Sintra A Glorious Eden:

Sintra Malcolm Jack, 2002 Sintra is a unique and fantastic place It is a place to be visited and explored time and time again both on account of its magnificent natural scenery an alpine setting in the south of Portugal and its rich history entwined with that of the Portuguese Royal family Sintra A Glorious Eden evokes the spirit of this magical place a cool sanctuary for the monarchy from the overwhelming heat of the city of Lisbon The reader is introduced to the historical and literary background to what has become a symbol of Portuguese romanticism at home and abroad *Lisbon, City of the Sea* Malcolm Jack, 2019-08-22 Lisbon City of the Sea is a beautifully written portrait of a much loved city from its origins in Greek legend to the present day Malcolm Jack vividly captures the rich and unique history of this haunting and attractive port whose prominent position on the Tagus estuary has inextricably bound its character with the sea Lisbon is a city of steep inclines and complicated unsymmetrical streets that criss cross the hills only in the Baixa area near the river and in the more modern northern part of the city does any form of a grid system appear It has enjoyed a political history that has directed Portugal's focus more overseas than inland towards continental Europe in part because of Spain's geographical position Thus the city has been stretched in one direction toward Brazil and in another toward the Cape of Good Hope and from there to Asia and the East Beginning with its earliest inhabitants Jack traces the city's life through its imperial success in the sixteenth century and the devastating earthquake that humbled the city and shocked Europe in 1755 to its current position as a vibrant and successful European capital Lisbon's romantic atmosphere has captured the imaginations of foreigners through the ages Poets writers and musicians have all drawn inspiration from different parts of Lisbon This sensitive exploration of the city's many aspects draws out its cosmopolitan nature as well as its colourful culture and self image and brings us closer to understanding its true spirit Engaging and accessible this book will appeal to Lisbon's many visitors as well as anyone interested in European history **National Geographic Traveler: Portugal, 2nd Edition** Fiona Dunlop, 2013 Presents information on Portugal's culture history and people offers walking and driving tours enhanced by color coded maps and suggests excursions off the beaten path *Supplying Salt and Light* Lorna Goodison, 2013-03-26 This stunning new book of poems from internationally renowned poet Lorna Goodison opens in Spain and Portugal conjuring up a new history of the Caribbean and a new way of setting up its heritage The title sets the tone for poems about backgrounds and outlines and shadows and sources of light This extraordinary book a wide lotus on the dark waters of song is filled with surprises at every turn as a Moorish mosque becomes a cathedral in Seville a country girl dresses in Sunday clothes to visit a Jamaican bookmobile and a bear appears suddenly only to slip away silently into the trees on a road in British Columbia The heartache of Billy Holliday singing the blues the burden of Charlie Chaplin tramping the banana walks of Jamaica's Golden Cloud and the paintings of El Greco the quintessential stranger come together on the poet's pilgrimage to Heartease guided by a limping angel and inspired by the passage making of Dante the book ends with a superb version of the first of his cantos

The onslaught of the worldwide pandemic has clearly revealed a strong yet suspicious binary One what the world was before the pandemic and two what the world is after the pandemic Across the serrated passages of time the gongs and the old churchbells cityscapes waves of the ocean and the miniature heavens on the earth what ensued is the thirst the thirst to rekindle the passion for travelling Travel tours peregrination globe trotting voyage journey in fact the trail to synonyms is matchless in this respect The issues of mobility and migration give rise to several cultural exchanges and hence the nature of travel narratives has also expanded manifold For quite a long time travel stories or travel narratives were considered to be part of creative writing only highlighting the non academic flavour that was associated with it However over the years several researchers and academicians have incorporated their own arguments about the academic importance of travel narratives As Jacqueline Tivers and Tijana Rakie have pointed out in their praiseworthy work Narratives of Travel and Tourism Travel and tourism stories have been told and recorded in almost every culture and period of oral and written history and across the breadth of the fact fiction continuum in fact storytelling is an essential part of human nature McCabe and Foster 2006 194 and narration in its many forms may be seen to lie at the very heart of both travel and tourism Bendix 2002 Hence any type of travel narrative is not just a collection or collage of memories and places locales and geographical details it is a fine blend of the recreational the contemplational the facts and the fictional The concept of Trouvaille occurred to me during one of those lazy afternoons when the entire world was in the tentacles of this deadly pandemic Connecting with the finest narrators of short stories poems travel narratives was not sudden All our contributors have woven some of the finest travel stories narrated experiences that are enriching refreshing and that bring a fresh relief after the pandemic if you call this an excellent version of wanderlust Ketaki Datta apart from her academic pursuits is an avid traveller and a voracious reader The account of her visit to Lisbon is filled with marvellous picturesque description of the archeological enigma of the place City gardens fountains palaces and everything from chandelier to her experiences at the airport she has portrayed intricate details in the most moving forms Sunil Sharma's travel narrative is succinct giving our readers an exquisite variety of photos and special moments that our author spent near the Niagara Falls He has drawn a ubiquitous comparison when it comes to assessing different cities with their supine charms and overactive glories The photos of light and sound around the Niagara Falls are a feast to the tired eyes To see the cascade falling with a staggering force as the author narrates is a delight in itself Cityscapes and monuments the cacophonies and symphonies of the city across the larger pixels of time travel author Gopal Lahiri takes us on a wonderful journey to New York the city that never sleeps the city that is punctuated by different cultures festive moments songs Thanksgiving changes splendid cathedrals and colossal Empire State Buildings How to interpret change How to rekindle the enigma of a melting pot of several cultures Read to know Next comes our author Aneek Chatterjee who writes It was a chilly but sunny November morning in the year 2005 when my TGV train reached Gare

Jan van Eyck and Portugal's 'Illustrious Generation' Barbara von Barghahn, 2013-12-31. This book investigates Jan Van Eyck's patronage by the Crown of Portugal and his role as diplomat, painter for the Duchy of Burgundy, following his first voyage to Lisbon in 1428-1429 when he painted two portraits of Infanta Isabella, who became the third wife of Philip the Good in 1430. New portrait identifications are provided for the Ghent Altarpiece (1432) and its iconographical prototype, the lost Fountain of Life. These altarpieces are analysed with regard to King João I's conquest of Ceuta, achieved by his sons, who were hailed as an illustrious generation. Strong family ties between the dynastic houses of Avis and Lancaster explain Lusitania's sustained fascination with Arthurian lore and the Grail quest. Several chapters of this book are overlaid with a chivalric veneer. A second secret mission to Portugal in 1437 by Jan van Eyck is postulated, and this diplomatic visit is related to Prince Henry the Navigator's expedition to Tangier and King Duarte's attempts to forge an alliance with Alfonso V of Aragon. Late

Eyckian commissions are reviewed in the light of this ill fated crusade and additional new portraits are identified The most significant artist of Renaissance Flanders appears to have been patronized as much by the House of Avis as by the Duchy of Burgundy Barbara von Barghahn is Professor of Art History at George Washington University and a specialist in the art history of Portugal Spain and their colonial dominions as well as Flanders In 1993 she was conferred O Grao Comendador in the Portuguese Order of Prince Henry the Navigator She has spent nearly a decade completing research about Jan van Eyck s diplomatic visits to the Iberian Peninsula
