Frank Viola, 2005-01-01 *The Theology of Dallas Willard* Gary Black Jr., 2013-08-06 Evangelical Christianity in the United States is currently in a dramatic state of change Yet amidst this sometimes tumultuous religious environment a rather unique blend of both ancient and contemporary Christian theology has found its way into the hearts and minds of emerging generations of Christians The Theology of Dallas Willard both describes and conveys the essence of this increasingly popular and perhaps mediating view of the gospel of Jesus Christ Blending both a prophetic critique with pastoral encouragement Willard s unique understanding of the reality present within a life lived as a disciple of Jesus in the kingdom of God is attracting both new and traditional Christians to reconsider their faith **Starting a House Church** Larry Kreider, Floyd McClung, 2007-04-05 There s a new way of doing church and it s taking North America by storm Here a recognized authority on the house church movement and a popular speaker and pastor share their expertise in starting and maintaining a healthy house church Together they look at current and future trends in the house church movement and provide best practice models for planting and leading house churches Also they explore how house churches are not always the same as simple cell groups or small groups especially in the areas of leadership and money Readers will discover all the information they need to begin a house church in their community *So You Want to Start a Chronic Illness / Pain ministry* Lisa Copen, 1998 *House Church - Simple, Strategic, Scriptural* Steve Atkerson, 2021-07-17 Lead a small church New Testament Church Dynamics is perfect for you Unlike many church growth books we present proven Biblical strategies to grow your church both spiritually and numerically These are not theories cooked up in an ivory tower Our network of churches lives these principles out in multiple cultures and countries around the globe By following Scriptural strategies our unity participation purity community size love and evangelistic fervor have grown dramatically Our joy is helping leaders of small churches follow Christ s model for church practice and planting *Renewing the Evangelical Mission* Richard Lints, 2013-05-26 The culture story of evangelicalism during the second half of the twentieth century has been well told It is important now to think about the theological mission of the church in an ever increasing post Christian and post partisan context What is the theologian s calling at the beginning of the third millennium How do global realities impact the mission of evangelical theology What sense can be made of the unity of evangelical theology in light of its many diverse voices Contributors Os Guinness Michael S Horton Richard Lints Bruce McCormack Mark Noll J I Packer Gary Parrett Rodney Peterson Cornelius Plantinga Tite Tienou Kevin J Vanhoozer Adonis Vidu and Miroslav Volf *The Global House Church Movement* Rad Zdero, 2004-06-01 A major church shift is happening all around the world God is once again bringing back the power and simplicity of New Testament style Christianity The Lord is raising up the global house church movement Do you want to reach your friends and your nation with an approach to church life and church planting that is biblical and effective If so read this book **Discovering Church Planting** J. Each year life has its own share of disappointments adventures and happiness even stories No man has total control of life Today everyone is seeking ways to get free from disappointments or health issues from COVID 19 the Delta variant virus or any deadly disease Many people are running from physicians to psychics palm readers with the end result being prescribed several unnecessary medications or told something false about their future Many believe the truth hurts or costs too much which is not true Actually God wants everyone to know the truth and live by the truth to live a rich productive life that only he can give I stopped by here to open up the truth to those who have no other alternative in the world but to go forward with a new life We all go through so many changes in life some good and some may not necessarily end up good but when we turn to God the good will outweigh the bad part of our lives We all go through struggles or ups and downs in our lives however with the help of God the struggles become easy Remember to pray first before opening this book because I know from this day forward your life will never be the same When reading this book ask God to make it plain and clear so you can understand everything in the text God did not just allow you to pick this book up He has a plan and purpose for you as a new believer This book will give you detailed information regarding the Word of God It gives information from the setup of God s house to simply praying to him The information is so important for this day and time in your life that is why God leads you to it God wants to transform your life Homelessness is just a word and it has to leave your life and go back to the pit of hell where it derived so does diabetes hypertension cancer mental illness and any other disease This book contains some of God s information in detail and it describes the things the world offers which you thought were important but everything you need is in the house God s house Ingredients needed to hold the proper church services are included in this book There are testimonials included in this book that are given to keep one close to the truth of God Go ahead get excited because God said your life is going to change and change for your good People thought you

were nothing and a nobody but God created you for him and he will make you the person he needs to carry out his will If you were lost today you have found a new life especially once you read this book of wisdom and knowledge This book contains a wealth of knowledge from worship services in the church to everyday life Pray and continue to follow God Read the book from beginning to end to get a full understanding of the message God is giving you so you can stay on track in your life Everything you want out of life will come to pass should you get to the house of God There are instructions on how to seek God s face and keep his attention in this book Satan just lost the battle of control of your life In the text you will learn how to keep Satan out of your life and continue to walk upright Learn where to go to continue this walk with Jesus the Christ Once you continue to read this book you should no longer feel depressed or not loved God is love and he loves you You thought love came only from man but in the book you will learn where true love comes from Everything you need is in the house the house of God

Creating a Scene in Corinth Reta Halteman Finger, George D. McClain, 2013-05-16 Creating a Scene in Corinth imaginatively draws readers into Chloe s house church which has just received a letter from their church planter the apostle Paul Using group simulation the book brings to life scholarly research on how the gospel penetrated the Roman Empire As participants role play early believers and debate with each other they gain new insights and will never read 1 Corinthians the same way again First century Corinthians were just as human as church people today They did not consider Paul s letters authoritative Scripture when he wrote them so lively group discussion and debate are encouraged This method of Bible study works for many levels from youth groups to Sunday school classes or in college and seminary courses SUPPLEMENTARY WEB RESOURCES A Visit to Ancient Corinth slide presentation 9 MB Time Travel to Ancient Corinth slide presentation 12 MB Publicity Announcement for Adult Sunday School Simulation of 1 Corinthians 64 KB Representative Speeches from Chloe s House Church 66 KB Worshiping with the Corinthians 684 KB A Visitor s Guide to Corinth 59 KB Extra Material for Character Development in Corinth 64 KB Using Creating a Scene in Corinth A Simulation in College or Seminary 123 KB Corinthian Characters in Chloe s House Church 104 KB
