

# WARNING

When I am an old woman I shall wear purple  
With a red hat which doesn't go, and doesn't suit me.  
And I shall spend my pension on brandy and summer  
gloves

And satin sandals, and say we've no money for butter.  
I shall sit down on the pavement when I'm tired  
And gobble up samples in shops and press alarm bells  
And run my stick along the public railings  
And make up for the sobriety of my youth.

I shall go out in my slippers in the rain  
And pick flowers in other people's gardens  
And learn to spit.

You can wear terrible shirts and grow more fat  
And eat three pounds of sausages at a go  
Or only bread and pickle for a week  
And hoard pens and pencils and beermats and things in  
boxes.

But now we must have clothes that keep us dry  
And pay our rent and not swear in the street  
And set a good example for the children.  
We must have friends to dinner and read the papers.

But maybe I ought to practice a little now?  
So people who know me are not too shocked and  
surprised  
When suddenly I am old, and start to wear purple.

WRITTEN BY  
JENNY JOSEPH

# Snow Warning Other Poems

**William Emerson (Poet.)**

## **Snow Warning Other Poems:**

*A Net to Catch the Winds, and Other Poems* Maurice Lindsay, 1981      **The Poetry of the Forties** A. Trevor Tolley, 1985

**Intending Scotland** Cairns Craig, 2020-03-31 A major reconsideration of our understanding of the development of Scottish culture from the Enlightenment to the present day      The New Voice Amos N. Wilder, 2013-12-01 In *The New Voice* Amos Wilder carries forward and combines two areas of activity represented in his earlier groundbreaking publications One of these is that of the theological critic concerned with modern literature as it illuminates the quests of our age and the vicissitudes of our religious tradition as found in his *Modern Poetry and the Christian Tradition and Theology and Modern Literature* The other area is that of biblical scholarship especially in its recent concern with hermeneutics and the modes of language as represented by his volume on early Christian rhetoric *The Language of the Gospel* Wilder seeks in the present book to deepen and correct the approach of the theological critic by urging that rhetorical criteria should receive primary attention and that language should be explored in new ways Wilder therefore examines certain aspects of biblical genre and style as ways of illuminating modern rhetoric and its underlying assumptions It is a main theme of the work that the disorders and travail of our time should be construed in a positive light and that the most significant writing of the period not only illuminates contemporary reality but fashions a language in which the abiding legacies and archetypes of the past can again be brought to speech Writers specially discussed in the book range from Musil Proust Eliot and Gide to Sartre Perse Beckett Lowell David Jones and the exponents of open verse The work of many others is brought into relation with the task defined by Pound as naming things accurately and by Stevens as making the bread of faithful speech      The Auto-biography of Goethe Truth and Poetry: from My Own Life Johann Wolfgang : von Goethe, 1874      *The Auto-biography of Goethe: Truth and poetry ... the concluding books, also Letters from Switzerland, and Travels in Italy* Johann Wolfgang von Goethe, 1868

*The auto-biography of Goethe; Truth and poetry: From my own life, tr. by J. Oxenford (A.J.W. Morrison) also Letters from Switzerland, and Travels in Italy* Johann Wolfgang von Goethe, 1849      Charmides, and Other Poems Oscar Wilde, 2019-11-26 In *Charmides and Other Poems* Oscar Wilde showcases his exquisite flair for language and explores themes of beauty youth and desire through a rich tapestry of poetic forms The collection reflects Wilde's aesthetic philosophy blending lush imagery with classical references and intricate symbolism The titular poem *Charmides* draws inspiration from Platonic ideals weaving a narrative that examines the interplay between passion and intellect ultimately questioning the nature of love and beauty within the confines of societal norms Each poem serves as an exploration of the human condition set against the backdrop of the late 19th century fin de siècle movement characterized by a poignant quest for artistic expression amidst prevailing moral constraints Wilde a pivotal figure of the aesthetic movement was deeply influenced by his experiences at Oxford and his engagement with classical literature and philosophy His exposure to various artistic influences and his own struggles with societal expectations led him to craft works that challenge conventional morality *Charmides* and

Other Poems reflects Wilde's own life as he navigated a world rife with contradictions and the eternal pursuit of beauty as both a theme and as a personal ethos. This collection is a must read for those who appreciate the interplay of form and meaning in poetry. Wilde's ability to infuse emotion into his work coupled with his sharp wit makes this volume a captivating exploration of art and existence. Readers are encouraged to delve into these poems not merely for their aesthetic pleasure but for the profound insights they offer into the complexities of love and the enduring quest for beauty.

Famous Occult Tales Frederick Brigham De Berard, 1899      *Portrait of Glasgow* Maurice Lindsay, 1981      **Lord Stirling's Stand, and Other Poems** William Henry Babcock, 1880      *The Student's Dream and Other Poems* Howard Miller, 2023-04-11

Reprint of the original first published in 1871. The publishing house Anatiposi publishes historical books as reprints. Due to their age, these books may have missing pages or inferior quality. Our aim is to preserve these books and make them available to the public so that they do not get lost.

**The Poetry Home Repair Manual** Ted Kooser, 2007-03-01. Recently appointed as the new U.S. Poet Laureate, Ted Kooser has been writing and publishing poetry for more than forty years. In the pages of *The Poetry Home Repair Manual*, Kooser brings those decades of experience to bear. Here are tools and insights, the instructions and warnings against instructions that poets aspiring or practicing can use to hone their craft, perhaps into art. Using examples from his own rich literary oeuvre and from the work of a number of successful contemporary poets, the author schools us in the critical relationship between poet and reader, which is fundamental to what Kooser believes is poetry's ultimate purpose: to reach other people and touch their hearts. Much more than a guidebook to writing and revising poems, this manual has all the comforts and merits of a long and enlightening conversation with a wise and patient old friend, a friend who is willing to share everything he's learned about the art he's spent a lifetime learning to execute so well.

**A Portrait Catalogue of the Books Published by Houghton, Mifflin and Company** Houghton Mifflin Company, 1906      The Bookseller, Newsdealer and Stationer, 1899      **Papers from My Desk and Other Poems** William Emerson (Poet.), 1873      **The Discovery of Scotland** Maurice Lindsay, 1964      Contemporary Poets Tracy Chevalier, 1991. Contains biographical entries, a list of separately published books, and an essay on each poet.

**The Burns Encyclopedia** Maurice Lindsay, 1970      *Finding-list of Books in the Classes of Poetry and the Drama, Literature and Polygraphy, Belonging to the Public Library of Indianapolis* Indianapolis Public Library, 1891
