Caw I try to hold my sleep against the dawn I sleep against the outside light where crows nuns and Sergeants priests and colonels conspire in the brightening yard calling me from play calling me from flight back through the pillow calling me from flight beyond Saigon beyond Hanoi and Seoul calling me from flight I fly high beyond the call cursing God for every shattered wall I sleep against the clarifying day against a plebiscite of murdered selves forgotten relatives and mean authorities bleeding friends parents and parishioners conspiring with a squad of crows to call me back again to call me down to call me back to call and call and call There is nothing uncertain about the art of Harry Staley Technically his work is masterful Yet technique no matter how superb is not enough Ultimately it is vision and commitment to it that separates pretenders from legitimate heirs If this volume of collected poems is daunting in its iconography its historicity and its Joycean wordplay its rewards for the persistent reader are clear a deep compassion heightened into grace through the powerful medium of a pesky art called poetry From the Introduction The Pesky Art of Harry Staley by George Drew The portrait of the speaker in the majority of these poems is one of a man conflicted in his religious faith in his faith in his fellow human community in the wars that religion has persuaded his fellow humans to take part in and which he is not only witness to but a participant in although in an ironic fashion that plagues him These poems subtly and quietly promote a way of seeing and participating in the world Offered in the context of Roman Catholicism and war Staley demonstrates an understanding that is deeply spiritual yet does not yield to easy forgiving answers His poems do not obfuscate or push the reader away through elliptical flurries of thought or unfamiliar although the language play is a real pleasure not only sending us into flights of linguistic fancy but ruminative space for pondering the conundrums of existence in wartime Todd Davis      [The British National Bibliography](#) Arthur James Wells, 1999      *Children's Books in Print, 2007, 2006*      [Hans Andersen's Fairy Tales Illustrated By Anne Anderson](#) Hans Christian Andersen, 2013-04-16 Many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions using the original text and artwork      *The Writers Directory 2008* Michelle Kazensky, 2007-06 Features bibliographical biographical and contact information for living authors worldwide who have at least one English publication Entries include name pseudonyms addresses citizenship birth date specialization career information and a bibliography
