

Casriel

# so fair a HOUSE:

## the story of SYNANON

by Daniel Casriel, M.D.  
Preface by David Abrahamson, M.D.

It's late at night. The phone rings.  
Chuck Delbeck, head of Synanon, answers.  
A voice says "Listen Chuck, I have a job.  
I want out of this place for the first time.  
I'll do whatever you say. You can count  
on me. I'll be here to help you out."  
Chuck answers "I wouldn't want the people  
you were talking to here. Get them out."  
If you don't have patients, what if you  
can't walk, exactly. It'll be here and  
the time is always now.

Several months later with the people  
A month later to L.A. and L.A. has  
learned that at Synanon.

so fair a HOUSE:

# So Fair A House The Story Of Synanon

**Gary G. Forrest**

## **So Fair A House The Story Of Synanon:**

**So Fair a House** Daniel Casriel,1963      **So Fair a House** Technical Association of the Pulp and Paper Industry,1963

**The Rise and Fall of Synanon** Rod Janzen,2023-10-03 The definitive account of Synanon On a fall day in 1978 Los Angeles attorney Paul Morantz reached into his mailbox to collect his mail and was nearly killed He was bitten by the four foot long rattlesnake that had been put there by members of a cultlike group called Synanon Chuck Dederich a former Alcoholics Anonymous member who coined the phrase Today is the first day of the rest of your life established Synanon as an innovative drug rehabilitation center near the Santa Monica beach in 1958 Synanon quickly evolved into an experimental commune and religion that attracted thousands of members and was strongly committed to social justice and progressive education Twenty years later when Dederich was arrested for the Morantz attack Synanon had devolved into a paranoid community that followed its egomaniacal leader in whatever direction he chose to take Based on extensive primary sources and interviews with former members The Rise and Fall of Synanon explores how the group arose in the context of American social political and economic trends Historian Rod Janzen argues that Synanon s downfall resulted from members giving too much power to Synanon s charismatic founder The subject of a new documentary and podcast this community serves as a mesmerizing case study of how alternative societies can change over time and how the general public s reactions to such societies can shift from tolerance to fear and opposition      *Communication and Control in Society* Klaus Krippendorff,1979

*The Soul of Recovery* Christopher D. Ringwald,2002-06-13 Millions of alcoholics and addicts recover through spirituality In *The Soul of Recovery Uncovering the Spiritual Dimension in the Treatment of Addictions* author and journalist Christopher D Ringwald tells how and why they seek and achieve these transformations Ranging as far back as the Washingtonian Total Abstinence Society in 1840 Ringwald illuminates the use of spirituality within a wide range of treatment options from the famous Twelve Step style programs to those tailored to the needs of addicted women Native Americans or homeless teens not ready to quit Focusing on the results rather than the validity of beliefs espoused by these programs he demonstrates how addicts recover through practices such as self examination meditation prayer and reliance on a self defined higher power But the most compelling evidence of spirituality s importance comes from those directly involved in the process Ringwald traveled across the country to visit dozens of programs and interview hundreds of addicts alcoholics counselors family members doctors and scientists Many share moving stories of suffering survival and redemption A homeless man a surgeon a college student a working mother each describes the descent into addiction and how spirituality offered a practical personal means to recovery Ringwald also examines the controversies surrounding faith based treatment and the recovery movement from the conflict between science and spirituality to skepticism about the new age brand of spirituality these programs encourage to constitutional issues over court mandated participation in allegedly religious treatment programs Combining in depth research with powerful personal accounts this fascinating exploration of spirituality will provide a fuller understanding

of the nature of addiction and how people overcome it      **The Evolution Of Psychotherapy** Jeffrey K. Zeig, 2019-04-01 A collection of papers from the third Evolution of Psychotherapy Conference The Evolution Conferences are organized by The Milton H Erickson Foundation The Erickson Foundation is a nonprofit educational organization First published in 1997

