EDITED BY
Thomas Clayton

The Hamlet First Published Qi 1603 Origins Form Intertextualities

James Shapiro

The Hamlet First Published Qi 1603 Origins Form Intertextualities:

The First Quarto of Hamlet William Shakespeare, 1998 The first quarto of Hamlet is radically different from the second quarto and Folio versions of the play and about half their length But despite its uneven verbal texture and simpler characterisation the first quarto presents its own workable alternatives to the longer texts reordering and combining key plot elements and even including a unique scene between Horatio and the Queen This new critical edition is designed for students scholars and actors who are intrigued by the first printed text of Shakespeare s Hamlet Although the first quarto has been reprinted many times there is no other modernised edition in print Irace s introduction outlines views of its origins its special features and its surprisingly rich performance history her textual notes point out differences between the first quarto and the longer second quarto and Folio versions and offer alternatives which actors or directors might choose for specific productions

Shakespeare as Literary Dramatist Lukas Erne, 2013-04-25 This second edition of Erne s groundbreaking study includes a new preface that reviews the controversy the book has triggered Shakespeare's Stage Traffic Janet Clare, 2014-01-09 Shakespeare s unique status has made critics reluctant to acknowledge the extent to which some of his plays are the outcome of adaptation In Shakespeare s Stage Traffic Janet Clare re situates Shakespeare s dramaturgy within the flourishing and competitive theatrical trade of the late sixteenth and early seventeenth centuries She demonstrates how Shakespeare worked with materials which had already entered the dramatic tradition and how in the spirit of Renaissance theory he moulded and converted them to his own use The book challenges the critical stance that views the Shakespeare canon as essentially self contained moves beyond the limitations of generic studies and argues for a more conjoined critical study of early modern plays Each chapter focuses on specific plays and examines the networks of influence exchange and competition which characterised stage traffic between playwrights including Marlowe Jonson and Fletcher Overall the book addresses multiple perspectives relating to authorship and text performance and reception The Work and The Reader in Literary Studies Paul Eggert, 2019-08-29 Reflects on and re imagines the role of the scholarly edition and its reader in the twenty first century

Hamlet William Shakespeare, 1980-01-01 When the ghost of his father appears to Prince Hamlet of Denmark urging him to avenge the king s murder upon the prince s uncle the tragic flaw of indecision leads Hamlet to ruin

Shakespeare at Work John Jones, 1999 It has been established by textual specialists and is now becoming widely accepted that Shakespeare revised many of his plays including some of the most celebrated But how were the great tragedies altered and with what effect John Jones looks at the implications of Shakespeare s revisions for the reader and spectator alike and shows the playwright getting to grips with the problems of characterization and scene formation in such plays as Hamlet Othello King Lear and Troilus and Cressida This is vivid enthralling stuff Jones carries his argument down as he puts it to the very tip of Shakespeare s quill pen In characteristically lucid and accessible prose he assesses recent textual scholarship on Shakespeare s revisions and illuminates the artistic impact of the revised texts and their importance for our understanding of

each play's moral and metaphysical foundations Shakespeare at Work brings together English literature's greatest writer and one of its most distinguished critics The result is a book that will prove a revelation essential and also fascinating reading for scholars students and Shakespeare enthusiasts alike **Textual Performances** Lukas Erne, Margaret Jane

Kidnie, 2004-05-13 This important collection brings together leading scholars to examine crucial questions regarding the theory and practice of editing Shakespeare's plays In particular the essays look at how best to engage editorially with evidence provided by historical research into the playhouse author's study and printing house How are editors of playscripts to mediate history in its many forms for modern users Considering our knowledge of the past is partial in the senses both of incomplete and ideological where are we to draw the line between legitimate editorial assistance and unwarranted interference In what innovative ways might current controversies surrounding the mediation of Shakespeare's drama shape future editorial practice Focusing on key points of debate and controversy this collection makes a vital contribution to a better understanding of how editorial practice on the page and in cyberspace might develop in the twenty first century

Shakespeare's Hamlet and the Controversies of Self John Lee, 2000 This text offers a new approach to the discussion of English Renaissance literary subjectivity Unhappy with new historicist and cultural materialistic criticism it traces the history of the controversies of self **The First Quarto of King Henry V** William Shakespeare, 2000-06 The Quarto text of Henry V is of unique importance It is the first and probably the only text of a Shakespeare play which provides the playscript

corresponding to the version that was actually performed by Shakespeare's own company It has the authority of being transcribed by actors in the company as a record of their original staging at the Globe in 1599 The quarto version differs radically from the First Folio text which is used as the source for all other editions Half as long as the Folio it represents a practical staging text that streamlined the script supplied by Shakespeare This edition of the Henry V quarto provides a modernized text alongside the extensive commentary Andrew Gurr examines each variant from the Folio text in detail shedding new light on what happened to scripts that the Shakespeare company bought from their resident playwright

Modern American Reading Practices P. Goldstein, 2008-12-22 Philip Goldstein explains the socio historical context of the diverse interpretive practices which make up the humanities in the USA in the 21st century He considers the rise of college educated women minority readers the increased influence of the Universities the media and the dominance of the Universities by the sciences *Forensic Shakespeare* Quentin Skinner, 2014 Quentin Skinner highlights the use of judicial

rhetoric in some of Shakespeare's most famous works shedding new light on Shakespeare's reading and the intellectual base of his work JEGP, Journal of English and Germanic Philology Gustaf E. Karsten, 1995 **Shakespeare Survey** Stanley

Wells, Jonathan Bate, 2002-11-28 The first fifty volumes of this yearbook of Shakespeare studies are being reissued in paperback **Shakespeare Survey** Allardyce Nicoll, 1996 An annual survey of Shakespearian study and production

Reforming the "bad" Quartos Kathleen O. Irace, 1994 If as this study argues the actors also adapted the plays the short

quartos preserve the earliest fast paced popular adaptations of Shakespeare s plays designed by the actors to please the million Shakespeare and Spain José Manuel González Fernández de Sevilla,2002 Two dozen essays continue the series of regional receptions to Shakespeare s work along with a bibliography on Shakespeare and Spain and reviews of 13 recent books on Shakespeare in general Mostly Spanish scholars cover texts and contexts Spanish contemporaries and their plays teaching and the visual arts literary and theatrical implications and Shakespeare in performance Among specific topics are a comparison of the suspect texts of Lope de Vega s La Dama boba and Shakespeare s Hamlet creating a Christian Revenger Spanish art of the 19th and 20th centuries and a Turkish version of Hamlet The text is double spaced and lacks an index
