Richard Garner

The Law In Classical Athens:

The Law in Classical Athens Douglas Maurice MacDowell,1986 The Law in Classical Athens Douglas Maurice MacDowell,1978 Law and Society in Classical Athens (Routledge Revivals) Richard Garner,2014-03-18 Law and Society in Classical Athens first published in 1987 traces the development of legal thought and its relation to Athenian values Previously Athens courts have been regarded as chaotic isolated from the rest of society and even bizarre The importance of rhetoric and the mischief made by Aristophanes have devalued the legal process in the eyes of modern scholars whilst the analysis of legal codes and practice has seemed dauntingly complex Professor Garner aims to situate the Athenian legal system within the general context of abstract thought on justice and of the democratic politics of the fifth century His work is a valuable source of information on all aspects of Athenian law and its relation to culture Law and Justice in the Courts of Classical Athens Adriaan Lanni,2006-02-27 In this 2006 book Adriaan Lanni draws on contemporary legal thinking to present a model of the legal system of classical Athens She analyses the Athenians preference in most cases for ad hoc discretionary decision making as opposed to what moderns would call the rule of law Lanni argues that the Athenians consciously employed different approaches to legal decision making in different types of courts The varied approaches to legal process stems from a deep tension in Athenian practice and thinking between the demand for flexibility of legal interpretation consistent with the exercise of democratic power by ordinary Athenian jurors and the demand for consistency and predictability in legal interpretation expected by litigants and necessary to permit citizens to conform their conduct to the law Lanni presents classical Athens as a case study of a successful legal system that by modern standards had an extraordinarily individualised and discretionary approach to justice **Democratic Law in Classical Athens** Michael Gagarin,2020-03-17 The democratic legal system created by the Athenians was completely controlled by ordinary citizens with no judges lawyers or jurists involved It placed great importance on the litigants rhetorical performances Did this make it nothing more than a rhetorical contest judged by largely uneducated citizens that had nothing to do with law a criticism that some including Plato have made Michael Gagarin argues to the contrary contending that the Athenians both controlled litigants performances and incorporated many other unusual features into their legal system including rules for interrogating slaves and swearing an oath The Athenians Gagarin shows adhered to the law as they understood it which was a set of principles more flexible than our current understanding allows The Athenians also insisted that their legal system serve the ends of justice and benefit the city and its people In this way the law ultimately satisfied most Athenians and probably produced just results as often as modern legal systems do Comprehensive and wide ranging Democratic Law in Classical Athens offers a new perspective for viewing a legal system that was democratic in a way only the Athenians could achieve **Democracy and the Rule of Law in Classical Athens** Edward M. Harris,2006-04-17 This volume brings together essays on Athenian law by Edward M Harris who challenges much

of the recent scholarship on this topic Presenting a balanced analysis of the legal system in ancient Athens Harris stresses the importance of substantive issues and their contribution to our understanding of different types of legal procedures He combines careful philological analysis with close attention to the political and social contexts of individual statutes Collectively the essays in this volume demonstrate the relationship between law and politics the nature of the economy the position of women and the role of the legal system in Athenian society They also show that the Athenians were more sophisticated in their approach to legal issues than has been assumed in the modern scholarship on this topic

Democracy and the Rule of Law in Classical Athens Edward M. Harris, 2014-11-20 This volume brings together essays on Athenian law by Edward M Harris who challenges much of the recent scholarship on this topic Presenting a balanced analysis of the legal system in ancient Athens Harris stresses the importance of substantive issues and their contribution to our understanding of different types of legal procedures He combines careful philological analysis with close attention to the political and social contexts of individual statutes Collectively the essays in this volume demonstrate the relationship between law and politics the nature of the economy the position of women and the role of the legal system in Athenian society They also show that the Athenians were more sophisticated in their approach to legal issues than has been assumed in the modern scholarship on this topic

The Law of Ancient Athens David Phillips, 2013-10-14 A topic fundamental to understanding the ancient world

Democracy and the Rule of Law in Classical Athens , 2006 This brings together essays on Athenian law by Edward Harris who challenges much of the recent scholarship on this topic Presenting a balanced analysis of the legal system in ancient Athens Harris stresses the importance of substantive issues and their contribution to our understanding of different types of legal procedures
