**The Sermon without End** Ronald J. Allen, Prof O. Wesley Allen JR., 2015-10-20 A New Model for Post Apologetic Preaching in a Pluralistic World The relationship between preaching and the public sphere has long been debated Three different theological approaches tend to dominate the discussion In different ways these approaches take into account the movement from the modern mindset of the mid to late 20th century to the emerging postmodern worldview In *The Sermon without End* authors Allen Allen thoughtfully offer a fourth option one that in their view has not received much attention but which offers a distinct and especially helpful perspective It is a new and dynamic conversational model reaching beyond the earlier work of Tillich and Tracy In this homiletical framework conversation takes place in multiple directions between the text or tradition and the world today It is preaching in conversation not just toward but with voices from the public sphere The book provides a solid foundation for understanding this post apologetic approach but it importantly goes on to offer practical real pulpit guidance for implementation in a preaching ministry It is a book for both scholars and practicing preachers who wish to reach people in meaningful and significant ways and in ways that make sense for today This book deserves to be widely applauded It provides a post apologetic lens to illuminate the history of various modern homiletical discourses even as it envisions a postmodern one I strongly recommend this book for homiletics preachers and lay people alike Duse Lee Boston University School of Theology Reviewed in Homiletic

*Anthropology and Responsibility* Melissa Demian, Mattia Fumanti, Christos Lynteris, 2023-03-31 This book explores the role and implications of responsibility for anthropology asking how responsibility is recognised and invoked in the world what relations it draws upon and how it comes to define notions of the person institutional practices ways of knowing and modes of evaluation The category of responsibility has a long genealogy within the discipline of anthropology and it surfaces in contemporary debates as well as in anthropologists collaboration with other disciplines including when anthropology is applied in fields such as development medicine and humanitarian response As a category that unsettles challenges and critically engages with political ethical and epistemological questions responsibility is central to anthropological theory ethnographic practice collaborative research and applied engagement With chapters focused on a variety of cultural contexts this volume considers how anthropology can contribute to a better understanding of responsibility including the responsibility of anthropology and the responsibility of anthropologists to specific others

**Differences**, 2002

Postcolonial Theory and Autobiography David Huddart, 2008-04-18 Cultural theory has often been criticized for covert Eurocentric and universalist tendencies Its concepts and ideas are implicitly applicable to everyone ironing over any individuality or cultural difference Postcolonial theory has challenged these limitations of cultural theory and Postcolonial

Theory and Autobiography addresses the central challenge posed by its autobiographical turn. Despite the fact that autobiography is frequently dismissed for its Western masculine bias, David Huddart argues for its continued relevance as a central explanatory category in understanding postcolonial theory and its relation to subjectivity. Focusing on the influence of post-structuralist theory on postcolonial theory and vice versa, this study suggests that autobiography constitutes a general philosophical resistance to universal concepts and theories. Offering a fresh perspective on familiar critical figures like Edward W. Said and Gayatri Chakravorty Spivak by putting them in the context of readings of the work of Jacques Derrida, Gilles Deleuze, and Alain Badiou, this book relates the theory of autobiography to expressions of new universalisms that, together with postcolonial theory, rethink and extend norms of experience, investigation, and knowledge. American Book Publishing Record, 2002      **Forthcoming Books** Rose Arny, 2002-04      **Transplanting Care** Laura L.

Heinemann, 2016-07-12. The sudden call to the race to the hospital, the high-stakes operation, the drama of transplant surgery is well known. But what happens before and after the surgery? In *Transplanting Care*, Laura L. Heinemann examines the daily lives of midwestern organ transplant patients and those who care for them, from pretransplant preparations through to the long posttransplant recovery. Heinemann points out that as efforts to control healthcare costs gain urgency and as new surgical techniques, drug therapies, and home medical equipment advance, most of the transplant process now takes place at home, among kin. Indeed, the transplant system effectively depends on unpaid care labor typically provided by spouses, parents, siblings, and others. Drawing on scores of interviews with patients, relatives, and healthcare professionals, Heinemann follows a variety of patients and loved ones as they undertake this uncertain and strenuous transplant journey. She also shows how these home-based caregiving efforts take place within the larger economic and political context of a paucity of resources for patients and caregivers who ultimately must surmount numerous obstacles. The author concludes that the many snags encountered by transplant patients and loved ones make a clear case for more comprehensive health and social policy that treats care as a necessarily shared public responsibility. An illuminating look at the long transplant journey, *Transplanting Care* also offers broader insight into how we handle infirmity in America and how we might do a better job of doing so.

Shakespeare Survey: Volume 58, Writing about Shakespeare Peter Holland, 2005-11-03. Published with academic researchers and graduate students in mind, this volume of the *Shakespeare Survey* presents a number of contributions on the theme of the play *Macbeth*.      Queer Race Ian Barnard, 2004. One of the first extended and theoretically informed investigations of queer theory's racial inscription, *Queer Race* understands race as inextricably sexualized, as sexuality is always racially marked. The book critically and playfully explores intellectual and political deployments of the term "queer" in gay pornographic videos about South Africa, contemporary literary representations of interracial gay desire, the writings of Gloria Anzaldúa, and Jeffrey Dahmer's criminal trial. Through these explorations, *Queer Race* charts a framework for understanding the race of queer theory that both tests queer theory's limits and suggests its future interrelations with anti-racist work.

**New Theatre Quarterly 60: Volume 15, Part 4** Clive Barker, Simon Trussler, 2000-02-24 New Theatre Quarterly provides an international forum where theatrical scholarship and practice can meet and where prevailing dramatic assumptions can be subjected to vigorous critical questioning

**Remaking Reality** Bruce Braun, Noel Castree, 2005-08-08 This book rejects apocalyptic pronouncements that the end of the millenium represents the end of nature as well Remaking Reality brings together contributors from across the human sciences who argue that a notion of social nature provides great hope for the future Applying a variety of theoretical approaches to social nature and engaging with debates in politics science technology and social movements surrounding race gender and class the contributors explore important and emerging sites where nature is now being remade with considerable social and ecological consequences The essays are organised around two themes capitalising and envisioning nature and actors networks and the politics of hybridity An afterword by Neil Smith reflects on the problems and possibilities of future names For critics and activists alike Remaking Reality provides essential theoretical and political tools to rethink environmentalism and progressive social natures for the twenty first century
