The Heart Is An Instrument Portraits In Journalism:

The Heart is an Instrument Madeleine Blais, 1992 Pulitzer prize winning journalist Madeleine Blais is perhaps best known for her insightful essays chronicling the experiences of the disadvantaged and dispossessed members of our society This volume gathers fifteen of her most memorable essays vivid portraits that speak to the realities of contemporary American experience

The Reporter's Handbook Steve Weinberg, 1996 Reporters editors and journalists will find this third edition of The Reporter's Handbook an even more impressive resource than prior editions This essential tool for serious journalists identifies hundreds of documents and human sources in both private and government sectors It provides step by step methods for tracking paper trails people trails and computer trails The book also includes coverage of library research computer assisted reporting case studies anecdotes and IRE contest winning pieces This new edition features chapters on the environment transportation housing financial institutions international investigation utilities and non profit organizations Under the sponsorship of Investigative Reporters and Editors Inc Steven Weinberg has revised and polished this journalism classic into a must have reference guide for the classroom and the newsroom

Telling the Untold Story Steve Weinberg, 1992 Author of his own controversial unauthorized biography of Armand Hammer Steve Weinberg here shows how a new generation of biographers is revealing the lives of powerful individuals in dramatic and important new ways Trained as investigative journalists today's writers have entered a domain once dominated by university scholars Unlike their more academic predecessors who often wrote nonjudgmental books on the public lives of long dead individuals these new biographers are willing to tackle such powerful living subjects as Nancy Reagan Henry Kissinger Hugh Hefner Pete Rose and Fidel Castro Few of these books are adoring Without cooperation from their subjects and sometimes under threat of lawsuit these writers are probing into private lives and enabling readers to make up their own minds about public figures Tracing the evolution of the craft of biography up to the present day Weinberg draws on interviews with some of today's best biographers as well as his own experience with the Hammer biography to highlight the careers of some of the writers whose work exploded the boundaries of traditional biography When Robert Caro became the first journalist to win a Pulitzer Prize for Biography for his book on Robert Moses it marked the dawn of a new approach to the craft Weinberg also explores the techniques of Philadelphia Inquirer journalists Donald Barlett and James Steele whose jointly authored biographies of Howard Hughes and Nelson Rockefeller mark another sign of how far the genre of biography has come The book is enriched by samples of investigative biography at its best including a scathingly honest profile of the reigning queen of unauthorized biography Kitty Kelley and Calvin Trillin's fascinating New Yorker profile of the Miami Herald's inimitable police reporter Edna Buchanan The living of a life is more difficult than the chronicling of it but the chronicling is certainly no simple task writes Weinberg Telling somebody else's life fully fairly and compellingly is probably an impossible task But it is important to keep pushing the limits of the possible For writers reviewers publishers and general readers Telling the Untold Story is a

fascinating look at how a new kind of biographer has forever changed our expectations of the genre and continues to push biography to exciting new limits

The Food Fighters Alexander Justice Moore, 2024-06-19 Robert Egger did not want to start a charity or even volunteer at one But after his wife dragged him out one night to serve meals on the streets of Washington DC Egger realized that most of what society called charity did more to reward the people giving their time and money than it did to liberate those on the receiving end He set aside his career running nightclubs and vowed to come up with something better Egger named his gritty front line nonprofit DC Central Kitchen Today it is one of America's most beloved and respected solutions to hunger and poverty From its improbable beginnings 35 years ago the organization has redefined the issues of food waste unemployment mass incarceration school nutrition and chronic disease through award winning programs and a gutsy risk taking mindset that allowed it to hurdle one obstacle after another Written by an organizational insider this expanded second edition of *The Food Fighters* shows how DC Central Kitchen's path breaking approach to combating the root causes of hunger is more relevant today than ever before Packed with practical perspectives from award winning nonprofit professionals inspiring first hand accounts from survivors of homelessness and incarceration and the exclusive insights of high profile partners like Jos Andr's Spike Mendelsohn Craig Newmark and Michael R Klein *The Food Fighters* equips readers to take on hunger in their own communities while challenging traditional notions of what it means to do good
