So What:

So What? Kevin Duncan, 2008-02-28 *So What* gets straight to the point so you can cut through the noise and nonsense of work. Much of what we learn in our formative years is unlearned in later life. As grown ups we are often unable to answer the simplest of questions in a clear direct way and frequently have no idea why we are doing something. This can lead to crippling inefficiency in business and goes some way to explaining why so many people spend so much time doing things that have no bearing on the true purpose. By behaving in a genuinely inquisitive way you can get right to the heart of the matter and save yourself hours, days and even months of anguish. The questions *So what? Why? How? and When?* can be hugely effective when applied in the right context and this book shows you how to use them. Once all the right questions have been posed there is a final sure fire method for testing whether something is relevant and helpful. By completing the sentence *Something must be wrong if it is simple to work out if you are wasting your time.* For example *Something must be wrong if I don't want to go to work in the morning.* *So What* shows you how to become truly inquisitive again. So let the questions roll. Pay attention to what the answers are. Learn from them and you will immediately improve your prospects of finally getting somewhere in life. **So**

What's Next! G. J. Griffiths, 2014-05-03 Molly Pearson is a young Biology teacher with two passions in her life: a strong commitment to protecting wildlife and a desire to encourage the children in her classes to feel the same enthusiasm for Nature. When her class decide they would like to restore the school's neglected and vandalised nature corner, her hopes are raised and challenged at the same time. The hurdles that she meets along the way will include bullied and bullying pupils as well as the expected ones of finance and willing manpower. But leaping those fences does not prepare the ambitious Molly for a dramatic fire and the confusion of a new passion in her life in the form of Oliver Shrimpton. Will he become that significant someone or is he just another obstacle for her to overcome? G. J. Griffiths' latest novel in the *So What* series of stories is still based firmly around the events that take place within the walls of Birch Green High School. It follows some of the trials and tribulations of Molly Pearson, a previous novice teacher who was mentored by Robert Jeffrey, the main character from the first book. Molly's efforts to spread the important message about protecting wildlife and the natural environment reflect something that has always been important to the author. For that reason, some of the proceeds from the sales of this book will be donated to wildlife charities. Although this book is an exciting novel telling the story of schoolchildren who want to protect garden wildlife, it also contains several chapters towards the end with plenty of helpful information for lovers of nature and who want to take a fresh look at making their garden a wildlife garden. **So What Wisdom** Richard Van

Yperen, 2022-08-24 *Proverbs* provides compelling answers to the questions *What is godly wisdom and Why should one get it?* But at the end of one's life, answers often address the past, not eternity. Godly wisdom allows one to thrive in a sinful world. However, Solomon's teaching in *Proverbs* was limited as Jesus Christ had not yet entered the world. Old Testament wisdom established a pathway that would lead to a destination through the redemptive death and resurrection of the one who is the

way the truth and the life John 14 6 for all who believe in Jesus Christ Without Jesus Christ as the embodiment of eternal godly wisdom we are likely to slip into trying to apply the wisdom of Solomon to perform our way through life like the Pharisees The premise of this book is that Solomon s teaching about the beginning of wisdom is completed in Jesus Christ as shown in John s Gospel and applied in James s letter to the twelve tribes scattered among the nations James 1 1 The author examines what why and so what answers that Jesus modeled taught and promised about godly wisdom He also explores James s eight so what practices for developing wisdom with an eye toward eternity

So What Do I Do? G J Griffiths,2015-06-08 I enjoyed the slow pace as it built up steam towards a rewarding climax that left me in thought for longer than most best selling thrillers The reader is plunged into some very difficult times and throughout we laugh rarely and cry often as the story unfolds In So What Do I Do police constable Nigel Shantra has been promoted and returns as a detective He is determined to bring to justice a serious adversary of his a school bully from the first novel When a conspiracy to defraud the local populace devised by two apparently respectable but unscrupulous pillars of the community goes disastrously wrong it results in an intriguing case for detective Shantra to solve The traumatic events that follow will prove to affect the incompetent pair of criminals who were hired by the swindling conspirators as well as the teachers and pupils of Birch Green High School And just what does a class of cheeky chimps and a large black spider monkey have to do with the traumatic events surrounding Hodgson s Hide the legacy of retired Technology teacher Gil Hodgson Recently promoted Molly discovers that the pressures of helping newly qualified teachers has no comparison to the eventual strain that she and her colleagues experience when an ex pupil of the school decides it s time for payback This man will prove to be far more

ruthless and cruel than anyone could have imagined all in order to achieve his criminal ambitions But he is just as likely to turn his attention towards anyone who upsets his plans with terrifying consequences for those who won't comply with his wishes
