The Library Of Henry James:

Henry James: Novels 1886-1890 (LOA #43) Henry James, 1989-06-01 The three novels in this Library of America volume from Henry James's middle period explore some historical and social dilemmas that belong as much to our time as to his own. The Princess Casamassima was published in 1886 a year that saw riots of the unemployed in London. It is a political novel in which anarchists and terrorists conspire within a fin de siècle world of opulence and glamour. The action ranges from palaces to slums from London to Paris to Venice and back again. The novel's hero Hyacinth Robinson is torn between his loyalty to revolutionary causes for which he is about to commit an act of violence that may cost him his life and his taste for the artistic side of aristocratic culture represented in part by the beautiful wealthy compassionate and yet deceptive Princess of the title. Possibly to save Hyacinth she becomes romantically involved with his fellow conspirator Paul Muniment a calculating political operative idealistic and treacherous by turns. Assassination plots sexual betrayals murder suicide and the fierce play of conflicting loyalties all these bring into play an intricate abundance of attendant figures like the rakish Captain Sholto and the appealing but faithless Millicent Henning. The Reverberator 1888 is a swiftly paced comic novel named after a newspaper that caters to the American public's appetite for the society news of every quarter of the globe. Francie Dosson the free spirited daughter of a wealthy Boston family innocently provides gossip to George Flack a young commercial American who writes for the paper. His published report imperils her engagement to Gaston Probert whose family is outraged by the airing of its secrets. James portrays the collision of easily shocked Old World propriety and self-assured New World naiveté with benevolent affection and spirited delight. The Tragic Muse 1890 explores with a topical realism not usually found in James the conflicts between art and politics society and the Bohemian life. It does so with dazzling glimpses of Parisian theater and of London aestheticism as articulated by the flamboyant and idealistic Gabriel Nash. At its center are four superbly drawn characters. The fascinating Miriam Rooth is an actress of overwhelming egotistic vitality and dedication to her art. Her suitor the diplomat Peter Sherringham is impassioned by her theatrical talent even while asking her to sacrifice it for his career. Nick Dormer faces a similar predicament in his engagement to the rich Julia Dallow who wants him to forgo his painting so as to make use of her fortune in pursuit of his career in Parliament. Full of witty talk and vividly dramatic scenes the novel includes a vast array of characters such as the impressive political matriarch Lady Dormer. Perhaps more than any of his novels it attests to James's recognition of the costs of any dedication like his own to creative achievement. Tintner, 1983 **The Library of America** Henry James, 1984 **Henry James: Novels 1901-1902 (LOA #162)** Henry James, 2006-02-02 This Library of America volume brings together one of Henry James's most unusual experiments and one of his most beloved masterpieces. Writing to his friend William Dean Howells, Henry James characterized his experimental novel *The Sacred Fount* as the only one of his novels to be told in the first person as a fine flight into the high fantastic. While traveling to the country house of Newmarch for a weekend party, the nameless narrator becomes obsessed with the idea that a person may become younger or cleverer by tapping the sacred fount of another person. Convinced that Grace Brissenden has become younger by drawing upon her husband Guy, the narrator seeks to discover the source of the newfound wit of Gilbert Long, previously a fine piece of human furniture. His perplexing and ambiguous quest and the varying reactions it provokes from the other guests call into question the imaginative inquiry central to James's art of the novel. James described the essential idea of *The Wings of the Dove* as a young person conscious of a great capacity for life but early stricken and doomed, condemned to die under short respite while also enamoured of the world. The heroine, a wealthy young American heiress Milly Theale, inspired by James's beloved cousin Minny Temple, is slowly drawn into a trap set for her by the English adventuress Kate Croy and her lover, the journalist Morton Densher. The unexpected outcome of their mercenary scheme provides the resolution to a tragic story of love and betrayal, innocence and experience that has long been acknowledged as one of James's supreme achievements as a novelist. This volume prints the New York Edition text of *The Wings of the Dove* and includes the illuminating preface James wrote for that edition. Literary Criticism: Essays on literature. American writers. English writers Henry James, 1984 *Henry James: Travel Writings Vol. 1 (LOA #64)* Henry James, 1993-09-01 Collected in this Library of America volume and its companion for the first time, Henry James's travel books and essays display his distinctive charm and vivacity of style, his sensuous response to the beauty of place, and his penetrating, sometimes sardonically amusing, analysis of national characteristics and customs. Observant, alert, imaginative, these works remain unsurpassed guides to the countries they describe, and they form an important part of James's extraordinary achievement in literature. This volume brings together James's writing on Great Britain and America. The essays of *English Hours* (1905) convey the freshness of James's wonderments and judgments and emotions on first encountering the country that became his adopted home for half a century. James includes the vivid account of a New Year's weekend at a perfectly appointed country house, midsummer dog days in London, and the spectacle of the Derby at Epsom. Joseph Pennell's delightful illustrations, which appeared in the original edition, are reprinted with James's
