Devil Cholla Gloria H. Giroux,2019-03-06 In Tucson Arizona the Union Jack team joins the police and FBI to investigate the facts behind the conviction and death sentence of a supposedly innocent young man Mystifying clues stymie their efforts and when new murders of children and prostitutes begin to multiply the hunt heats up Quint Deliverance Wilde and Victor find themselves in a deadly quagmire of misdirection secrets and pure evil But this time around their teenage children are drawn into the Union Jack circle Approaching adulthood with smarts daring and determination two daughters choose vocations that relate to crime investigation while a son takes a path into the dark recesses of the mind As a pair of siblings

insinuate themselves into the lives of the team their fates all hinge on the mystery Can they put an end to the ferocious threat that challenges their future or will this villain prove to be superior and cause their downfall The clock ticks as the source of evil becomes clear and shocking **Sunday stories, ed. by H. Aspden** Hartley Aspden,1899 **Threshold of Discovery**

L. Roger Owens,2019-01-17 Thoughtful exploration of midlife spirituality through the prism of nature walks Roger Owens facing a dark night of the soul as he turned forty and entered midlife was encouraged by his spiritual director to think of it instead as a threshold of discovery Rather than go on a grand adventure like walking the Appalachian Trail or the Camino de Santiago he decided to mark his fortieth year by taking forty walks in a nearby nature preserve With patience and attention he explored the concerns rising with him the inevitability of death his boredom with life and the reality of his changing faith changing images of God and changing sense of self The result is forty short chapters that weave together insightful stories of his walks with accessible history and practices of Christian spirituality and the lives of saints This field guide to the spirituality of midlife facilitates readers personal journeys through questions of faith purpose and relationships It is not solely a memoir but a work of wisdom literature that uses engaging first person narratives to explore universal themes and spiritual inquiry Wise and imaginative and with study questions for each section Threshold of Discovery is the companion guide for a thoughtful Christian journey
