Jenkins**

The Lasting Elements Of Individualism:

The Lasting Elements of Individualism William Ernest Hocking, 1940 *Pragmatism, Postmodernism and the Future of Philosophy* John J. Stuhr, 2015-12-03 Pragmatism Postmodernism and the Future of Philosophy is a vigorous and dynamic confrontation with the task and temperament of philosophy today In this energetic and far reaching new book Stuhr draws persuasively on the resources of the pragmatist tradition of James and Dewey and critically engages the work of Continental philosophers like Adorno Foucault and Deleuze to explore fundamental questions of how we might think and live differently in the future Along the way the book addresses important issues in public policy university administration spirituality and the notion of community and its meaning in a global world of difference This book is essential reading for anyone concerned with the future of philosophy and the ways in which philosophical thinking can help us live better more fulfilling lives

Authentic Individualism R. Philip Brown, 1996 Drawing from the development of individualism in western philosophy and American history this book constructs a normative theory called authentic individualism Using the precepts of that theory it urges organizational leaders to change the way they think about their organizations and their organizations social function Students and scholars of political science social science public administration moral theory and organizational theory will find this a useful work Contents Introduction to Individualism PART ONE A Model of the Individual from Western Philosophy The Individual of the Ancients The Individual of the Dark Ages The Individual of Modernity PART TWO A Model of the Individual in the United States Rugged Individualism of the Revolutionary U S Rational Individualism After Romanticism and Reform Radical Individualism from Disillusionment and Loss of Faith PART THREE Synthesis of Philosophies Toward a More Socially Responsible Individualist in the Third Millennium Need for a New World View Changing the Paradigm Soul of the Third Administrative State Notes Bibliography Index Permanent Revolution Sigmund Neumann, 2023-10-16 Permanent Revolution stands out as a classic study of the social structure of totalitarian rule The problem of totalitarianism and democracy is still with us and Neumann s dictum that it is much more than a problem of constitutional structure of economic progress it is above all the difference in basic human concepts is as valid today as it was in 1942 Neuman s analysis of dictatorship opens a new approach to political dynamism for the democracies For it deals ultimately with a lasting problem the dignity and personal responsibility of the individual from the Preface by Hans Kohn **Christianity and Human**

Rights Reconsidered Sarah Shortall, Daniel Steinmetz-Jenkins, 2020-09-24 This volume showcases the work of a new generation of scholars interested in the historical connection between religion and human rights in the twentieth century offering a truly global perspective on the internal diversity theological roots and political implications of Christian human rights theory **Plato and the Individual** Robert William Hall, 2012-12-06 In this study of Plato s theory of the individual I propose to show that Plato is deeply concerned with the achievement by each person of the moral excellence appropriate to man Plato exhibits profound interest in the moral well being of each individual not merely those who are philosophically

gifted Obviously my study is in opposition with a traditional line of interpretation which holds that Plato evinces small concern for the ordinary individual the common man of today According to this interpretation Plato s chief interest shown especially in the Republic is with the philosophically endowed whose knowledge penetrates to and embraces the realm of forms this is a world which must remain for the common man an unfathomable mystery in its totality Although he is unable to grasp the knowledge of the forms necessary for genuine morality the ordinary individual may if he is fortunate enough to live in a polis ruled by philosophers gain a sort of secondary or demotic morality Through the mechanical development of the right kind of habits through faithful obedience to the decrees of the rulers and the laws of the polis the many who are incapable of comprehending the true bases of morality will attain a second best unreflective morality accompanied by happiness

The Handbook of Media and Mass Communication Theory, 2 Volume Set Robert S. Fortner, P. Mark Fackler, 2014-05-05 The Handbook of Media and Mass Communication Theory presents a comprehensive collection of original essays that focus on all aspects of current and classic theories and practices relating to media and mass communication Focuses on all aspects of current and classic theories and practices relating to media and mass communication Includes essays from a variety of global contexts from Asia and the Middle East to the Americas Gives niche theories new life in several essays that use them to illuminate their application in specific contexts Features coverage of a wide variety of theoretical perspectives Pays close attention to the use of theory in understanding new communication contexts such as social media 2 Volumes **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1967 Includes Part 1 Number 2 Books and Pamphlets Including Serials and Contributions to Periodicals July December

Liberalism Versus Conservatism François B. Gérard, 2000 Everyone eschews labels yet we all seem to possess them in the minds of legions of politicians marketers and even the ever peering government We are being targeted daily by flaming liberals left wing liberals right wing conservatives compassionate conservatives religious conservatives and liberals pinko liberals middle of the road liberals conservatives and liberals pinko liberals middle of the road liberals and conservatives and of course by neoconservatives and neoliberals The search is on for kindred souls the types who will open their wallets to support whatever it is the hucksters are peddling But what to these concepts mean and do their torchbearers grasp the underlying philosophies or do they care This bibliography lists over hundreds of entries under each category which are then indexed by title an author *Technology, War and Fascism* Herbert Marcuse, 2004-01-14 PUBLICITY TITLE Marcuse s most famous book One Dimensional Man has sold over 100 000 copies worldwide Kellner and Marcuse both big names in their own rights First in a series of six a must for libraries to have whole sets Revival of HERBERT MARCUSE LEGACY Marcuse s philosophy was so ahead of its time that its almost more appropriate now than it was in the 1960s

Reviewing **The Lasting Elements Of Individualism**: Unlocking the Spellbinding Force of Linguistics
