***Shakespeare Meets the Indian Epics*** Mohan Gopinath,Sabina Zacharias,2023-06-16 This book demonstrates that people writing and creating characters almost 6 000 miles apart and in different centuries have a lot more in common than one might expect It examines the day to day themes appearing in two epics The Ramayanam and The Maha Bharatham and some of Shakespeare s plays without entering into the realm of philosophy The book reveals that whatever backgrounds people may have they ultimately tend to tackle life in very similar ways and this claim is substantiated with many pertinent examples The perspectives presented in this book will be of interest to all who study literature

**How to Be Like Walt** Pat Williams,Jim Denney,2010-01-01 How to Be Like is a character biography series biographies that also draw out important lessons from the life of their subjects In this new book by far the most exhaustive in the series Pat Williams tackles one of the most influential people in recent history While many recent biographies of Walt Disney have reveled in the negative this book takes an honest but positive look at the man behind the myth For the first time the book pulls together all the various strands of Disney s life into one straightforward easy to read tale of imagination perseverance and optimism Far from a preachy or oppressive tome this book scrapes away the minutiae to capture the true magic of a brilliant maverick Key Features This is for the millions of Disney fans those who admire his artistry or his business savvy or the products of his namesake company The tone and style of the book will capture the imagination of younger readers especially teens in the same way as How to Be Like Mike Support within the Disney world includes the daughter and grandson of Walt Disney nephew and former vice chairman Roy Disney and numerous Disney

Keith Booker,2014-10-28 Focusing especially on American comic books and graphic novels from the 1930s to the present this massive four volume work provides a colorful yet authoritative source on the entire history of the comics medium Comics and graphic novels have recently become big business serving as the inspiration for blockbuster Hollywood movies such as the Iron Man series of films and the hit television drama *The Walking Dead* But comics have been popular throughout the 20th century despite the significant effects

of the restrictions of the Comics Code in place from the 1950s through 1970s which prohibited the depiction of zombies and use of the word horror among many other rules Comics through Time A History of Icons Idols and Ideas provides students and general readers a one stop resource for researching topics genres works and artists of comic books comic strips and graphic novels The comprehensive and broad coverage of this set is organized chronologically by volume Volume 1 covers 1960 and earlier Volume 2 covers 1960 1980 Volume 3 covers 1980 1995 and Volume 4 covers 1995 to the present The chronological divisions give readers a sense of the evolution of comics within the larger contexts of American culture and history The alphabetically arranged entries in each volume address topics such as comics publishing characters imprints genres themes titles artists writers and more While special attention is paid to American comics the entries also include coverage of British Japanese and European comics that have influenced illustrated storytelling of the United States or are of special interest to American readers     Classic Fairy Tales Igloo Books,2013-11-14 In the dark wood a wolf waits for Little Red Riding Hood Inside the three bears cottage Goldilocks is happily eating their porridge At the seven dwarves house Snow White takes a poisoned apple from a wicked queen Enter a world of magic and enchantment in this deluxe collection of traditional fairytales lovingly retold for you to enjoy and treasure     *Snow-White; or, The House in the Wood* Laura Elizabeth Howe Richards,2023-10-20 Laura Elizabeth Howe Richards Snow White or The House in the Wood is a beautifully written children s book that tells the enchanting story of Snow White a young girl who lives in a house in the wood with her parents The fairy tale elements in the narrative such as talking animals and magical encounters add a whimsical quality to the story Richards descriptive language and vivid imagery transport readers into a fantastical world where anything is possible This book is a classic example of children s literature that captures the imagination of young readers and adults alike The themes of family kindness and resilience are woven throughout the narrative making it a timeless piece of literature that continues to resonate with audiences today Through her storytelling Richards creates a world that is both familiar and extraordinary making Snow White or The House in the Wood a delightful read for all ages     *Teachers' Monographs* ,1912     *Guilty with an Explanation* Trevor Toop,2018-05-31 In a day when rules are being rewritten guilt has come up with a bad rap Many parents rush to emancipate their children from such troubling apprehensions and the results are telling This coming of age memoir traces the challenges of a fatherless boy growing up amidst the folly of his peers and the ever present predators who cannot be wished away Faced with the reality of evil the theological concept of Original Sin looms large This book is an observation that trouble often springs from circumstances that look pretty benign It s the prerequisite of every murder trial that accidents happen from a confluence of events and decisions that seem innocuous but end badly We who live in the world are wounded by the same evil that sociologists explain away Yet part of adulthood is the willingness to call things what they are When Jesus cast out demons he first asked their names because naming something is to see it clearly We must render verdicts Sound judgment is a forgotten virtue and failure to judge will leave us accountable to our children for the weeds that

