Shaman or Sherlock? Gina Macdonald, Andrew F. Macdonald, 2001-11-30. Fictional depictions of Native American concepts of justice, crime, and the investigation of crime are explored in this original work. *Shaman or Sherlock* explores depictions created by Native American authors themselves as well as those created by outsiders with mainstream agendas. The most successful of these writers fuse authentic Native American culture with standard genre conventions, thus providing an appealing, empathetic view of little understood or underappreciated groups, as well as insight into issues of cross-cultural communication. Dealing with such significant concepts as acculturation, regional diversity, and assimilation, this unique study evaluates over 200 detective stories. Though the crime novel began in Europe as a manifestation of Enlightenment rationality and scientific methodology, the Native American detective story moves into the realm of the spiritual and intuitive, often incorporating depictions of non-material phenomena. *Shaman or Sherlock* explores how geographical and tribal differences, degrees of assimilation, and the evolution of age-old cultural patterns shape the Native American detective story.

Places the Dead Call Home Paul L. Hall, 2006-12. *Places the Dead Call Home* begins on a summer night in 1958 as bullets tear through the body of a young man on a lonely Oklahoma highway. Nineteen years later, a soldier lies in the pool of his own blood on an army base in Virginia. Death has made room at home for both of them. Death can always find room for more. Josh Kincaid is happy with life in Phoenix where he manages a bar and sells a few drugs on the side. His serenity is soon shattered, however, by a call from his cousin Frankie McKnight who claims to know why Josh's father died many years earlier in the parking lot of a gas station in Oklahoma City. Soon a reporter named Jeffrey Bonus and his traveling companion Jeanette Koskos arrive with questions for Josh about the death of Bonus's father, a highly decorated army colonel. All of these characters converge on Mesa Verde where Josh and Frankie seek the answer to Jimmy Kincaid's destiny, and Bonus hopes to learn the true fate of his father. But others are making plans of their own to ensure that the dead stay where they belong, the places they call home.
