SharePoint 2007 Web Content Management Development Andrew Connell,2008-09-09 This book is for SharePoint developers working with Publishing sites sites that leverage MOSS 2007 WCM capabilities It does not cover administrative topics in any great detail only where absolutely necessary For the most part no two chapters are dependent upon each other so each chapter can be used as a reference independently of the others Readers need not have any development experience with SharePoint but they should have some experience with and a working knowledge of ASP NET 2 0 development practices and topics Of course it is beneficial if the reader does have at least a working knowledge of what SharePoint is all about This book covers MOSS 2007 WCM Publishing sites You will find some chapters that seem to cover general WSS 3 0 topics but everything is treated in the context of a Publishing site While the chapters are arranged in a logical order it is not necessary to read the book from cover to cover in a linear fashion The following is a brief description of each chapter Chapter 1 Embarking on Web Content Management Projects This chapter explains what this book is all about who the target audience

is and who will benefit most from the book It also details what the reader needs in terms of a local development environment in order to implement the solutions In addition each of the subsequent chapters is explained very briefly to provide an overview and clarify how each chapter fits in Chapter 2 Windows SharePoint Services 3 0 Development Primer This chapter covers the fundamentals of WSS including definitions of terms such as farm Web application site collection site list and document library and the general architecture of WSS Some basic object model techniques are demonstrated in this chapter Chapter 3 Overview of Office SharePoint Server 2007 and Web Content Management This chapter briefly explains each of the various components that make up MOSS In addition while the book is development focused the ABCs of content centric Internet sites is covered Chapter 4 SharePoint Features and the Solution Framework Both new to WSS 3 0 the SharePoint Feature and solution frameworks are covered in great detail in this chapter as well as a process for automatically creating WSS solution packages on every project build Chapter 5 Minimal Publishing Site Definition Many users create new WCM sites by using the Publishing Portal template Unfortunately this adds quite a bit of unnecessary content to the site This chapter picks apart the Publishing Portal template and Publishing Features and demonstrates how to create a minimal Publishing Portal template Chapter 6 Site Columns Content Types and Lists Three core components to every WSS 3 0 site site columns content types and lists are covered in this chapter Chapter 7 Master Pages and Page Layouts This chapter covers everything you need to know about creating editing and leveraging master pages and page layouts within Publishing sites Chapter 8 Navigation While WSS 3 0 s navigation is founded on the ASP NET 2 0 navigation provider framework there are a few SharePoint specific topics which are covered in this chapter Chapter 9 Accessibility If it s not already accessibility is becoming an increasingly important topic with regard to Web sites This chapter explains the different levels of accessibility and discusses some techniques and tools developers can leverage to create sites for users with disabilities Chapter 10 Field Types and Field Controls Although it s a WSS 3 0 concept field types and field controls are covered in this chapter in the context of a Publishing site This includes creating custom field types with custom values types and controls as well as custom field controls that leverage existing field types Chapter 11 Web Parts This chapter covers creating custom Web Parts and some advanced topics related to custom Web Part development such as Editor Parts customizing the Verbs menu and leveraging asynchronous programming techniques This chapter also covers the three Publishing specific Web Parts and some advanced customization and styling options of the Content Query Web Part Chapter 12 Leveraging Workflow The Windows Workflow Foundation part of the NET Framework 3 0 is fully leveraged by WSS 3 0 and MOSS 2007 This chapter explains how to create custom workflows using Visual Studio and leveraging InfoPath Web rendered forms Chapter 13 Search Every content centric site needs a robust search offering This chapter explains the different components of MOSS search as well as many customization opportunities such as modifying the search results Chapter 14 Authoring Experience Extensibility While the authoring experience in Publishing sites is quite robust at times developers need to extend this offering for specific

content owner requirements This chapter covers this including customizing the Page Editing Toolbar and the Rich Text Editor HTML field control Chapter 15 Authentication and Authorization This chapter covers everything you need to know about the ASP NET 2 0 authentication provider model SharePoint fully leverages Chapter 16 Implementing Sites with Multiple Languages and Devices This chapter covers the topic of maintaining sites that need to offer their content in multiple languages as well as developing custom Web Parts that are multilingual aware Chapter 17 ContentDeployment A common request for larger content centric Web sites is to have an internal authoring environment for content and then push the changed content out to a destination site either in an organization s DMZ or at a co location facility This chapter describes the content deployment capability in MOSS designed to handle such business requirements Chapter 18 Offline Authoring with Document Converters While MOSS 2007 Publishing sites offer a very robust Web based content authoring experience SharePoint provides a way to author content offline using tools such as Microsoft Word or InfoPath This chapter explains what you need to know about configuring the document converter infrastructure and creating custom document converters Chapter 19 Performance Tips Tricks and Traps Internet facing content centric sites built on the SharePoint platform need to be designed and developed with performance in mind This chapter provides numerous guidelines and tips that developers can leverage to create the most performant sites Chapter 20 Incorporating ASP NET 2 0 Applications SharePoint both WSS 3 0 and MOSS 2007 is not an end to end solution but an application platform While it provides a significant amount of functionality out of the box developers can leverage this platform in building custom applications This chapter discusses some techniques that can be used for such tasks One approach book takes is not to dwell on the more common minutia of creating projects in Visual Studio or the huge topics of core Windows SharePoint Services WSS 3 0 development or SharePoint administration These topics warrant their own books and throughout this book you will find recommended resources for these topics This book does cover some subjects that have their roots in WSS but they are presented within the context of a Publishing site Finally this book approaches every topic of implementation from the perspective of SharePoint customization and SharePoint development While one implementation may seem to be better than the other it takes no position on either as the goal is to simply educate readers about the advantages and disadvantages of each These concepts are defined in Chapter 2 Windows SharePoint Services 3 0 Development Primer This book is also available as part of the 4 book SharePoint 2007 Wrox Box ISBN 0470431946 with these 4 books Professional SharePoint 2007 Development ISBN 0470117567 Real World SharePoint 2007 ISBN 0470168358 Professional Microsoft SharePoint 2007 Design ISBN 047028580X Professional SharePoint 2007 Web Content Management Development ISBN 0470224754 [Microsoft SharePoint 2010 Unleashed](#) Michael Noel,Colin Spence,2010-10-08 Microsoft SharePoint 2010 Unleashed Michael Noel Colin Spence Using Microsoft SharePoint 2010 technologies organizations can bring together utilize and collaborate with information from virtually any source Microsoft SharePoint 2010 Unleashed is the most complete practical resource for all

The Left In Search Of A Center Introduction

In today's digital age, the availability of The Left In Search Of A Center books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Left In Search Of A Center books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Left In Search Of A Center books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Left In Search Of A Center versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Left In Search Of A Center books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Left In Search Of A Center books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Left In Search Of A Center books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public.

Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Left In Search Of A Center books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Left In Search Of A Center books and manuals for download and embark on your journey of knowledge?
