Harold E. Grelen

Skeleton In The Grass:

The Skeleton in the Grass Robert Barnard, 2013-03-21 Taking a job as a governess for a family with an unpopular opinion against the war Sara and the Hallam family begin to be on the receiving end of nasty and threatening crimes in this thrilling novel from Edgar Award nominee Robert Barnard Sara Causseley could not be more delighted by her new job as governess to the aristocratic Hallam clan The children are adorable the gardens are a dream and the conversation is stimulating But ominous political clouds are gathering over Europe and as England slips inexorably toward World War II the Hallams political views make the family increasingly unpopular No one though suspects the extent of the malice that is percolating in the surrounding countryside until a human skeleton and then a human corpse are found on the Hallam grounds sending some kind of ugly message
