberg provides summaries of the narratives relevant to each figure discussed along with illustrative quotations from the Bible and supplementary material from rabbinic literature when appropriate Both religious studies and rabbinical students and casual readers of the Hebrew Bible will benefit from the comprehensive entries on the most frequently discussed biblical figures and will gain valuable insights from this reader friendly text Complete in a single volume this guide strikes a satisfying balance between the sparse uninformative books and comprehensive but overly complex references that are currently the only places for inquisitive Bible readers to turn For any reader who wishes to gain a better understanding of the Bible Eisenberg s text is just as essential as the figures listed within **The Miniature Commentary** ,1840 **The National Sunday School Teacher** Edward Eggleston,Marshall Curtiss Hazard,1871 *A complete concordance to the holy Scriptures. To which is added, a sketch of the life and character of the author* Alexander Cruden,1879 **Bible Myths and Their Parallels in Other Religions** Thomas William Doane,1882 *The Cottage Bible and Family Expositor* Thomas Williams,1825 *The Lutheran* George Washington Sandt,1929 **ROMANS BY JOHN GILL FIGURES OF SPEECH BY E.W. BULLINGER** James J. Maccabee Company,2025-01-16 About this book Though this epistle of Romans is placed immediately following the Acts of the Apostles it was not the first written Paul wrote several epistles before this one such as the two epistles to the Thessalonians the two to the Corinthians his first epistle to Timothy and the one to Titus This epistle stands first because of its excellency or the dignity of the place where the persons lived to whom it is written Rome the imperial city of his time Its excellence comes from teaching all humanity that eternal life is available for all those who seek it according to the design God established before He created the universe in eternity past
