The Little Book of Golf Dr Keith Souter, 2011-11-30 Golf is one of the most popular games in the world That is a strange thing to say since almost all serious golfers actually have a love hate relationship with it A good round can bring great joy and satisfaction while a bad round can end in depression a binge at the bar arguments with one's partner and the need for prompt evasive action by the family cat Although this book is written in a light hearted manner it contains a wealth of information about every aspect of the game Learn about its long and speckled history and some of the quirky characters who have graced the links It also has some advice on putting and chipping two parts of the game which cause the occasional golfer frustration heartache and sore knees after repeated attempts to break the clubs Failing that you will find a selection of fascinating anecdotes about the game's greats and plenty of intriguing trivia

Youth's Companion, 1925

Golf Dreams John Updike, 2011-02-16 John Updike wrote about the lure of golf for five decades from the first time he teed off at the age of twenty five until his final rounds at the age of seventy six Golf Dreams collects the most memorable of his golf pieces high spirited evidence of his learning playing and living for the game The camaraderie of golf the perils of its present boom how to relate to caddies and how to manage short putts are among the topics he addresses sometimes in lyrical essays sometimes in light verse sometimes in wickedly comic fiction All thirty pieces have the lilt of a love song and the crispness of a firm chip stiff to the pin

Woman's Home Companion, 1919

Golf Is from Satan T. Patterson, 2001-01-22 Born of a seething near psychotic indifference to golf that was transformed during its writing into the nihilistic and passionate obsession of a student in a Parisian school for acrobats and clowns Golf Is From Satan is the first book about golf that seeks and tells the truth about a game that longs to ascend to the heavens of public imagination on the singed wings of demons This book sings instructs will send the reader into convulsive fits of nervous laughter save or send the reader to hell then finally and suddenly yield up the hidden secrets of the universe And it's just a golf book that admittedly has little to do with golf itself
