Sir Joseph Banks 1743-1820: A Guide To Biographical And Bibliographical Sources

Robin W. Winks

Sir Joseph Banks 1743-1820 A Guide To Biographical And Bibliographical Sources:

Letters Of Sir Joseph Banks, The, A Selection, 1768-1820 Neil Chambers, 2000-11-14 Sir Joseph Banks was man of science of affairs and of letters He circumnavigated the globe with Lieutenant James Cook on H M S Endeavour 1768-1771 taking with him a team of naturalists illustrators and assistants at a personal cost of 10 000 Together they made unprecedented collections of flora and fauna in many of the places H M S Endeavour visited Banks also led the first British scientific expedition to Iceland in 1772 Later he settled in London and assembled an enormous library and herbarium at 32 Soho Square His collections were remarkable both for their size and for the unique material from the Pacific they contained In 1778 Banks was elected President of the Royal Society a position he held for over 41 years the longest anyone has served in that capacity As President he fostered enlightened relations between scientists across Europe throughout a period of conflict and turbulent change He was also Special Director of the Royal Botanic Gardens at Kew which flourished under his control becoming greater than any other Voyages of discovery were mounted with his help to explore new lands to obtain and move plants from one part of the world to another and to further British interests abroad He was also an influential privy councillor and an advisor to George III and successive governments Banks was at the scientific and social centre of Georgian life for more than five decades As such he developed a global network of correspondence using letters to further knowledge and ultimately to shape events in the cause of empire He suggested the possibility of establishing colonies on the east coast of Australia and then he actively supported them for the remainder of his life He has therefore been regarded by some as the Father of Australia Furthermore in the Napoleonic Wars he acted to save the population of Iceland when its trade was seized by the British His views could hardly be avoided on matters of botany or horticulture drainage or agriculture on coinage exploration or science in general Yet he was a warm authoritative writer with a direct flowing prose style His letters make fascinating reading for their variety as well as the insight into his public and private life they provide This selection is made from the remaining 6 000 letters Banks wrote and will introduce many readers to a deeply impressive figure who is rapidly being recognized as one of the great men of his age More details about the Sir Joseph Banks Archive Project can be found at www.nhm.ac.uk/hosted_sites/banks

Reader's Guide to the History of Science Arne Hessenbruch, 2013-12-16 The Reader's Guide to the History of Science looks at the literature of science in some 550 entries on individuals Einstein institutions and disciplines Mathematics general themes Romantic Science and central concepts Paradigm and Fact The history of science is construed widely to include the history of medicine and technology as is reflected in the range of disciplines from which the international team of 200 contributors are drawn

Sir Joseph Banks, Iceland and the North Atlantic 1772-1820 / Journals, Letters and Documents Anna Agnarsdóttir, 2017-01-06 Sir Joseph Banks was one of the great figures of Georgian England best known for participating as naturalist in Cook's Endeavour voyage 1768-71 as a patron of science and as the longest serving President of the Royal Society 1778-1820 This volume brings together all Banks's papers

concerning Iceland and the North Atlantic scattered in repositories in Britain the United States Australia and Denmark and most published here for the first time A detailed introduction places them in historical context **The Indian and Pacific Correspondence of Sir Joseph Banks, 1768-1820, Volume 4** Neil Chambers,2021-11-18 Following his participation in James Cook's circumnavigation in HMS Endeavour 1768-71 Joseph Banks developed an extensive global network of scientists and explorers His correspondence shows how he developed effective working links with the British Admiralty and with the generation of naval officers who sailed after Cook **Joseph Banks and the British Museum** Neil Chambers,2015-09-30 Concentrating on the explorer and naturalist Joseph Banks 1743-1820 this book explores the early history of collections at the British Museum Taking Banks extraordinary career as its basis it examines the changes that took place during a period of transition that led to collecting on an increasingly global scale **The History and Poetics of Scientific Biography** Thomas Söderqvist,2016-03-03 Biographies of scientists carry an increasingly prominent role in today's publishing climate Traditional historical and sociological accounts of science are complemented by narratives that emphasize the importance of the scientific subject in the production of science Not least is the realization that the role of science in culture is much more accessible when presented through the lives of its practitioners Taken as a genre such biographies play an important role in the public understanding of science In recent years there has been an increasing number of monographs and collections about biography in general and literary biography in particular However biographies of scientists engineers and medical doctors have rarely been the topic of scholarly inquiry As such this volume of essays will be welcomed by those interested in the genre of science biography and who wish to re-examine its history foundational problems and theoretical implications Borrowing approaches and methods from cultural studies and the history philosophy and sociology of science the contributions cover a broad range of subjects periods and locations By presenting such a rich diversity of essays the volume is able to chart the reoccurring conceptual problems and devices that have influenced scientific biographies from classical antiquity to the present day In so doing it provides a compelling overview of the history of the genre suggesting that the different valuations given scientific biography over time have been largely fuelled by vested professional interests **Sir Joseph Banks (1743-1820)** Harold Burnell Carter,1987 **Joseph Banks and the English Enlightenment** John Gascoigne,2003-12-18 A biography of scientific thinker Joseph Banks placing his work in the context of eighteenth century Britain **Edinburgh History of the British and Irish Press, Volume 2** David Finkelstein,2020-01-10 This is a unique collection of essays examining nineteenth century British and Irish newspaper and periodical history during a key period of change and development **William Hunter's World** Nick Pearce,2017-07-05 Despite William Hunter's stature as one of the most important collectors and men of science of the eighteenth century and the fact that his collection is the foundation of Scotland's oldest public museum The Hunterian until now there has been no comprehensive examination in a single volume of all his collections in their diversity This volume restores Hunter to a rightful position of prominence among the

