The Light Of The Spirit An Introductory Guide:

The Light of the Spirit Mary Bassano,1996 This work explores the power and the rich symbolic history of light in human spirituality Light symbolizes the creative energy of the universe a halo of light surrounds the heads of the saints and the prophets Spiritual realization and those that have had near death experiences often describe the experience as having seen the light Enlightenment allows people to see the world in a new way by seeing the light one can surmount inner darkness and this is what Bassano focuses on in this introductory guide for those beginning to explore the spiritual path towards enlightenment It looks at the concept of light energy in Jewish Buddhist Hindu native American and Christian cultures as a connecting path between the physical and spiritual worlds and how we can use it to dispel negative emotions and imbalances
