

The Snowbird

When all the ground with snow is white,
The merry snowbird comes,
And hops about with great delight
To find the scattered crumbs.
How glad he seems to get to eat
A piece of cake or bread!
He wears no shoes upon his feet,
Nor hat upon his head.
But happiest is he, I know,
Because no care with bars
Keeps him from walking on the snow
And printing it with stars

Simpson, 2024-05-05 A poem for every day of the leap year drawn from the fantastical the future and the fallout from real life and written for dreamers everywhere While most are set in worlds of imagination there are a few whose roots are buried deep in the disappointments of the real So if trolls fairies dragons recovering from workplace bullies and flying with starships or dealing with regrets and finding hope always finding hope are your thing then welcome to the wanderings of my mind **Writing about Literature - Second Edition** W.F. Garrett-Petts, 2013-06-13 Writing about Literature introduces students to critical reading and writing through a thorough and engaging discussion of the field but also through exercises interviews exemplary student and scholarly essays and visual material It offers students an insider's guide to the language issues approaches styles assumptions and traditions that inform the writing of successful critical essays and aims to make student writers a part of the world of professional literary criticism Much of the discussion is structured around ways to analyze and respond to a single work Stephen Crane's story *The Bride Comes to Yellow Sky* This second edition is updated throughout and includes a new chapter on Reading and Writing About Poetry the chapter uses Robert Kroetsch's poem *This Part of the Country* as the unit of analysis and includes an interview with the poet about his process **Index to Poetry and Recitations** Edith Granger, 1904 **An Index to Poetry and Recitations** Edith Granger, 1904 *Poems from the Sangamon* John Knoepfle, 1985 Regional poetry at its best where the strongly articulated local voice slips easily persuasively and movingly into the universal J R Willingham Choice Uses the history and prehistory of the Sangamon river valley as his subject matter the poems are laconic earthy full of sharply observed details and are rendered with a flair for common speech Library Journal Knoepfle has long been misunderstood and underestimated among U S poets poems from the sangamon his finest single collection to date celebrates

Of This Earth Rudy Wiebe, 2009-06-12 A beautiful moving memoir of a boy's coming of age infused with a deep love of the land from one of Canada's most cherished and acclaimed writers In *Of This Earth* Rudy Wiebe gives vivid life again to the vanished world of Speedwell Saskatchewan an isolated poplar forested mostly Mennonite community and Rudy's first home Too young to do heavy work Rudy witnessed a way of life that was soon to disappear And we experience with him the hard labour of clearing the stony silty bushland the digging out of precious wells one bucket of dirt at a time sorrow at the death of a beloved sister the disorienting searches for grazing cattle in the vast wilderness sloughs and the sweet discovery of the power of reading Rare personal photographs reproduced throughout the book and the fragile memories of those who are left give shape to the story of Mennonite immigrants building a life in Canada the growth and decline of the small Speedwell community the sway of religion and a young boy's growing love of the extreme beauty of the aspen forests as well as how all these elements came to inform his destiny as a writer A hymn to a lost place and a distant time *Of This Earth* follows the best of memoirs in the tradition of Sharon Butala's *The Perfection of the Morning* and W G Sebald's *Austerlitz* It is an evocation of the Canadian west that only a writer of Rudy Wiebe's powers could summon

Inspired Poems Glenn Thrush, 2007-08 *Inspired Poems* is exactly what the title states Every poem has been inspired by a person a place or a special need for a card It has never been easy for me to just sit down and make up a poem However when the inspiration is there the words flow I have written poems for most of my adult life They were shared and enjoyed by the people who wanted or needed them and then just thrown away For this book I have chosen poems about everyday life and things that happen to all of us car repair finances a trip to the grocery store etc Without the help of my wife Susan this book would have never been She insisted that I start keeping my work She also suggested that we do our own Christmas cards each year thus the collection of Christmas poems in the last part of the book As we traveled through life she suggested that maybe a book was possible I didn't think so but she prevailed and *Inspired Poems* came about She has done much for this project including the technical work a little goading and so forth For these reasons I have dedicated this book to my wife Susan Sincerely Glenn Thrush

[A New English Dictionary on Historical Principles](#) James Augustus Henry Murray, 1919

The Complete Poems James Hursey, 2017-03-18 From the Introduction Just words of course all just so many words But words strung slyly judiciously and always lovingly one after the other in due order and in such a way as to entertain sometimes astonish and the poet hopes occasionally enlighten the literate or even otherwise reader all cast in diverse poetical schemes ranging from the formal classical pentameter of Milton or Tennyson to unformed lines to satisfy even the postiest of moderns but in fact most of the

lines herein actually can it be scan and many oh no even rhyme sometimes obviously sometimes merely hinted at in surprising ways recalling Wallace Stevens s remark that one writes poetry out of a delight in the harmonious and orderly one will find here blank verse heroic couplets a touch of ottava rima numerous sonnets of various styles even just for fun a limerick and a finicky double dactyl also some rowdy cowboy poetry and other diverse schemes nearly as numerous as the pages herein

Autumn Leaves Mary Bassett Clarke,1895 **Animated Stills** Thomas G. Reischel,2019-10-01 This book is an Inspiration of Life from photographs As a photographer I roam around and take pictures of many things Some of those pictures contain images where I see something in them As a Poet this sparks my imagination my Muse to poetically interpret that something into action So a poem is born I write about it and ask the readers if they see it too That is the basis of this book of Animated Stills The stills part comes from the photograph The animated portion is where poet brings the perceived image to life for the reader Animated stills are poems where inanimate objects take on human animal or spirit forms traits or articles They are derived from Photographs I have taken that have moved me to write a poem associated with it I believe that photography and poetry go together well One form paints a visual picture while the other creates a poetic image Together the synergy becomes very powerful At least that is what I hope I have achieved here Here is an excerpt from Poem 26 Firebird from which the cover photo is taken *“A” New English Dictionary on Historical Principles* William A. Craigie,James Augustus Henry Murray,1919 **Favorite Poems of Childhood** Philip Smith,1992-09-18 A collection of familiar poems for and about children by such authors as Robert Louis Stevenson Christina Rossetti Eugene Field and Sarah Josepha Hale