Routledge is an imprint of Taylor Francis an informa company      **The Integrity Model of Existential Psychotherapy in Working with the 'Difficult Patient'** Nedra Lander, Danielle Nahon, 2006-05-02 Dealing with the therapeutic impasse is one of the most challenging tasks faced by therapists The Integrity Model of Existential Psychotherapy in Working with the Difficult Patient describes how the Integrity model of psychotherapy provides an original solution to dealing with difficult issues such as resistance acting out counter transference guilt value clashes and cultural diversity The Integrity model is based on an existential approach to living and views psychological difficulties as stemming from a lack of fidelity to one's values In this book the authors explore how this approach to psychotherapy can enhance other therapeutic models or stand on its own to offer a valuable alternative perspective on the causes of mental illness Case material is provided to illustrate the value of the Integrity model in relation to a range of clinical issues including Borderline Personality Disorders Antisocial Personality Post Traumatic Stress Schizophrenia Workplace Stress Addictions This book provides a provocative and insightful presentation of the subject of impasses as well as dealing with associated issues including the role of values in psychotherapy community spirituality and therapist responsibility It will be of great interest to counsellors and psychotherapists      The Integrity Model of Existential Psychotherapy in Working with the 'Difficult Patient' Nedra R. Lander, Danielle Nahon, 2005 Dealing with the therapeutic impasse is one of the most challenging tasks faced by therapists This book presents the potential solutions offered by the integrity model of psychotherapy

**The American Psychiatric Publishing Textbook of Substance Abuse Treatment** Marc Galanter, Herbert D. Kleber, Kathleen T. Brady, 2015-04-01 No other text available today offers what The American Psychiatric Publishing Textbook of Substance Abuse Treatment can completely updated treatment information on a broad range of substance use disorders that is consistent with the new DSM 5 classification and thus reflective of how psychiatry is practiced today Designed for researchers and mental health professionals ranging from trainee to licensed practitioner the book is also appropriate for a diverse array of rehabilitation settings from inpatient to community based treatment Full coverage is provided on 12 step programs as well including the latest outcomes research Much of the material is new to this edition A chapter has been added on science in the treatment of substance abuse in which the authors discuss the history of scientific intervention in substance abuse and explore what happens to the brain when addicting drugs are consumed review animal models and imaging techniques and discuss current progress in the science of addiction Chapters have been added on screening and brief intervention reflecting the development of brief screening tools and research on the efficacy of interventions and the role of recovery in chronic care disease management specifically what the treatment models for alcohol dependence and for diabetes can effectively borrow from each other A new chapter focuses on

the treatment of alcohol intoxication and withdrawal the first steps in treatment of alcohol use disorder Two chapters on marijuana one on the neurobiology and one addressing treatment have been added Given the accelerating trend toward decriminalization and legalization of this substance clinicians will find this information of increasing importance The section on substance use issues among gay men and lesbians has been expanded to include bisexual and transgender people in recognition of increased diversity among the population Well structured with topics that follow logically and many practical treatment oriented features such as quick reference tables and lists of recommended readings The American Psychiatric Publishing Textbook of Substance Abuse Treatment is a classic that will enhance the education and practice of clinicians

**Addiction Treatment** Daniel Hood, 2017-09-08 Addiction Treatment is an ethnography that compares two types of residential drug free treatment programs religious faith based programs and science based secular programs Although these programs have originated from significantly different ideological bases in examining the day to day operations of each Daniel E Hood concludes that they are far more alike than they are different Drug free treatment today whether in secular or religious form is little more than a remnant of the temperance movement It is a warning to stop using drugs At its best treatment provides practical advice and support for complete abstinence At its worst it demeans users for a form of behavior that is not well understood and threatens death if they do not stop Hood argues that there is no universal agreement on what addiction is and that drug abuse is little more than a catch all term of no specific meaning used to condemn behavior that is socially unacceptable Through extensive participatory observations intimate life history interviews and informal conversations with residents and staff Hood shows how both programs use the same basic techniques of ideological persuasion mutual witnessing methods of social control discourse deprivation and the same proposed zero tolerance abstinent lifestyle Christian living vs Right living as they endeavor to transform clients from addicts to citizens or from sinners to disciples

