Arthur Benjamin Reeve

Smugglers Summer:

Smugglers' Summer Carola Dunn, 1989 *The Smuggler* Arthur Benjamin Reeve, 2015-07-02 This early work by Arthur Benjamin Reeve was originally published in 1912 and we are now republishing it with a brand new introductory biography The Smuggler is a short story where Craig Kennedy is brought in to foil an attempt to smuggle designer gowns and jewellery to high fashion shops of New York Arthur Benjamin Reeve was born on 15th October 1880 in New York USA Reeve received his University education at Princeton and upon graduating enrolled at the New York Law School However his career was not destined to be in the field of Law Between 1910 and 1918 he produced 82 short stories for Cosmopolitan The Exploits of Elaine was Reeves first screenplay and by the end of the decade his film career was at its peak with his name appearing on seven films most of them serials and three of them starring Harry Houdini In 1932 he moved to Trenton to be near his alma mater He died on 9th August 1936 *Mistletoe and Murder* Carola Dunn, 2002-12-02 In December 1923 the formidable Dowager Viscountess Dalrymple has decided that for Christmas the family will all gather at Brockdene in Cornwall at the invitation of Lord Westmoor Her daughter Daisy Dalrymple Fletcher is something less than pleased but yields to the demands of her mother especially as she ll be there just before the holidays working on another article for Town and Country about the estate itself But the family gathering quickly goes awry Brockdene it seems is only occupied by the Norvilles poor relations of Lord Westmoor and Westmoor himself won t be joining them So Daisy her husband Detective Chief Inspector Alec Fletcher of Scotland Yard and their family must spend their Christmas holiday trapped in an ancestral estate with a rich history of lore ghost stories rumors of hidden treasure and secret passageways with a family seething with resentments grudges and a faintly scandalous history The veneer of civility that pervades the halls of Brockdene however begins to wear thin when long held family secrets threaten to bubble over and one of the Christmas guests is found savagely murdered With few clues as to who committed the murder and with too many motives as to why it is once again up to Daisy to sort out the truth that lies beneath a generation of poisonous secrets *Smuggler Nation* Peter Andreas, 2013-01-16 America is a smuggler nation Our long history of illicit imports has ranged from West Indies molasses and Dutch gunpowder in the 18th century to British industrial technologies and African slaves in the 19th century to French condoms and Canadian booze in the early 20th century to Mexican workers and Colombian cocaine in the modern era Contraband capitalism it turns out has been an integral part of American capitalism Providing a sweeping narrative history from colonial times to the present Smuggler Nation is the first book to retell the story of America and of its engagement with its neighbors and the rest of the world as a series of highly contentious battles over clandestine commerce As Peter Andreas demonstrates in this provocative and fascinating account smuggling has played a pivotal and too often overlooked role in America s birth westward expansion and economic development while anti smuggling campaigns have dramatically enhanced the federal government s policing powers The great irony Andreas tells us is that a country that was born and grew up through smuggling is today the world s

leading anti smuggling crusader In tracing America s long and often tortuous relationship with the murky underworld of smuggling Andreas provides a much needed antidote to today s hyperbolic depictions of out of control borders and growing global crime threats Urgent calls by politicians and pundits to regain control of the nation s borders suffer from a severe case of historical amnesia nostalgically implying that they were ever actually under control This is pure mythology says Andreas For better and for worse America s borders have always been highly porous Far from being a new and unprecedented danger to America the illicit underside of globalization is actually an old American tradition As Andreas shows it goes back not just decades but centuries And its impact has been decidedly double edged not only subverting U S laws but also helping to fuel America s evolution from a remote British colony to the world s pre eminent superpower **Explorers Guide Vermont**
