Revelations Stuart Williams,2020-07-04 The end of the world was foretold long ago But few believed the prophecy would come true Ravaged by humankind s self inflicted woes and overcome by greed and selfish fantasies the world has become a wasteland of lost morals and decency When a charismatic man with a vast understanding of culture economics and civil rights rises to power he mesmerizes everyone The leader proposes a world united under one capital devoid of differences in systems beliefs and feelings Under this one world government the global crisis will cease and peace will reign The only requirement is that all the leaders and citizens around the globe must pledge undying loyalty to the new state Meanwhile the state attempts to quash the few remaining people who see signs that the end is near and God is preparing to return If these believers are right the world will soon experience a series of unstoppable cataclysms that will not only change humankind but also destroy it forever The apocalypse is coming but will the world recognize the signs in time Humanity languishes in a world of self made problems Amid the chaos fueled by greed and corruption a charismatic and magnetic leader offers to solve the worldwide crisis as long as the global population is willing to give up everything to follow him As an evil one world government seeks to control commerce laws and beliefs leaders from nations around the world will bow before this man and pledge undying loyalty Lending stark realism to the apocalyptic biblical prophecies found in the Book of Revelation Stuart Lee Williams s thrilling book set in the end times creates a chilling landscape rife with signs of the world s end the battle between angels and demons and the depths of human depravity When is the end of the world As the Bible says no one knows the hour but when it comes it might just look like this **The Literary Digest** Edward Jewitt Wheeler,Isaac Kaufman Funk,William Seaver Woods,Arthur Stimson Draper,Wilfred John Funk,1914