Standards Relating to Probation American Bar Association. Advisory Committee on Sentencing and Review, 1970 **Alcoholics Anonymous as a Mutual-help Movement** Klaus Mäkelä, 1996 Part of an international study of Alcoholics Anonymous carried out in collaboration with the World Health Organization Regional Office for Europe

Alcoholism and Substance Abuse Gary G. Forrest, 1985 The Body of the Organisation and its Health Richard Morgan-Jones, 2018-05-08 Using the frameworks of psychoanalysis group relations systemic organisational observation consulting and research this book explores the relationship between the health of the work force and the health of organisations It seeks to do this through an exploration of experience that has three dimensions linked in a single matrix The bodily the emotional and the social This exploration is inspired by Bion's original idea of the protomental matrix from which the group dynamics of basic assumption mentality are derived leading to his initial ideas about group diseases and their cures

**The Group Therapy of Substance Abuse** David W. Brook, Henry I. Spitz, 2002-09-23 Gain a practical perspective on group therapy as a treatment for addiction As more and more researchers and clinicians recognize group therapy as the

primary psychosocial intervention in the treatment of substance abusers there is a growing need for a comprehensive resource that places the wide range of theories and ideas about the treatment into practical perspective. *The Group Therapy of Substance Abuse* is the first book to bridge the gap between substance abuse treatment and group psychotherapy by presenting expert analyses that address all major schools of thought. The book includes clinical examples and specific recommendations for treatment techniques reflecting a variety of viewpoints from the leading clinicians, scholars, and teachers in the field. Because of its therapeutic efficacy and cost effectiveness, group therapy has come to play an increasingly important role as the psychosocial therapy of choice for an ever increasing number of patients with substance abuse disorders. For ease of use, *The Group Therapy of Substance Abuse* is divided into several sections including a discussion of the basic theoretical approaches on which most group treatments of substance abusers are based, the uses of group treatment approaches in specific treatment settings, and the uses of group treatment with specific patient populations. *The Group Therapy of Substance Abuse* also includes diverse perspectives on interpersonal and psychodynamic approaches to therapy, cognitive behavioral methods, outpatient, inpatient, and partial hospitalization groups, network therapy, and 12 step groups, treatment of gay, lesbian, bisexual, adolescent, and elderly abusers, therapeutic community groups. Essential for professionals who treat substance abusers, *The Group Therapy of Substance Abuse* is also an excellent textbook for scholars and students in the mental health field. The book adds depth to the practicing and soon to be practicing clinician's understanding of how best to address the complex problem of addiction.

**Redemption and Recovery** Daniel Hood, 2017-07-05. This ethnography continues the thick description of faith based and science based drug programs begun in *Addiction Treatment Using*. Extensive interviews and his own participation in daily rounds of treatment, Hood provides a vivid comparison of resident experience at each type of institution. *Redemption and Recovery* tells the stories of two houses in the Bronx, NY that serve people with drug problems: Redemption House and Recovery House. These stories include the direct accounts of residents' drug lives before treatment and their search for normalcy after recovery or redemption. Other chapters dissect the religion of science based treatment and compare success rates: religious vs. secular. *Addiction Treatment* had detailed a similar process of personal conversion central to both treatments. This sequel uses the contextualized demographics of residents to uncover profound parallels between the two unique programs and debunk their shared ideology of abstinence.

**The Theory and Practice of Democratic Therapeutic Community Treatment** Rex Haigh, Steve Pearce, 2017-01-19. Offering step by step templates and tried and tested methods, this is the first treatment manual to show how to successfully set up and run a democratic therapeutic community. Highlighting key principles, this is an essential resource for running therapeutic communities in an informed way that produces consistent benefits for patients. *National Library of Medicine Catalog*. National Library of Medicine (U.S.), 1960. **Federal Probation**, 1967. *Community Action Programs*. National Clearinghouse for Drug Abuse Information, 1972.
