#### **Sobranie Sochinenii:**

Russian Essays on Shakespeare and His Contemporaries Aleksandr Tikhonovich Parfenov, Joseph G. Price, 1998 Throughout his career from the early play Love s Labour s Lost to one of his last romances The Winter s Tale Shakespeare was intrigued by Russia Reciprocating that intrigue over the last few centuries Russia as so many other countries has claimed Shakespeare as its own The essays in this book represent the work of Russian and Ukrainian scholars from three different perspectives explaining the plays to Russian audiences discussing Russian theater for Western audiences and Journeys to a Graveyard Derek Offord, 2006-07-01 Journeys to a Graveyard dealing with contemporary criticism examines the descriptions provided by eight Russian writers of journeys made to western European countries between 1697 and 1880 The descriptions reveal the mentality and preoccupations of the Russian social and intellectual elites during this period The travellers perceptions of western European countries are treated here as an ambivalent response to a civilization with which Russia was belatedly coming into close contact as a result of the imperial ambition of the Russian state and the westernization of the Russian elites The travellers perceived the most advanced European countries as superior to Russia in terms of material achievement and the maturity and refinement of their cultures but they also promoted a view of Russia as in other respects superior to the western nations Heavily influenced from the late eighteenth century by Romanticism and by the rise of nationalism in the west they tended to depict European civilization as moribund By this means they managed to define their own emergent nation in a contrastive way as having youth and promising futurity **Revisiting Russian Radicals** Andrew M. Drozd, Brendan G. Mooney, 2024-12-13 Revisiting Russian Radicals is a collection of ten articles that seeks to promote a revisitation of the Russian Radicals who have been somewhat unjustly forgotten in the aftermath of the fall of the Soviet Union Rather than viewing the radicals through the lens of the 1917 October Revolution the authors seek to analyze them on their own terms and explore new aspects of their legacy. The chapters provide a fresh look at some well known radicals like Chernyshevsky Dobrolyubov and Pisarev as well as examinations of lesser known figures and offer an interdisciplinary approach to their investigations combining historical and literary analysis A lengthy introduction is included for those who are non Slavists and for the newer generation of Slavists who may not be as familiar with these figures

Editing Turgenev, Dostoevsky, and Tolstoy Susanne Fusso, 2021-07-15 In Editing Turgenev Dostoevsky and Tolstoy Susanne Fusso examines Mikhail Katkov s literary career without vilification or canonization focusing on the ways in which his nationalism fueled his drive to create a canon of Russian literature and support its recognition around the world In each chapter Fusso considers Katkov s relationship with a major Russian literary figure In addition to Turgenev Dostoevsky and Tolstoy she explores Katkov s interactions with Vissarion Belinsky Evgeniia Tur and the legacy of Aleksandr Pushkin This groundbreaking study will fascinate scholars students and general readers interested in Russian literature and literary history Formalists against Imperialism Anna Aydinyan, 2022-05-30 In January 1829 an angry mob in Tehran murdered

Russian poet and diplomat Alexander Griboedov author of the verse comedy Woe from Wit and architect of the Russian annexation of the north Caucasus from Persia after the Russo Persian War A century later the Russian formalist writer Yury Tynianov wrote a historical novel about the event entitled The Death of Vazir Mukhtar In this wide ranging study Anna Aydinyan posits that The Death of Vazir Mukhtar conceptualizes Orientalism fifty years before Edward Said coined the term She argues that Tynianov parodied historical works on the Caucasus in his novel in order to critique the ways in which exoticizing the East enabled imperialism and colonization Analysing literary and non literary texts on Russia's relationship with Iran along with the economic and cultural development of Transcaucasia after the Russo Persian War Formalists against Imperialism studies Russian culture within the framework of comparative colonialisms and examines the twentieth century Russian reconsideration of the country's imperial past The Literary and Cultural Reception of Charles Darwin in Europe Thomas F. Glick, Elinor Shaffer, 2014-05-22 Beyond his pivotal place in the history of scientific thought Charles Darwin s writings and his theory of evolution by natural selection have also had a profound impact on art and culture and continue to do so to this day The Literary and Cultural Reception of Charles Darwin in Europe is a comprehensive survey of this enduring cultural impact throughout the continent With chapters written by leading international scholars that explore how literary writers and popular culture responded to Darwin's thought the book also includes an extensive timeline of his cultural reception in Europe and bibliographies of major translations in each country **Permanent Evolution** Yuri Tynianov, 2019-10-01 Yuri Tynianov was a key figure of Russian Formalism an intellectual movement in early 20th century Russia that also included Viktor Shklovsky and Roman Jakobson Tynianov developed a groundbreaking conceptualization of literature as a system within and in constant interaction with other cultural and social systems His essays on Russian literary classics like Pushkin's Eugene Onegin and works by Dostoevsky and Gogol as well as on the emerging art form of filmmaking provide insight into the ways art and literature evolve and adapt new forms of expression Although Tynianov was first a scholar of Russian literature his ideas transcend the boundaries of any one genre or national tradition Permanent Evolution gathers together for the first time Tynianov s seminal articles on literary theory and film including several articles never before translated into English Cold Fusion Геннадий Барабтарло, 2000 Significant German communities existed in Russia for three centuries until the Bolshevik revolution gradually extirpated their presence These 18 papers explore a number of cultural influences that the German presence had on Russian letters art architecture music and other cultural 'Russian Americans' in Soviet Film Marina L. Levitina, 2015-09-29 Certain aspects of American popular pursuits Spe culture had a formative influence on early Soviet identity and aspirations Traditionally Soviet Russia and the United States between the 1920s and the 1940s are regarded as polar opposites on nearly every front Yet American films and translated adventure fiction were warmly received in 1920s Russia and partly shaped ideals of the New Soviet Person into the 1940s Cinema was crucial in propagating this new social hero While open admiration of American film stars and heroes of literary

