The Latin American Policy Of Warren G Harding Vol I:

History of American Foreign Policy, Volume 2 Jerald A Combs, 2017-07-28 First Published in 2017 Now thoroughly updated this respected text provides a clear concise and affordable narrative and analytical history of American foreign policy from the revolutionary period to the present This is Volume II and is from 1895 The historiographical essays at the end of each chapter have been revised to reflect the most recent scholarship The History of American Foreign Policy chronicles events and policies with emphasis on the international setting and constraints within which American policy makers had to operate the domestic pressures on those policy makers and the ideologies preferences and personal idiosyncrasies of the leaders themselves American Foreign and National Security Policies, 1914-1945 Thomas H. Buckley, Edwin B. Strong, 1987 *United States Foreign Policy in the Interwar Period, 1918-1941* Benjamin Rhodes, 2001-07-30 This study presents an in depth survey of the principal policies and personalities of American diplomacy of the era together with a discussion of recent historiography in the field For two decades between the two world wars America pursued a foreign policy course that was according to Rhodes shortsighted and self centered Believing World War I had been an aberration Americans na Dively signed disarmament treaties and a pact renouncing war while eschewing such inconveniences as enforcement machinery or participation in international organizations Smug moral superiority a penurious desire to save money and na vet ultimately led to the neglect of America s armed forces even as potential rivals were arming themselves to the teeth In contrast to the dynamic drive of the New Deal in domestic policy foreign policy under Franklin D Roosevelt was often characterized by a lack of clarity and reflecting Roosevelt s fear of isolationists and pacifists by presidential explanations that were frequently evasive incomplete or deliberately misleading One of the period s few successes was the bipartisan Good Neighbor policy which proved far sighted commercially and strategically Rhodes praises Cordell Hull as the outstanding secretary of state of the time whose judgment was often more on target than others in the State Department and the executive branch The Latin American Policy of Warren G. Harding Kenneth J. Grieb, 1976 *Latin American Insurgencies* Georges A. Fauriol, 1985 *Charles Evans Hughes and the Dawning of Modern America* Joanne Reitano, 2025-07-15 In the first full life biographical study of Charles Evans Hughes in over seventy years Joanne Reitano provides a fresh assessment of Hughes s distinguished multifaceted public service during the first half of the twentieth century His exceptional career includes the roles of governor of New York 1906 1910 associate justice and presidential candidate 1910 1916 secretary of state 1921 1925 and chief justice of the Supreme Court 1930 1941 A household name in his own time Hughes challenged bossism in New York politics championed post World War I internationalism and brokered the world s first arms limitation agreement On the Supreme Court he was instrumental in modernizing legal doctrines concerning the interstate commerce clause substantive due process and civil liberties Reitano unpacks the seemingly paradoxical nature of Hughes s political and legal careers arguing that he was neither radical nor reactionary but a

structural reformer and a practical idealist who significantly impacted the nation's transition into the twentieth century Drawing on a wealth of sources Reitano's work will be the definitive account of Charles Evans Hughes for years to come

Hartmann, 2011-02-15 In response to the ever changing challenges of teaching the survey course Understanding the American Promise combines a newly abridged narrative with an innovative chapter architecture to focus students attention on what's truly significant Each chapter is fully designed to guide students comprehension and foster their development of historical skills Brief and affordable but still balanced in its coverage this new textbook combines distinctive study aids a bold new design and lively art to give your students a clear pathway to what's important **The War of 1898, and U.S. Interventions, 1898-1934** Benjamin R. Beede, 1994 A fascinating encyclopedic survey of the Spanish Cuban American War the Philippine War and the small wars between 1899 and the end of the occupation of Haiti in 1934 The name changes themselves are instructive The usage of Spanish American War ignores the fact that the war in Cuba had been largely won by the Cuban revolutionaries before US intervention hence the new title Spanish Cuban American War The use of Philippine Insurrection is replaced by Philippine War since the Philippine forces had taken much of the islands from Spain before US ground forces arrived And guerillas or revolutionaries have replaced bandits the term used by the US to discredit oppositional forces Annotation copyright by Book News Inc Portland OR
