Feminist Theories and Feminist Economics Kavous Ardalan,2021-10-30 In Feminist Theories and Feminist Economics A Multi Paradigmatic Approach Kavous Ardalan examines four paradigms of feminist theory and

economics and their social impact Analyzing the insights of these paradigms functionalist interpretive radical humanist and radical structuralist Ardalan offers a comprehensive view of feminist thought advocating for a multi paradigmatic approach to understanding feminist research and its economic relevance for society *Geographies of Difference, Indifference and Mis-difference* Antonio Augusto Rossotto Ioris,2024-10-17 World renowned scholar of human geography development and environmental change Antonio Ioris presents an original reconceptualisation of the notions of difference and indifference and their impacts on social structures Drawing on a wide range of philosophical debates and offering groundbreaking new insights into geographically specific trends through the lens of indigenous geographies Ioris explores how political actors use notions of difference to foster indifference for the purposes of domination which ultimately crystallizes in what he terms mis difference a calcified difficult to overcome obstacle to concord and fairness that underpins capitalist relations of property and production At the same time Ioris shows how some social actors use the concept of difference for reconciliation for overcoming indifference and mis difference and suggests how these moves can help to fight against ideologies that produce our unequal world and facilitate land grabs Ioris elucidates all of this in concrete terms through a study of the Guarani Kaiowa people in Brazil of how they have been oppressed by state sanctioned indifference and misdifference and of how they are resisting through a contestation of what difference can mean and how it can function in the contemporary world

Truth and Social Science Ross Abbinnett,1998-01-29 This exciting and accessible guide to the discussions of truth in the social sciences can also be read as an account of the collapse of modernity and the rise of new forms of thought which treat difference and ambivalence as positive values Ross Abbinnett traces the debate on truth from the objectifying powers of Kant through more than 200 years of critique and reformulation to the unravelling of truth by Lyotard Foucault and Derrida

The Gendered Society Michael S. Kimmel,2017 The sixth edition of *The Gendered Society* explores current thinking about gender both inside academia and in our everyday lives Michael Kimmel challenges the claim that gender is limited to women s experiences his compelling and balanced study of gender includes both masculine and feminine perspectives Kimmel makes three bold and persuasive statements about gender First he demonstrates that gender differences are often extremely exaggerated in fact he argues that men and women have much more in common than we think they do Kimmel also challenges the pop psychologists who suggest that gender difference is the cause of inequality between the sexes instead he reveals that the reverse is true gender inequality itself is the cause of the differences between men and women Finally he illustrates that gender is not merely an element of individual identity but a socially constructed institutional phenomenon

Embodying the Social Esther Saraga,2005-08-17 This book opens the series with a consideration of the social construction of social difference Taking the body as the point of departure it deals with the processes through which social problems and social inequalities are constructed In particular it examines the shifting ways in which our ideas about issues such as disability race and ethnicity and sexuality influence the development of social policies **Michigan Sociological**
