The Lazarus Hotel:

The Lazarus Hotel Jo Bannister, 2012-11-15 A personal discovery course is Richard Speke's last chance to recover his shattered nerve and save his job as a frontline TV reporter. With more hope than expectation, he presents himself at the venue: the penthouse suite of a brand new, indeed unfinished London skyscraper, Lazaire's Hotel. Richard barely has time to meet Dr Miriam Graves and the others on the course among them a former tennis star, a workaholic advertising executive, a grieving widower, and a man terrified of heights, before odd things start to happen. The seven people on the course have never met before, should have nothing in common, but their neuroses. So why do their memories raise echoes in one another's minds? Each one has a guilty secret, but how can they all share the same one? Then the only lift currently reaching the top of Lazaire's Hotel suddenly becomes inoperative, so does the telephone. The penthouse is now effectively isolated from the city, but the group no longer seems to be alone. Then one of them is brutally attacked. There's plenty of personal discovery in store for those who survive the course. *Transcending* Mauricio Peterlevitz, 2021-07-22 A fighter pilot from WWII is shot down and dies right after breaking up with his fiancée. In a future life, now in 1999, he's going to chase some terrorists on a time travel back to 1944. This will put him in contact again with the person he loved in his past life. They will then, without knowing, fight in two battles: one to stop the terrorist's plans and another one to deserve the right to live together as they were always destined to. What they do not know is that the result of each one of these events has a direct influence into the other one. Nothing is what it seems in this story, and the end is very romantic and totally unexpected. **The Lazarus Trap** Davis Bunn, 2005-03-12 For Val Haines, dying may be the chance of a lifetime. Awakening in a jail cell and bleeding from his head, Val Haines remembers nothing. Not even his name. As his memory slowly begins to return, Haines discovers that the world thinks he's dead. If his nightmares ring true, it may be for the best. Around him, a conspiracy of embezzlement and murder for hire, fueled by the rage of personal vendetta. As he searches for a safe haven, enigmatic Audrey beckons, but can she be trusted? With nothing but a few personal belongings and a sizable amount of cash, Haines must run. With his past behind him, he'll do anything to claim a new life for himself. Or die trying. *The Hotel Monthly* John Willy, 1922 *Scarred for Life* Lee J.M. da Rocha, 2022-07-04 Book summary. Set in a world parallel to our own, amid a shaken society, a fateful night comes in December. Detectives Gabriele Rossi and Oliver Clinton call in a 273D to the Vargas family. Little do they know, all their lives will forever change in the festering chaos. While all around them collapses in on itself, with Chrysler Islanders barely enduring, communications becoming lost and desperations burn high, the strange genesis of all this turmoil, the Black Matter substance, is unlike anything any have seen before. It can either be one's healing grace or metamorphic doom. In the passing decade, drenched in blood, a new form of power rose with collisions of every scale, but Chrysler Island had become barren of human life on the surface. When in peril of becoming devoured or fated to anguish worse than death by the berserk creatures that plague the ghost city, what purpose would one have in this seemingly senseless existence? Can the world go

back to the way it was if possible Should it when the freedom in the lawlessness is ecstatic And as life had drifted on and pass him by in his aimless state the young Rossi may just find the push he never knew he needed The world has forever changed in ways most don't see but he and the ones he's come upon quickly learn that maybe it's best to stay ignorant From back of the book A GRITTY RELENTLESS AND MACABRE SURVIVAL TALE SET IN A RAW REALITY IN HARSH TIMES WHERE INNOCENCE DOESN'T LAST Detective Gabriele Rossi is at his wit's end he's been on this path for quite some time Years in the CIPD couldn't have prepared him for a fateful night of reckoning He and alongside the millions of other Chrysler Islanders are dealt an unprecedented invasion a lethal blow to the United States system by feral beasts The remnants of the historical decimation must endure the fight of their lives all the while preserving their families and themselves In the wake of a truth none foresaw will the violence loss and feeling of helplessness engulf the rest *American Builder* ,1924
