Sino-Soviet Military Relations Raymond L. Garthoff, 1966 **China, Russia and the Border** John David Gleeson, 2003 **Sino-Soviet military relations, N.Y., F.A. Praeger** Raymond L. Garthoff, *Sino-Soviet Relations Since the Death of Stalin* Peter Mayer, 1961 *Sino-Soviet Relations* Thomas G. Hart, 1987 China and the Soviet Union Aitchen K. Wu, 2022-12-28 China and the Soviet Union first published in 1950 is written by a Chinese former diplomat and university professor and calls on his many years of experience to provide an even handed analysis of Sino Russian relations It ranges back to 1618 for some much needed historical background but the major part of Wu s examination of the diplomatic relations between the two countries deals with the Soviet Union since 1918 **The Taiwan Issue In Sinoamerican Strategic Relations** Martin L Lasater, 2019-07-09 The first two years of the Reagan administration saw a close correlation between improved unofficial relations between Washington and Taipei and a deterioration of strategic cooperation between Washington and Beijing These developments led many U S officials and scholars to conclude that U S security interests may require periodic concessions over Taiwan to ensure China s cooperation in countering the Soviet threat Rejecting this view Mr Lasater argues that Washington s and Beijing s bilateral relations with Moscow and not the Taiwan issue are the key international determinants of Sino American strategic cooperation Examining the parameters of that cooperation and the role of Taiwan in Sino American relations Mr Lasater suggests that Beijing is deliberately using U S security concerns to seek concessions on Taiwan and other issues He advises a policy that stands firm in negotiations with the Chinese and that resists the temptation to make politically expedient concessions a more balanced course of action whereby improved relations with Beijing are sought concurrently with the maintenance of friendly unofficial ties with Taipei **China Learns from the Soviet Union, 1949-present** Thomas P. Haas, 2018-09-05 How do leaders perceive threat levels in world politics and what effects do those perceptions have on policy choices Mark L Haas focuses on how ideology shapes perception He does not delineate the content of particular ideologies but rather the degree of difference among them Degree of ideological difference is he believes the crucial factor as leaders decide which nations threaten and which bolster their state s security and their own domestic power These threat perceptions will in turn impel leaders to make particular foreign policy choices Haas examines great power relations in five periods the 1790s in Europe the Concert of Europe 1815 1848 the 1930s in Europe Sino Soviet relations from 1949 to 1960 and the end of the Cold War In each case he finds a clear relationship between the degree of ideological differences that divided state leaders and those leaders perceptions of threat level and so of appropriate foreign policy choices These relationships held in most cases regardless of the nature of the ideologies in question the offense
