

A romantic couple is shown in profile, facing each other closely. The man, on the left, wears a light purple dress shirt and a matching tie, and has glasses. The woman, on the right, wears a dark, sleeveless, patterned dress. They are standing on a set of wide, light-colored stone steps. The background is a dark, textured wall, possibly brick or stone. The overall lighting is soft and romantic, with a slight blue tint.

Six Month Marriage:

The Six-Month Marriage Penny Jordan, 2018-11-26 Read this classic romance by New York Times bestselling author Penny Jordan now available for the first time in e book A temporary marriage Sapphire is devastated to learn that wealthy brooding landowner Blake Sefton only married her to acquire her father's Cotswolds farm At first she had been too besotted with him to realize that his passion burned for his mistress not for his virgin bride But then Sapphire discovered Blake's secret love letters and the reason he'd been unable to bring himself to share his wife's bed Painfully disillusioned she ran away and divorced him Now four years later she's considering remarrying Blake just for six months to ease her dying father's mind After all Blake hadn't desired her before so what would he want with her now Originally published in 1985 *The Twelve-Month Marriage* Kathryn Jensen, 2011-07-15 Temporary family FIRST COMES MARRIAGE David Adams desperately needed a wife to keep custody of his children so he proposed a temporary marriage to lovely Carrie Monroe But once David held Carrie in his arms would their arrangement turn into more than just a marriage of convenience THEN COMES LOVE When Carrie accepted David's proposal it was out of necessity not love She needed money to save her business from debt And she desperately yearned to be a mother to David's children But now that she had the family she wished for could Carrie ever let them go *THE NINE-MONTH MARRIAGE* Christine Rimmer, 2011-10-17 BABY MINE Once upon a time Abby Heller was the lovable headstrong kid who idolized Cash Bravo In her hero worshiping eyes the Wyoming rancher could do no wrong But one urgent April night Cash made a woman of Abby and Abby came up pregnant Cash cursed himself for stealing her innocence and vowed to give their baby his name Then he'd set sweet Abby free to find herself a better younger mate After all when a man loved a woman heartache was nothing but honor was all Conveniently Yours The Bravo men's marriages may have begun in name only but were they destined to be love matches after all *The Six-month Marriage* Penny Jordan, 1985-01-01 *Policing Sex and Marriage in the American Military* Kellie Wilson-Buford, 2018-11-01 The American military's public international strategy of Communist containment systematic weapons build ups and military occupations across the globe depended heavily on its internal and often less visible strategy of controlling the lives and intimate relationships of its members From 1950 to 2000 the military justice system under the newly instituted Uniform Code of Military Justice waged a legal assault against all forms of sexual deviance that supposedly threatened the moral fiber of the military community and the nation Prosecution rates for crimes of sexual deviance more than quintupled in the last quarter of the twentieth century Drawing on hundreds of court martial transcripts published by the Judge Advocate General of the Armed Forces *Policing Sex and Marriage in the American Military* explores the untold story of how the American military justice system policed the marital and sexual relationships of the service community in an effort to normalize heterosexual monogamous marriage as the linchpin of the military's social order Almost wholly overlooked by military social and legal historians these court transcripts and the stories they tell illustrate how the courts construction and criminalization

of sexual deviance during the second half of the twentieth century was part of the military's ongoing articulation of gender ideology. Policing Sex and Marriage in the American Military provides an unparalleled window into the historic criminalization of what were considered sexually deviant and violent acts committed by U.S. military personnel around the world from 1950 to 2000. The French Law of Marriage, Marriage Contracts, and Divorce, and the Conflict of Laws Arising Therefrom Edmond Kelly, 1895 **Rejected Or Suspended Applications for Revolutionary War Pensions, with an Added Index to States** United States. Department of the Interior, 1969 This reprint of a rare United States Senate Document lists the names and residences of about 11,000 Revolutionary War soldiers and/or their widows who applied for pensions under the Acts of June 7, 1832 and July 7, 1838 and whose claims were rejected or suspended along with the reasons. Most of the claims were for authentic service of actual Revolutionary soldiers but were rejected or suspended because the soldier did not serve for six months, his name did not appear on the rolls, or because a claim was suspended for further proof such as proof of marriage. Still, other claims were turned down on grounds of desertion, privateer service, or other service in a non-military category. The lists of suspended applications are arranged by states and thereunder by Act of Congress and category of rejection or suspension. **Report of the Secretary of the Interior, with a Statement of Rejected Or Suspended Applications for Pensions** United States. Naylor, 2020-12-30 Can a baker refuse to make a wedding cake for a gay couple? Despite the U.S. Supreme Court decision guaranteeing marriage equality in 2015, lesbian, gay, bisexual, transgender, and queer LGBTQ citizens in the United States continue to be discriminated against in fundamental areas that others take for granted as a legal right. Using social equity theory and intersectionality but written in an accessible style, this book demonstrates some of the ways in which LGBTQ citizens have been marginalized for their identity and argues that the field of public administration has a unique responsibility to prioritize social equity. Categories utilized by the U.S. Census Bureau: male or female, heterosexual or homosexual, for example, must shift to a continuum to accurately capture demographic characteristics and citizen behavior. Evidenced-based outcomes and disparities between cisgender and heterosexual and LGBTQ populations are carefully delineated to provide a legal rationale for a compelling governmental interest, and policy recommendations are provided, including overdue federal legislation to prohibit discrimination based on sexual orientation and gender identity. **The Pacific Reporter**, 1918 **Cases Decided in the Supreme Court of Appeals of Virginia** Virginia.
