Sino-Soviet Relations Since Mao Carl G. Jacobsen,1981

The Cambridge History of China: Volume 15, The People's Republic, Part 2, Revolutions Within the Chinese Revolution, 1966-1982 Roderick MacFarquhar, John K. Fairbank, Denis Crispin Twitchett, 1991-11-29 In continuing the post revolution study started in Volume 14 Volume 15 considers the developments in Mao s thoughts and how they related to China s government The most comprehensive account of this turbulent period in Chinese history

Japan and the Sino-Soviet Alliance, 1950-1964 C. Braddick, 2003-12-09 Japan and the Sino Soviet Alliance 1950 1964 reveals the divisive impact of the Sino Soviet Alliance on Japanese domestic politics and foreign relations during the turbulent years between 1950 and 1964 Drawing on extensive Japanese sources and unprecedented access to previously classified government documents C W Braddick exposes the myths shrouding this formative era in Japan s postwar development

The Sino-Soviet Confrontation Since Mao Zedong Alfred D. Low, 1987 Studie over de Chinees Russische relaties na de dood van de Chinese leider 1893 1976

The Chinese Debate about Soviet Socialism, 1978-1985 Gilbert Rozman, 2014-07-14 This study based largely on Chinese journals rarely available to Western scholars explores the abrupt turnabout of Chinese views of the Soviet Union from condemnations of revisionism to appreciation for problems common to both countries Originally published in 1987 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

The Cambridge Handbook of Contemporary China Colin Mackerras, Amanda Yorke, 1991-05-02 The paradox of contemporary China its openness to Western technology yet its rejection of Western democratic ideals serves to make China appear remote and inaccessible to those outside The country s vast area and population only accentuate these difficulties The Cambridge Handbook of Contemporary China presents topical information on all aspects of Chinese life since 1949 with particular emphasis on the 1980s its major strength is its contemporary focus and easy to use format Useful maps and tabled statistics accompany the text which is divided into clearly defined categories Designed for students specialists educationalists journalists and those in business and government as well as the general reader the Handbook provides easy access to information on all areas of Chinese life and is a good starting point for research

China's Relations with Arabia and the Gulf 1949-1999 Mohamed Mousa Mohamed Ali Bin Huwaidin, 2003-09-02 This book provides a detailed analysis of China s foreign policy towards the Gulf and Arabian peninsula region from the establishment of the People s Republic of China in 1949 to the end of the 20th century Based on extensive original research it looks at the relations between China and each of the countries of the region over the entire

period It demonstrates that two key factors have shaped China's foreign policy with the region China's relations with the United States and the Soviet Union and China's drive to increase its economic ties with the countries of the region especially after becoming a net importer of oil in the early 1990s

China's Foreign Aid and Investment Diplomacy, Volume I

John F. Copper, 2016-04-29 Today by many accounts China is the world's foremost purveyor of foreign aid and foreign investment to developing countries This is the product of China's miracle economic growth over a period of more than three decades together with China's drive to become a major player in world affairs and accomplish this through economic rather than military means This three volume work is the first comprehensive study of China's aid and investment strategy to trace how it has evolved since Beijing launched its foreign aid diplomacy at the time of the founding of the People's Republic of China in 1949 Volume I examines the definitions origins nature and scope of foreign aid and investment by other countries Using that background John F. Copper then traces China's financial assistance to developing countries from the Mao period when China gave meaningful foreign aid despite its own economic struggles through the beginning of China's post 1978 economic boom and during subsequent decades of rapid economic growth Copper shows that China has a more salient history in giving foreign assistance than any other country in the world while China's objectives in giving foreign assistance have changed markedly over time China has always been driven by efforts to realize its foreign policy objectives and expand China's external influence

Perceptions and Behavior in Soviet Foreign Policy Richard K. Herrmann, 2010-11-23 This book discerns Soviet leaders' views of the United States and sees them in relation to foreign policy statements and actions Hermann first examines the subtle problem of analyzing perceptions and interpreting motives from the words and deeds of national leaders He then turns to cases measuring the dominant U.S. hypotheses about the USSR against Soviet behavior in Central Europe the Middle East Africa and Asia as well as Soviet participation in the arms race Finally he weighs his conclusions against a thematic study of speeches and publications by members of the Politburo

Soviet Foreign Policy Carl G. Jacobsen, 2016-01-19 This book looks at the new themes and directions that have characterised Soviet foreign policy during the first Gorbachev era Various aspects are studied in detail such as the shift of attention away from relations with America as being their prime foreign policy concern

Soviet Posture in the Western Hemisphere United States. Congress. House. Committee on Foreign Affairs. Subcommittee on Western Hemisphere Affairs, 1985

China's Foreign Aid and Investment Diplomacy, Volume III John F. Copper, 2016-04-29 Today by many accounts China is the world's foremost purveyor of foreign aid and foreign investment to developing countries This is the product of China's miracle economic growth over a period of more than three decades together with China's drive to become a major player in world affairs and accomplish this through economic rather than military means This three volume work is the first comprehensive study of China's aid and investment

strategy to trace how it has evolved since Beijing launched its foreign aid diplomacy at the time of the founding of the People's Republic of China in 1949 Volume III offers an analysis of China's foreign aid and investment to countries outside of Asia in Africa Europe the Middle East Latin America and Oceania Africa was and is the most important of these regions and it is given special treatment In the concluding chapter Copper reviews the findings of previous the volumes delineates China's most important victories and setbacks and notes opposition to and criticism of China's aid and investment diplomacy Copper gives evidence that will be shocking to some of the reality that China's financial help to developing countries is one of the most salient trends in international politics and constitutes a formidable challenge to the United States Japan and Europe as well as international financial institutions

Russia, the Roots of Confrontation Robert Vincent Daniels, 1985 This book examines the historical contrasts between East and West and elucidates the Russian enigma It springs from the thesis that Russia's national character and its international relations can be understood only in light of the traumas and triumphs privation and privileges that the country weathered under the tsars and the Soviets

The Foreign Policy of the Russian Federation Alexander V. Kozhemiakin, Roger E. Kanet, 2016-07-27 Providing a current assessment of the major developments in Russian foreign policy since the collapse of the Soviet Union at the end of 1991 the book begins with an examination of the emerging trends in Russian policy and the impact of domestic political and economic factors on Russian policy Succeeding chapters outline the development of Russian policy in the major geographic regions of the world the new states of the near abroad Central Europe and the Balkans the West Asia the Middle East and the developing countries

China's Foreign Aid and Investment Diplomacy, Volume II John F. Copper, 2016-04-29 Today by many accounts China is the world's foremost purveyor of foreign aid and foreign investment to developing countries This is the product of China's miracle economic growth over a period of more than three decades together with China's drive to become a major player in world affairs and accomplish this through economic rather than military means This three volume work is the first comprehensive study of China's aid and investment strategy to trace how it has evolved since Beijing launched its foreign aid diplomacy at the time of the founding of the People's Republic of China in 1949 Volume II provides an analysis of China's foreign aid and investment to countries and regional organizations on the Asian continent covering all of its major sub regions during the period from 1950 to the present day Copper considers motivating factors such as the Korean War the Vietnam War and China's desire to challenge the West and later the Soviet Union Also important to China and driving its aid and investment was China's pursuit of Communist Bloc solidarity a search for secure borders and competition with India for influence in the Third World Securing its imports of energy and raw materials and markets for its products came later Marginalizing Taiwan and defeating it diplomatically constituted another goal of China's foreign aid and foreign investment analyzed here
