Caste and Outcast Dhan Gopal Mukerji, 2021-08-03 Caste and Outcast 1923 is an autobiography by Dhan Gopal Mukerji Published the year after Mukerji moved from San Francisco to New York City Caste and Outcast is a moving autobiographical narrative from the first Indian writer to gain a popular audience in the United States Although he is more widely recognized for such children s novels as Gay Neck The Story of a Pigeon 1927 which won the 1928 Newbery Medal and Kari the Elephant 1922 Mukerji was also a gifted poet and memoirist whose experiences in India Japan and the United States are essential to his unique perspective on twentieth century life As I look into the past and try to recover my earliest impression I remember that the most vivid experience of my childhood was the terrific power of faces From the day consciousness dawned upon me I saw faces faces everywhere and I always noticed the eyes It was as if the whole Hindu race lived in its eyes Raised in a prominent Brahmin family Dhan Gopal Mukerji enjoyed immense privileges in his native India and came to trust in the effectiveness and fairness of the country s caste system As a young man however no longer enthralled with the ascetic lifestyle explored in his youth Mukerji devoted himself to nationalist politics and eventually left India for Japan Unsatisfied with life as an engineering student he emigrated once more to the United States where he moved in anarchist and bohemian circles while embarking on a career as a popular poet and children s author Although he never returned to his native country Mukerji left an inspiring legacy through his literary achievement and unwavering commitment to Indian independence With a beautifully designed

cover and professionally typeset manuscript this edition of Dhan Gopal Mukerji's *Caste and Outcast* is a classic of Indian American literature reimagined for modern readers **The Expositor's Greek Testament** Sir William Robertson Nicoll, 1910 **The Holy Bible, Containing the Old & New Testaments**, 1888 **Drama and the Market in the Age of Shakespeare** Douglas Bruster, 2005-01-27 Douglas Bruster's provocative study of English Renaissance drama explores its links with Elizabethan and Jacobean economy and society looking at the status of playwrights such as Shakespeare and the establishment of commercial theatres He identifies in the drama a materialist vision which has its origins in the climate of uncertainty engendered by the rapidly expanding economy of London His examples range from the economic importance of cuckoldry to the role of stage props as commodities and the commercial significance of the Troy story in Shakespeare's *Troilus and Cressida* and he offers new ways of reading English Renaissance drama by returning the theatre and the plays performed there to its basis in the material world **The True Latter-Day-Saints' Herald**, 1870 *Select Notes* Francis Nathan Peloubet, 1906
