Words from Awaki Bernetha George MD,2014-11-20 Dont believe the hype believe what you see Apocalypse as we have come to fear is not apocalypse as it truly is We live today in the time of apocalypse and for some it is pure torment For those around the world living with bombs raining down on them yes that is apocalyptic torture as we feared For those thousands and millions throughout the universe visited and killed by the deadly flu and flu like diseases SARS swine flu bird flu West Nile virus etc Ebola tuberculosis measles cholera dengue fever EV D68 and HIV AIDS yes those are apocalyptic diseases as we feared For those ravished killed left homeless and totally dispossessed by these record breaking seemingly wicked weather events we are currently experiencing yes they would agree that these are for certain apocalyptic changes as we feared However given there are over seven billion of us on the planet and those apocalyptic events mentioned have only killed millions not billions of us they dont seem to rise to the level of chaos and destruction we have been conditioned to fear as being apocalyptic Nevertheless our over exaggerated deep seated and conditioned fears notwithstanding Armageddon is upon us and the signs of it have been for almost twenty years that we know of Those above mentioned apocalyptic occurrences are the signs we were all told would be by John the Revelator in Revelation November 1995 to May 1996 no fewer than seventy of us were told by an angel Awaki and his Angels of God that the signs had already begun and that Armageddon would begin in the year 2000 Our story no matter how far fetched it may seem is true The evidentiary events of war disease and bizarre weather changes we witness daily provide for us the credibility of what we were told The angel Shakardak told us Some will see and they will believe some will not see and they will believe some will hear and they will believe and some will not hear and they will believe and then there will be those who will see and they will not believe and there will be those who will hear and they will not believe *The Bookman* ,1894 **Trends in Long-term Care** United States.
