Sobers Garfield St. Aubrun Sobers, Brian Scovell, 1989 **The Development of West Indies Cricket, Vol. 2** Hilary Beckles, 1998 This volume covers the third rising of West Indies cricket As the sport becomes ever more commercialized large amounts of money have established sponsorship support systems to give cricketers around the world every possible advantage Beckles assesses what impact the globalization of cricket has had on the cricketers of the Caribbean He also describes the emergence of what he argues is a debilitating sub nationalism in the West Indies the effect this has had on the game the prospect for integrating West Indian nationhood in the twenty first century **The Development of West Indies Cricket, Vol. 1** Hilary Beckles, 1998 This volume covers the third rising of West Indies cricket As the sport becomes ever more commercialized large amounts of money have established sponsorship support systems to give cricketers around the world every possible advantage Beckles assesses what impact the globalization of cricket has had on the cricketers of the Caribbean He also describes the emergence of what he argues is a debilitating sub nationalism in the West Indies the effect this has had on the game the prospect for integrating West Indian nationhood in the twenty first century *The Men Who Raised the Bar* Chris Waters, 2020-12-10 Few sporting records capture the imagination quite like that of the highest individual score in Test cricket It is the blue riband record of batting achievement the ultimate statement of stamina and skill From Charles Bannerman who scored 165 for Australia against England in the inaugural Test match in 1877 to Brian Lara who made 400 not out for West Indies against England in 2004 the record has changed hands ten times Chris Waters *The Men Who Raised the Bar* charts the growth of the record through nearly one hundred and fifty years of Test cricket It is a journey that takes in a legendary line of famous names including Sir Donald Bradman Sir Leonard Hutton Sir Garfield Sobers and Walter Hammond along with less heralded players whose stories are brought back into the light Drawing on the reflections of the record holders Waters profiles the men who raised the bar and their historic performances **Diplomatic Games** Heather L. Dichter, Andrew L. Johns, 2014-09-23 How events like the Olympics and World Cup have affected international relations A significant contribution to historical knowledge and understanding Peter J Beck author of *Scoring for Britain* International sporting events including the Olympic Games and the FIFA World Cup have experienced profound growth in popularity and significance since the mid twentieth century Sports often facilitate diplomacy revealing common interests across borders and uniting groups of people who are otherwise divided by history ethnicity or politics In many countries popular athletes have become diplomatic envoys Sport is an arena in which international conflict and compromise find expression yet the impact of sports on foreign relations has not been widely studied by scholars In *Diplomatic Games* a team of international scholars examines how the nexus of sports and foreign relations has driven political and cultural change since 1945 demonstrating how governments have used athletic competition to maintain and strengthen alliances promote policies and increase national prestige The contributors investigate topics such as China's use of sports to oppose

Western imperialism the ways in which sports helped bring an end to apartheid in South Africa and the impact of the United States 1980 Olympic boycott on US Soviet relations Bringing together innovative scholarship from around the globe this groundbreaking collection makes a compelling case for the use of sport as a lens through which to view international relations

Worrell Simon Lister, 2024-06-06 WINNER OF THE MCC CRICKET SOCIETY BOOK OF THE YEAR AWARD The definitive telling of the life of a West Indian hero Sir Clive Lloyd The brilliant all rounder Frank Worrell had to wait until 1960 to become the first permanent Black captain of the West Indies cricket team denied for a decade by the elitism insularity and racism of Caribbean cricket's rulers When his chance finally came Worrell transformed a talented but unfocused team into the most exciting side in the world and led his men into unforgettable series against Australia and England Worrell was universally admired as one of cricket's great captains when he was knighted in 1964 but three years later he was dead aged just forty two Not merely an extraordinarily talented and record breaking sportsman he served the University of the West Indies after his retirement along with the cricket team and the political federation one of the three truly unifying elements across a fractious and diverse region This biography by the author of the acclaimed *Fire in Babylon* and with a foreword by Sir Clive Lloyd is the definitive telling of Frank Worrell's life and legacy It reveals how an upbringing in Barbados cricketering adventures around the world and a determination not to be cowed by the powers that ran island cricket shaped a great West Indian cricketer into a great West Indian who changed the game forever

Cricket Nurseries of Colonial Barbados Keith A. P. Sandiford, 1998 This work offers an intriguing and important analysis of the role played by three prestigious grammar schools Combermere School Harrison College and the Loge School in establishing the cricket cult in Barbados and ultimately throughout the Caribbean It goes far towards explaining why Barbadians have traditionally played such excellent cricket This book is the first to make such extensive use of Barbadian school magazines as primary sources for the study of social history The author stresses the statistical first class records of about 200 alumni of the three schools and in so doing furnishes sport sociologists with a considerable new body of empirical data for future use Although it focuses on a Barbadian situation the book should interest cricket enthusiasts everywhere with its many photographs and its lucid and candid treatment of some of the most important

personalities in regional and world cricket a few of whom are still actively involved in the sport today Sport and National Identity in the Post-War World Dilwyn Porter, Adrian Smith, 2013-04-15 What is the relationship between sport and national identity What can sport tell us about changing perceptions of national identity Bringing together the work of established historians and younger commentators this illuminating text surveys the last half century giving due attention to the place of sport in our social and political history It Includes studies of English football and British decline Englishness and sport Ethnicity and nationalism in Scotland Social change and national pride in Wales Irish international football and Irishness Sport and identity in South Africa Cricket and identity crisis in the Caribbean Baseball exceptionalism and American Sport Popular mythology surrounding the sporting rivalry between New Zealand and Australia Sport and National Identity in the Post War World presents a wealth of original research into contemporary social history and provides illuminating material for historians and sociologists alike

Fred Trueman Chris Waters, 2011-10-01 Fred Trueman was so much more than a cricketing legend The greatest living Yorkshireman according to Prime Minister Harold Wilson he couldn't help excelling at everything he did whether it was as a hostile fast bowler for Yorkshire and England and the first man to take 300 Test wickets in a career or as a fearlessly outspoken radio summariser for Test Match Special He was famous for regularly spluttering that I don't know what's going on out there as well as for the amount of swearing he managed to incorporate into everyday speech Beloved of cricket crowds who filled grounds to witness his belligerent way of playing the game and nothing but trouble to the cricket authorities Fiery Fred was the epitome of a full-blooded Englishman But as Chris Waters reveals in this first full biography behind the charismatic exuberant mask lay a far less self-assured man terrified even that his new dog wouldn't like him and whose bucolic version of his upbringing bore no relation to the gritty and impoverished South Yorkshire mining community where he actually grew up Drawing on dozens of new interviews with his Yorkshire colleagues family and friends this life of Fred Trueman will surprise and even shock but also confirm the status of an English folk hero
