Blood, Bone, and Marrow Ted Geltner, 2016-05-15 Brilliantly renders the life of the late writer Harry Crews It captures the wild spirit of an unflinching American writer Publishers Weekly starred review In 2010 Ted Geltner drove to Gainesville Florida to pay a visit to Harry Crews and ask the legendary author if he would be willing to be the subject of a literary biography His health rapidly deteriorating Crews told Geltner he was on board and would even sit for interviews and tell his stories one last time Ask me anything you want bud Crews said But you'd better do it quick The result is Blood Bone and Marrow the first full length biography of one of the most unlikely figures in twentieth century American literature a writer who emerged from a dirt poor South Georgia tenant farm and went on to create a singularly unique voice of fiction With books such as Scar Lover Body and Naked in Garden Hills Crews opened a new window into southern life focusing his lens on the poor and disenfranchised the people who skinned the hogs and tended the fields the grits as Crews affectionately called his characters and himself He lived by a code of his own design flouting authority and baring his soul and the stories of his whiskey and blood soaked lifestyle created a myth to match any of his fictional creations His outlaw life his distinctive voice and the context in which he lived combine to form the elements of a singularly compelling narrative about an underappreciated literary treasure Harry Crews led a big strange sad and somehow very American life It is well told here The New York Times *Richard (Caveman Instinct -- Gypsy Curse Book 2)* Hazel Gower, 2015-08-20 Richard My family is divided some say we were gifted by the gypsies to prosper and know our soul mate others feel we were cursed The divide in the family may have a little to do with the gypsies forgetting to mention that when we Silverman find our soul mate we turn

into possessive cavemen I also thought it was a gift and was filled with jealousy when my cousin Stephan found his other half though he believed it to be a curse But now it s my turn the only problem is Bailey Rodgers thinks I m crazy overbearing and egotistical Bailey My brother Ethan my guardian since I was six was finally loosening the reigns and giving me some freedom Being vision impaired and the only family left he sometimes took his role as protector too far I d convinced Ethan to let me celebrate graduation with a week long holiday just friends sun and fun The start of my holiday didn t start out at all how I had planned when I was kidnapped by a crazy guy telling me I was his soul mate and his to keep forever Imagine my surprise to learn he is a Silverman and supposedly sane Richard wants me to give him a chance but I don t know if I can handle Richard s over protectiveness I already had that with my brother and I didn t want it in my relationship

Europe and the Roma Klaus-Michael Bogdal, 2023-07-27 A magisterial contribution to the understanding of the cultural position of Romani people in Europe nothing short of astounding Literary Review This remarkable book describes a dark side of European history the rejection of the Roma from their initial arrival in the late Middle Ages to the present day To Europeans the Roma appeared to be in complete contradiction with their own culture because of their mysterious origins unknown language and way of life As representatives of an oral culture for centuries the Roma have left virtually no written records of their own Their history has been conveyed to us almost exclusively through the distorted images that European cultures project Persecuted and shunned the Roma nonetheless spread out across the continent and became an important indeed indispensable element in the European imagination It is impossible to conceive of the culture of Spain southern France and much of Central Europe without this pervasive Romani influence Europe and the Roma brilliantly describes the fascination and fear which have marked Europeans response to the Romani presence Countless composers artists and writers have responded to Romani culture and to fantasies thereof Their projections onto a group whose illiteracy and marginalization gave it so little direct voice of its own have always been a very uneasy mixture of the inspired the patronizing and the frighteningly ignorant The book also shows the link between cultural violence social discrimination and racist policies that paved the way for the genocide of the Roma