fiction in the Soviet press was restricted from the late 1920s onwards many positive heroes of Soviet Socialist Realist films in the 1930s and 1940s were partially a product of Soviet Americanism of the previous decade Some of the new Soviet heroes in films of the 1930s and 1940s possessed traits noticeably evocative of the previously popular American film stars such as Douglas Fairbanks Pearl White and Mary Pickford Others cinematically represented the contemporary trope of the Russian American an ideal worker exemplifying the Stalinist marriage of Russian revolutionary sweep with American efficiency Russian Americans in Soviet Film analyses the content reception and underlying influences of over 60 Soviet and American films the book explores new territory in Soviet cinema and Soviet American cultural relations It presents groundbreaking archival research encompassing Soviet audience surveys Soviet film journals and reviews memoirs and articles by Soviet filmmakers and scripts among other sources The book reveals that values of optimism technological skill efficiency and self reliance perceived as quintessentially American were incorporated into new Soviet ideals through channels of cross cultural dissemination resulting in cultural synthesis The Oxford Handbook of the Russian Novel Julie A. Buckler, Justin Weir, 2025 The Oxford Handbook of the Russian Novel brings together top specialists in Russian literature to treat the Russian novel from the late 18th to the 21st century using a range of interpretive perspectives. The Russian novel is a distinctive tradition by virtue of its formal eccentricities as well as the boldness with which these works approached the most complex philosophical political and moral questions This Handbook treats well known works and authors but also explores the much broader tradition of the Russian novel up to the present The essays in the Handbook provide cultural and historical perspectives on the Russian novel as well as showcasing emergent modes of analysis including postcolonialism ecocriticism and posthumanism The Šabdan Baatır Codex, 2012-11-23 In The abdan Baat r Codex Daniel Prior presents the first complete edition translation and interpretation of a unique manuscript of early twentieth century Kirghiz poetry which includes detailed accounts of nineteenth century warfare Dedicated to the chief abdan Baat r the Codex occupies an illuminating position in a network of oral and written genres that encompassed epic poetry and genealogy panegyric and steppe oral historiography that echoed oral performance and aspired to print publishing The Codex s fresh articulation of concepts of Kirghiz self identification was incipiently national yet remained couched in traditional forms The Codex thus bridges the interval often glossed over in cultural histories between a supposedly archaic state of oral epic tradition and the afterlife of epics in modern ethno nationalist projects The Russian Folktale by Vladimir Yakovlevich Propp Vladimir Yakovlevich Propp, 2012-09-12 Vladimir Propp is the Russian folklore specialist most widely known outside Russia thanks to the impact of his 1928 book Morphology of the Folktale but Morphology is only the first of Propp's contributions to scholarship This volume translates into English for the first time his book The Russian Folktale which was based on a seminar on Russian folktales that Propp taught at Leningrad State University late in his life Edited and translated by Sibelan Forrester this English edition contains Propp s own text and is supplemented by notes from his students The Russian Folktale

