hold them accountable The burning question arises Will Garen Katherine and Simon escape this eerie place If so where will the journey lead and what unforeseen events await them What happens to William as FBI Chief A Jolie his former FBI partner notices his disappearance and embarks on a search for him It sounds enticing doesn't it But I forgot to mention something The eerie house and the Mafia are just a small fraction of what awaits everyone in this story Because this is only the beginning

End of Oblivion: The Great Deceit and Why We Need to Reclaim Our Spiritual Evolution Aleksandar Ostojic, 2019-08-08 *End of Oblivion: The Great Deceit and Why We Need to Reclaim Our Spiritual Evolution* is an informal overview of the current state of humanity and the world and delves into how our perceptions of reality have been drastically distorted to the point where the majority of the population cannot perceive distortion any longer. Deceit is present in every area of our lives, but beneath these secular manifestations, deeper metaphysical undercurrents are interlacing with our spiritual evolutionary direction. Armed with a wealth of factual evidence as well as personal observations, the author puts forth a compelling explanation as to who is really behind this great deceit and offers choices on how to break free for those curious enough to ponder. It is time to remove our blindfolds, to consciously choose our path, and to reclaim the true purpose of our being: our spiritual evolution. The book reflects on the Law of One material.
