Sixgun Heroes:

The Six-gun Mystique Sequel John G. Cawelti, 1999 To this structural analysis he adds a new account of the genre's history and its relationship to the myths of the West which have played such an influential role in American history BOOK JACKET HCA Heritage Comics Auction Catalog Ivy Press, 2006-10 **Six-Gun in Cheek** Bill Pronzini, 2017-10-18 Hilarious and informative study of alternative Westerns takes aim at sub par cowboy fiction surveying 20th century pulp magazines and paperbacks to provide laughably awful dialogue humorous plot summaries anecdotes and historical background **He Was Some Kind of a Man** Roderick McGillis, 2011-04-08 He Was Some Kind of a Man Masculinities in the B Western explores the construction and representation of masculinity in low budget western movies made from the 1930s to the early 1950s These films contained some of the mid twentieth century's most familiar names especially for youngsters cowboys such as Roy Rogers Hopalong Cassidy and Red Ryder The first serious study of a body of films that was central to the youth of two generations He Was Some Kind of a Man combines the author's childhood fascination with this genre with an interdisciplinary scholarly exploration of the films influence on modern views of masculinity McGillis argues that the masculinity offered by these films is less one dimensional than it is plural perhaps contrary to expectations Their deeply conservative values are edged with transgressive desire and they construct a male figure who does not fit into binary categories such as insider outsider or masculine feminine Particularly relevant is the author's discussion of George W Bush as a cowboy and how his aspirations to cowboy ideals continue to shape American policy This engagingly written book will appeal to the general reader interested in film westerns and contemporary culture as well as to scholars in film studies gender studies children's literature and auto biography **Secondary Action Heroes of Golden Age Comics** Lou Mougin, 2023-11-09 The 1940s saw the birth of many enduring superheroes like Superman Batman Captain America and Captain Marvel Outside of the superhero genre the golden age of comics also featured a host of lesser known evil fighting action figures and this book contains a wealth of information about these heroes without capes Covered here are jungle heroines like Sheena Rulah and Princess Pantha science fiction stalwarts including Spacehawk Hunt Bowman and Futura adventurers such as Kayo Kirby Werewolf Hunter and Senorita Rio and Western heroes ranging from Tom Mix to the Ghost Rider The Vigilante: Six-Gun Law Jory Sherman, 2006-11-07 The Nomad Lew Zane believed he was delivering justice not vengeance when he tracked down and killed the men who murdered his parents But taking the law into his own hands has taken its toll on his soul Ridding himself of his land and property Lew plans to leave Arkansas for good and put the past behind him The Kidnappers They are the patriarchs of the most respected and wealthiest families in the territory and the fathers of the men Lew Zane executed They've abducted Seneca Jones the woman Lew loves hoping to lure him into a death trap The Outlaw Lew's enemies have underestimated him He has nothing left to lose and no fear of the consequences of his actions which will brand him as a wanted man for the rest of his life **Public Cowboy No. 1** Holly