begins with Propp's description of the folktale's aesthetic qualities and the history of the term the history of folklore studies first in Western Europe and then in Russia and the USSR and the place of the folktale in the matrix of folk culture and folk oral creativity The book presents Propp s key insight into the formulaic structure of Russian wonder tales and less schematically than in Morphology though in abbreviated form and it devotes one chapter to each of the main types of Russian folktales the wonder tale the novellistic or everyday tale the animal tale and the cumulative tale Even Propp's bibliography included here gives useful insight into the sources accessible to and used by Soviet scholars in the third quarter of the twentieth century Propp's scholarly authority and his human warmth both emerge from this well balanced and carefully structured series of lectures An accessible introduction to the Russian folktale it will serve readers interested in folklore and fairy tale studies in addition to Russian history and cultural studies **Socialism in Power** Roland Boer, 2023-03-01 This book examines the historical development in practice and theory of governance in socialist systems With more than a century of such development from many parts of the world including the Soviet Union China and the DPRK North Korea it is possible to gain much from careful study of their political systems But what is the nature of this socialist governance It is abundantly clear that the type of governance in socialist countries had never before been seen in human history How does this governance work What was the political theory that arose from the practice How did this type of governance develop over time and in light of specific conditions These are the questions that Socialism in Power sets out to answer It does so not by using methods developed for studying Western liberal nation states but by deploying Marxist Leninist analysis Not an abstract Marxism but concrete Marxism as it was applied and developed in light of the particular historical conditions of the countries in question The book begins with careful analysis of the works of Marx and Engels with a particular emphasis on Engels who was crucial in establishing the basic principles of socialist governance Next the book focuses on the Soviet Union which was the first country in human history to experience socialism in power The rarely studied DPRK North Korea comes next as a transition to East Asia followed by a number of chapters on China which arguably has the most developed form of socialist governance The Defiant Life of Vera Figner Lynne Ann Hartnett, 2014-06-06 A riveting biography of a Russian noblewoman turned revolutionary terrorist and accomplice in the assassination of a tsar The Soviet and Post Soviet Review Born in 1852 in the last years of serfdom Vera Figner came of age as Imperial Russian society was being rocked by the massive upheaval that culminated in the Bolshevik revolution of 1917 At first a champion of populist causes and women s higher education which she herself pursued as a medical student in Zurich Figner later became a leader of the terrorist party the People's Will and was an accomplice in the assassination of Tsar Alexander II in 1881 Drawing on extensive archival research and careful reading of Figner's copious memoirs Lynne Ann Hartnett reveals how Figner survived the Bolshevik revolution and Stalin's Great Purges and died a lionized revolutionary legend as the Nazis bore down on Moscow in 1942

**Enemies of the People** Katherine Bliss Eaton, 2002 Katherine Eaton has compiled a collection of essays on the

destruction of the arts in Russia in the 1930s The essays provide information about what we know was lost and speculation about what might have been lost in the Stalinist Great Purge **Russian-Muslim Confrontation in the Caucasus** Gary Hamburg, Thomas Sanders, Ernest Tucker, 2004-08-02 This book presents two extraordinary texts The Shining of Swords by Al Qarakhi and a new translation for a contemporary readership of Leo Tolstoy's Hadji Murat illuminating the mountain war between the Muslim peoples of the Caucasus and the imperial Russian army from 1830 to 1859 The authors offer a complete commentary on the various intellectual and religious contexts that shaped the two texts and explain the historical significance of the Russian Muslim confrontation It is shown that the mountain war was a clash of two cultures two religious outlooks and two different worlds The book provides an important background for the ongoing contest between Russia and indigenous people for control of the Caucasus **Fiction's Overcoat** Edith W. Clowes, 2018-07-05 If Dostoevsky claimed that all Russian writers of his day came out from Gogol's Overcoat then Edith W Clowes boldly expands his dramatic image to describe the emergence of Russian philosophy out from under the overcoat of Russian literature In Fiction's Overcoat Clowes responds to the view commonly held by Western European and North American thinkers that Russian culture has no philosophical tradition If that is true she asks why do readers everywhere turn to the classics of Russian literature at least in part because Russian writers so famously engage universal questions because they are so philosophical Her answer to this question is a lively and comprehensive volume that details the origins submergence and re emergence of a rich and vital Russian philosophical tradition During the late nineteenth and early twentieth centuries Russian philosophy emerged in conversation with narrative fiction radical journalism and speculative theology developing a distinct cultural discourse with its own claim to authority and truth Leading Russian thinkers Berdiaev Losev Rozanov Shestov and Solovyov made philosophy the primary forum in which Russians debated metaphysical aesthetic and ethical questions as well as issues of individual and national identity That debate was tragically truncated by the events of 1917 and the rise of the Soviet empire Today after seventy years of enforced silence this particularly Russian philosophical culture has resurfaced Fiction s Overcoat serves as a welcome guide to its complexities and nuances Historians and cultural critics will find in Clowes s book the story of the increasing refinement and diversification of Russian cultural discourse philosophers will find an alternative to the Western philosophical tradition and students of literature will enjoy the opportunity to rethink the great Russian novelists particularly Dostoevsky Pasternak and Platonov as important voices in the process of shaping and sustaining a new philosophy and ensuring its survival into our own age <u>A History of Russian Literature</u> Andrew Kahn, Mark Naumovich Lipovet∏s∏kiĭ,Irina Reyfman,Stephanie Sandler,2018 Russia possesses one of the richest and most admired literatures of Europe reaching back to the eleventh century A History of Russian Literature provides a comprehensive account of Russian writing from its earliest origins in the monastic works of Kiev up to the present day still rife with the creative experiments of post Soviet literary life The volume proceeds chronologically in five parts extending from Kievan Rus in the 11th century to

