An Autobiography of Buffalo Bill William Cody, 2010-10-08 I am about to take the back trail through the Old West the West that I knew and loved All my life it has been a pleasure to show its beauties its marvels and its possibilities to those who under my guidance saw it for the first time Now going back over the ground looking at it through the eyes of memory it will be a still greater pleasure to take with me the many readers of this book And if in following me through some of the exciting scenes of the old days meeting some of the brave men who made its stirring history and listening to my camp fire tales of the buffalo the Indian the stage coach and the pony express their interest in this vast land of my youth should be awakened I should feel richly repaid The Indian tamed educated and inspired with a taste for white collars and moving pictures is as numerous as ever but not so picturesque On the little tracts of his great inheritance allotted him by civilization he is working out his own manifest destiny The buffalo has gone Gone also is the stagecoach whose progress his pilgrimages often used to interrupt Gone is the pony express whose marvelous efficiency could compete with the wind but not with the harnessed lightning flashed over the telegraph wires Gone are the very bone gatherers who laboriously collected the bleaching relics of the great herds that once dotted the prairies But the West of the old times with its strong characters its stern battles and its tremendous stretches of loneliness can never be blotted from my mind *An Autobiography of Buffalo Bill (Colonel W.
