Revelations Xavier Reyes-Ayral,2022-05-31 From 1846 to the present day the Vatican has maintained quite the same message brought forth from Heaven by different messengers across time and across vast distances and continents This message echoes the gravest of admonitions and calls mankind to convert and find refuge through the knowledge of the truth which today threatens the very basis of world peace Today in 2022 the message of La Salette La Fraudais Tilly Fatima Garabandal Akita and Medjugorje and their secrets take a meaning of the greatest importance as the admonitions brought forth by the Blessed Virgin Mary warn of a cataclysmic global disaster which has now become imminent The Church s apprehension of frightening the masses inspired inaction and Rome s decision to silence founded more on fear than on

caution led millions of faithful to the darkness of ignorance and therefore to a lack of necessary conversion prayers and intercession for peace This book proposes unveiling the light and thus asking humanity to respond to the call of a warm and loving mother who merely seeks the salvation of her children The Irish Ecclesiastical Record ,1920 **The works of Robert Leighton** Robert Leighton (abp. of Glasgow.),1859 The African Bible Embaye Melekin,2011-03 The African Bible is the record of the Abyssinian prophets who came to Africa from Jerusalem in around 600 BC The Sabeans Nephites and the Agazians Lamanites will become the ancestors of the African people The prophecies of the African Bible have been entirely fulfilled upon Africans Jews and Gentiles The Agazians or black Africans were prophesied to dwindle in unbelief as was apparent in the history of the continent Also black Africans were prophesied to be scourged slaved and scattered by the Gentiles and that was the experience of Africans The African Bible the Book of Mormon was prophesied to be hidden from the African people until God s own time and will first be discovered by the Gentiles Hence the prophet Joseph Smith translated them into English from the Sabeian script and the Mormon Church had them for almost two centuries without knowing the authentic owners of the records The records were then to be revealed to the African people by one of their descendants and that is what I am doing now I have convincingly proven the Book of Mormon to be the record of the African ancestors and is therefore an African Bible Hence Africans are the remnants of the house of Israel and descendants of Manasseh