the present day The coverage strikes a balance between extensive overview and in depth thematic focus Parts are organized thematically in chapters which a number of keywords that are important literary concepts that can serve as connecting motifs and case studies in depth discussions of writers institutions and texts that take the reader up close and Visual material also underscores the interrelation of the word and image at a number of points particularly significant in the medieval period and twentieth century The History addresses major continuities and discontinuities in the history of Russian literature across all periods and in particular bring out trans historical features that contribute to the notion of a national literature The volume s time range has the merit of identifying from the early modern period a vital set of national stereotypes and popular folklore about boundaries space Holy Russia and the charismatic king that offers culturally relevant material to later writers This volume delivers a fresh view on a series of key questions about Russia's literary history by providing new mappings of literary history and a narrative that pursues key concepts rather more than individual authorial careers This holistic narrative underscores the ways in which context and text are densely woven in Russian literature and demonstrates that the most exciting way to understand the canon and the development of tradition is through a discussion of the interrelation of major and minor figures historical events and literary politics literary theory and literary innovation Socialism with Chinese Characteristics Roland Boer, 2021-04-27 This book covers the whole system of Socialism with Chinese Characteristics dealing with Deng Xiaoping s theory the socialist market economy a moderately well off Xiaokang society China's practice and theory of socialist democracy human rights and Xi Jinping's Marxism In short the resolute focus is the Reform and Opening Up Socialism with Chinese Characteristics is one of the most important global realities today However the concept and its practice remain largely misunderstood outside China This book sets to redress such a lack of knowledge by making available to non Chinese speakers the sophisticated debates and conclusions in China concerning socialism with Chinese Characteristics It presents this material in a way that is both accessible and thorough Reading Darwin in Imperial Russia Brendan G. Mooney, Stephen M. Woodburn, Andrew M. Drozd, 2023-01-30 A 2023 Choice Reviews Outstanding Academic Title Reading Darwin in Imperial Russia Literature and Ideas expands upon the cataloging efforts of earlier scholarship on Darwin's reception in Russia to analyze the rich cultural context and vital historical background of writings inspired by the arrival of Darwin's ideas in Russia Starting with the first Russian translation of The Origin of Species in 1864 educated Russians eagerly read Darwin s works and reacted in a variety of ways From enthusiasm to skepticism to hostility these reactions manifested in a variety of published works starting with the translations themselves as well as critical reviews opinion journalism literary fiction and polemical prose The reception of Darwin spanned reverent didactic ironic and sarcastic modes of interpretation This book examines some of the best known authors of the second half of the nineteenth century Dostoevsky Chernyshevsky Chekhov and others less well known or nearly forgotten Danilevsky Timiriazev Markevich Strakhov to explore the multi faceted impact of Darwin's ideas on Russian educated society While elements of

Darwin's Russian reception were comparable to other countries each author reveals distinctly Russian concerns tied to the meaning and consequences of the challenge posed by Darwinism The scholars in this volume demonstrate not only what the authors wrote but why they took their unique perspectives

Unveiling the Magic of Words: A Review of "Sobranie Sochinenii"

In a global defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their power to kindle emotions, provoke contemplation, and ignite transformative change is really awe-inspiring. Enter the realm of "**Sobranie Sochinenii**," a mesmerizing literary masterpiece penned with a distinguished author, guiding readers on a profound journey to unravel the secrets and potential hidden within every word. In this critique, we shall delve in to the book is central themes, examine its distinctive writing style, and assess its profound impact on the souls of its readers.
