Detective Fiction and the Ghost Story M. Cook,2014-07-15 Detective Fiction and the Ghost Story is a lively series of case studies celebrating the close relationship between detective fiction and the ghost story It features many of the most famous authors from both genres including Conan Doyle Agatha Christie M R James and Tony Hillerman *In the Beginning* Mary Jean DeMarr,1995 Others concentrate more on analysis of the subject novel itself indicating more briefly how that book relates to those which follow it Some discuss such questions as what exactly is the first novel in some rather complex series and in several cases more than one initiating book is discussed No attempt has been made to include consideration of a representative sample of the various types of detective series but a variety of authors is covered ranging from such classics as Agatha Christie Rex Stout and Dorothy L Sayers to more recent authors like James McClure Joseph Hansen and Colin Dexter **Foul & Fair Play** Marty Roth,1995 Foul and Fair Play is an examination of classic detective fiction as a genre an attempt to read a wide variety of texts by different authors as variations on a common and relatively tight set of conventions Marty Roth covers the period from the prehistory of detective fiction in Edgar Allan Poe Charles Dickens Wilkie Collins Robert Louis Stevenson and H G Wells up to the 1960s which marked the end he says of the classical period the end of an extremely conservative paradigm The detective fiction genre as Roth defines it includes analytic detective fiction hard boiled detective fiction and the spy thriller Roth insists on the structural common ground of these three types of writing and places them in the larger system of mystery fiction that preceded and surrounds them The first part of the book consists of a reading of conventions conventions of character the detective the criminal of gender and sexuality of narrative style of settings and of the curious rules of exchange and coincidence that operate in the realm where detective stories take place

The second section deals with the convoluted epistemology of mystery and detective fiction depending as it does on other major intellectual developments of the late nineteenth century such as psychoanalysis An extremely original study Foul and Fair Play offers many insights into the literary and cultural history of a popular genre The Return of Mr. Campion Margery Allingham,2023-10-31 A collection of thirteen short stories brings back an acclaimed Golden Age mystery author s beloved sleuth as well as a host of fresh characters and genres Margery Allingham fans will delight at being reunited with the Queen of Crime s most thrilling detective Albert Campion From capers and traditional mysteries to slice of life stories romantic tales and even a Christmas story this anthology is a must have for Allingham enthusiasts as well as readers who have yet to discover the esteemed English author Praise for Margery Allingham Margery Allingham stands out like a shining knight Agatha Christie My very favourite of the four Queens of crime is Allingham J K Rowling Margery Allingham deserves to be rediscovered P D James Spending an evening with Campion is one of life s pure pleasures The Sunday Times Startlingly good The Guardian At once exciting and amusing The New York Times Look to the Lady Margery Allingham,2017-01-05 Finding himself the victim of a botched kidnapping attempt Val Gyrth suspects that he might be in a spot of trouble Unexpected news to him but not to the mysterious Mr Campion who reveals that the ancient Chalice entrusted to Val s family is being targeted by a ruthless ring of thieves Fleeing London for the supposed safety of Suffolk Val and Campion come face to face with events of a perilous and puzzling nature Campion might be accustomed to outwitting criminal minds but can he foil supernatural forces Jolly Good Detecting Bruce Shaw,2013-12-19 This book is an appreciation of selected authors who make extensive use of humor in English detective crime fiction Works using humor as an amelioration of the serious have their heyday in the Golden Age of crime writing but they belong also to a long tradition There is an identifiable lineage of humorous writing in crime fiction that ranges from mild wit to outright farce burlesque even slapstick A mix of entertainment with instruction is a tradition in English letters English crime fiction writers of the era circa 1913 to 1940 were raised in the mainstream literary tradition but turned their skills to detective fiction And they are the humorists of the genre This book is not an exhaustive study but an introduction into the best produced by the most capable and enjoyable authors What the humorists seek is to surprise the reader by overturning their expectations using a repertoire of stylistic conceits and motifs recurring incidents devices references Humor has a liberating effect but is concerned too with comic contrast through ugliness and caricature In crime fiction one effect is intellectual pleasure at solving or attempting to solve a puzzle Another is entertainment but with serious undertones **Sequels** Janet G.
