Lehman,2014-01-10 In the first four years of U S involvement in the Vietnam War 1961-64 Hollywood did not dramatize the current military conflict but rather romanticized earlier ones Cartoons reflected only previous trends in U S culture and animators comically but patriotically remembered the Revolutionary War the Civil War and both World Wars In the early years of military escalation in Vietnam Hollywood was simply not ready to illustrate America's contemporary radicalism and race relations in live action or animated films But this trend changed when US participation dramatically
