Sisters Wonderful Sisters:

My Beautiful Sisters Khalida Popal, 2025-05-27 Argo meets The Bookseller of Kabul in this incredible memoir from the Afghan women's soccer pioneer turned activist and feminist icon who has helped save more than 350 female soccer players from the dangerous rule of the Taliban. Riveting, heart-wrenching and incredibly important, an inspirational story for girls and women everywhere. MALALA YOUSAFZAI Nobel Peace Prize laureate. A story of survival, sisterhood and the fight for feminism in the age of the Taliban. In August 2021, Kabul fell under the control of the Taliban, a militant political and fundamentalist religious faction. For Khalida Popal, it signaled the beginning of the most important battle of an already extraordinary young life: to get female soccer players out of a city where they faced imminent threat of execution simply for playing sports. Khalida first began playing soccer in a refugee camp in Pakistan after her parents fled Taliban rule. Returning to Afghanistan, she fell deeper in love with the freedom and comradeship soccer provides. As co-founder and first captain of the Afghan women's soccer team, Khalida began using sports to empower young women and was subjected to intensifying death threats in return. Hounded out of her own country, she continued to support the Afghan women's team, founding the organization Girl Power and exposing widespread sexual abuse of players. From her new home in Denmark, she watched Kabul fall and immediately knew the risk to the players still there. Assembling a small but mighty network of international allies, she began evacuating women whose lives were at risk simply for loving the sport she had done so much to promote. Her teammates, her sisters. *My Beautiful Sisters* is a gripping, important memoir and a compulsively readable one, a harrowing yet ultimately heartening story of survival and sisterhood.

Sisters Gladys M. Randolph, 2013-07-25 Our sister is our partner in crime, our midnight companion, someone who knows when you are smiling even in the dark. She is our teacher, our defense attorney, our personal press agent, even our shrink.

Mother Teresa's General Letters to Her Sisters Kolodiejchuk MC Brian, 2024-06-21 Mother Teresa's General Letters to Her Sisters is a collection of Mother Teresa's circular letters to the members of her religious congregation, the Missionaries of Charity. Sisters. Not intended for those outside her community, they were written informally and spontaneously, often with little editing. It was for Mother Teresa a way of being present to the members of her rapidly expanding religious order. Seemingly of little interest except for those to whom they were addressed, the letters reveal the spiritual depth and pragmatic leadership of one of the most popular modern saints, as well as the inner dynamics underlying one of the most flourishing religious congregations of the last century. At the same time, and perhaps surprisingly, these letters may also prove to be worthwhile reading for a wider audience. Something of God's wisdom and love seems to shine through Mother Teresa's guidance and counsels, giving the reader light and help even though he or she is not living the same religious life as one of the Sisters. Mother Teresa's unpolished statements are at times humble and at times humbling. They inspire confidence and encourage generosity. Many a time they are humorous but more often challenging. They are sprinkled with serene joy but also permeated with deep pain. She delighted in her Sisters' accomplishments yet did not shy

away from correcting even the smallest flaw which didn't escape her very observant eye. Sometimes she sounded just like a mother full of tender loving care and at other times more like a commander in chief exhibiting an iron will and uncompromising determination. In either case her followers seemed to have been drawn into the mystery of her charisma, endeavoring to keep pace with her. Was it the attraction of what could be termed as her leadership style in the unrelenting service of the poorest of the poor or the perceived love of a mother's heart that made her so unanimously loved and admired by the members of her congregation? Or was it both? The letters will reveal the answer. Inspiring in their simplicity, the letters may well serve as a treasure trove where anyone from a reflective scholar to a caring mother of a family may find satisfaction for their spiritual palate. The attractiveness of perennial truth often makes Mother Teresa's presentation of traditional spiritual themes likewise relevant for contemporary needs. In the context of Mother Teresa's statement that we are created for greater things to love and to be loved, these letters will help the reader discover and experience God's presence through the little miracles of His love in one's daily life. They will inspire us to put our love into living action, sharing His love with all those we meet and so make our lives something beautiful for God.

Three Sisters Anton Chekhov, 2025-02-21 Loneliness is a terrifying thing. Three Sisters. Their brother and his fiancée. The teacher, the doctor, the old woman, and the soldiers stationed nearby. A small town in the middle of nowhere. Their world is going up in flames one minute at a time. But can they create the change they're longing for? A masterful study of family, legacy, misdirected love, and the human condition in the world.

Seminary This book shows how lively and fecund Hauerwas's thought remains. A dazzling performance capable of entertaining and instructing professional theologians as much as those who think the world might be a better place without theologians in it. Paul J. Griffiths, University of Illinois at Chicago. Stan Hauerwas has done it again. He is able skillfully to blend into his book the passion for truth and justice of two of his greatest influences, Dietrich Bonhoeffer and John Howard Yoder. He takes these heroic advocates for peace into his own present-day struggle for the soul of the American nation. Hauerwas, an admirable Christian pacifist himself, dares Christians to be the Jesus people they claim to be and to follow Jesus into the gospel path of nonviolence. Geoffrey B. Kelly, author of *Liberating Faith: Bonhoeffer's Message for Today*. Never totally predictable. Always a fresh perspective. And yet once again in these essays on narrative politics, Bonhoeffer and the church, we hear the engaging, discerning and brilliant voice we have come to know as Stanley Hauerwas. Mark Thiessen, *Nation Eastern*. Mennonite Seminary. Contending with and learning from the witness of Dietrich Bonhoeffer, whose life is often thought to provide a Christian alternative to pacifism, Hauerwas deepens the account of Christian nonviolence he has been articulating for decades. His theology is strengthened and clarified by his encounter with the exemplary figure of Bonhoeffer. Alan Jacobs, *Wheaton College*. Without loss of the provocative edge that has made him a vital and distinctive Christian voice, Hauerwas's *Performing the Faith* allows him to cast a retrospective eye on his work. At the same time, in a brilliant essay under the title of the book, he develops a profoundly important description of faithfulness. Dennis O'Brien, *University of Rochester*.

Sisters & Senang Jean Tay, *The Sisters Islands and Pulau Senang* two satellite islands off the coast of Singapore, small but rich in story. This volume brings together two remarkable plays by Jean Tay, *Sisters* and *Senang*, which explore these two islands through turbulent events in the 1960s. *Sisters* The Untold Stories of the Sisters Islands blends a real-life murder with creation myth. The play alternates between two stories: one of Mina and Lina, the two sisters upon which the myth of the Sisters Islands is supposedly based, and the other of the shocking case in 1965 of Jenny Cheok killed by her boyfriend Sunny Ang, which also involved her half-sister Irene. *Senang* covers the prison riots on Pulau Senang in 1963. The island was used for a bold experiment led by Superintendent Daniel Dutton, an Irishman who believed he could reform the inmates through labour and abolish the use of arms to police them. This is one man's attempt to create a utopian penal colony which tragically led to his violent end. Jean Tay is one of the most gifted playwrights I have come across in years. Gaurav Kripalani, *Artistic Director, Singapore Repertory Theatre*.