have grown in the course of our neglect as evil that goes unchecked is sure to grow     [The Complete Mollie McGhie Cozy Mystery Collection](#) Ellen Jacobson, 2022-03-31 This humorous cozy mystery collection includes six full length novels two novellas and one short story If you like quirky characters adorable cats and plenty of chocolate you ll love the Mollie McGhie mystery series Prequel Robbery at the Roller Derby When Mollie joined a roller derby team she thought she only needed to worry about were bumps and bruises But when something valuable is stolen from the locker room she decides to investigate and find the culprit As Mollie pursues her investigation not everyone is thrilled when she asks one too many questions Can Mollie skate her way out of danger or will her nosiness be the death of her Book 1 Murder at the Marina When Mollie s husband Scooter presents her with a dilapidated sailboat for her anniversary she s less than impressed When she discovers a dead body on board things get even worse Poking her nose in where it doesn t belong Mollie finds herself drawn into the tight knit community living at Palm Tree Marina in Coconut Cove a small town on the Florida coast Book 2 Bodies in the Boatyard Scooter s latest hare brained scheme to move on board their boat isn t exactly Mollie s dream come true When someone is murdered in the boatyard it becomes a total nightmare Mollie takes matters into her own hands and investigates the mysterious death along with her adorable feline companion Mrs Moto Book 3 Poisoned by the Pier Mollie thought she had enough problems to deal with when her husband threw out all of her chocolate and junk food But when someone is poisoned during a cake baking competition she s thrust into another murder investigation In between getting ready for her first sailing race and cheating on her diet Mollie and her cat Mrs Moto uncover clues interview suspects and do their best to avoid rutabagas Book 3 5 Buried by the Beach When Mollie agreed to help at a charity event she thought her biggest worry would be having to wear a ridiculous pirate costume But when she finds a mysterious envelope addressed to her she realizes she has a bigger problem to deal with figuring out what the clues inside mean and clearing an elderly woman s name Book 4 Dead in the Dinghy Mollie is excited about the Coconut Cove regatta She s looking forward to sailing to Destiny Key enjoying the Fourth of July festivities and dressing her cat Mrs Moto up in adorable costumes for her hubby s crazy new YouTube channel Instead they lose the race get caught in a dangerous storm and find a dead body in their dinghy Book 5 Shooting by the Sea When Mollie attends the grand opening of her friend s nail salon she s looking forward to getting a manicure and sipping on champagne The event is going great until Mollie discovers a dead body nearby and her friend s brother is arrested for murder Book 6 Overboard on the Ocean When Mollie went on a cruise to the Bahamas she wasn t expecting someone to fall overboard Convinced that foul play was involved Mollie sets out to prove that it was murder During her investigation Mollie uncovers an investment scam that her husband almost got sucked into and discovers exactly how boring maritime law is Book 7 Murder Aboard the Mistletoe When Mollie attends a Christmas party aboard the Mistletoe she was planning on sipping eggnog decorating a nautically themed tree and opening presents But when someone is killed on board the boat and Santa Claus is arrested Mollie is thrust into the middle of a murder investigation Can Mollie discover whodunit before