medical men whose research and amassing of specimens transformed our understanding of the natural world and man's position within it. This volume comprises essays by international specialists and are as diverse as Hunter's collections themselves, dealing as they do with material that ranges from medical and scientific specimens to painting prints, books and manuscripts. The first sections focus upon Hunter's own collection and his response to it, while the final section contextualises Hunter within the wider sphere. A special feature of the volume is the inclusion of references to the Hunterian's web pages and on-line databases. These enable searches for items from Hunter's collections both from his museum and library. Locating Hunter's collecting within the broader context of his age and environment, this book provides an original approach to a man and collection whose importance has yet to be comprehensively assessed. *Telling Lives in Science* Michael Shortland, Richard R. Yeo, 1996-06-27. Collects together original essays by leading historians of science on the nature and development of scientific biography. CRC World Dictionary of Palms Umberto Quattrocchi, 2017-08-03. From the Foreword Umberto Quattrocchi has brought us some amazing and useful works through the various dictionaries that he has compiled. This time it is for two very important plant families, the palms and the cycads, that are synthesized here in these two volumes. Each entry is fascinating, not just for the botany and full nomenclature of the plant species, but for all the associated uses, folklore and interactions with other organisms. These entries are fascinating glimpses of natural history. Botanists, conservationists, ethnobotanists, anthropologists, geographers, bird-watchers, naturalists, historians, and those of many other disciplines will find these volumes a most valuable and useful resource. It is the sort of book that will be in frequent use in my library. Professor Sir Ghilleen Prance, FRS, VMH, Former Director, Royal Botanic Gardens Kew. Following the same format as Umberto Quattrocchi's highly praised and well-used previous works, *The CRC World Dictionary of Palms*, *Common Names*, *Scientific Names*, *Eponyms*, *Synonyms*, and *Etymology*, brings together the vast and scattered literature on palms and cycads to provide better access to information on these economically important plants. Each genus and species has a detailed morphological description and includes a list of synonyms and vernacular names in many languages. Bibliographies accompany each entry, which are comprehensive, up to date, and multi-lingual. The detailed information for every entry on habitats, economic uses, historical and biographical data, botanical exploration, and linguistics will be useful for any library involved with botany, herbal medicine, pharmacognosy, medicinal and natural product chemistry, ecology, ethnobotany, systematics, general plant science, agriculture, or horticulture. Umberto Quattrocchi is the author of the bestselling *CRC World Dictionary of Plant Names*, winner of the prestigious Hanbury Botanical Garden Award. His most recent multi-volume work, *CRC World Dictionary of Medicinal and Poisonous Plants*, received strong praise as being an unparalleled starting place, a tool of first resort for any thoughtful researcher. Quattrocchi and CRC have delivered a dictionary like no other, a learned finger pointing in the right direction. John de la Parra, Northeastern University, Boston, Massachusetts, USA. *Economic Botany*, Vol. 68, 2014. *The Oxford History of the British Empire: Historiography* Robin W. Winks, 1999. This volume investigates the

shape and the development of scholarly and popular opinion about the British Empire over the centuries *CRC World Dictionary of Plant Names* Umberto Quattrocchi, 2023-02-03 This volume provides the origins and meanings of the names of genera and species of extant vascular plants with the genera arranged alphabetically from D to L *Pretty Gentlemen* Peter McNeil, 2018-01-01 The term macaroni was once as familiar a label as punk or hipster is today In this handsomely illustrated book devoted to notable 18th century British male fashion award winning author and fashion historian Peter McNeil brings together dress biography and historical events with the broader visual and material culture of the late 18th century For thirty years macaroni was a highly topical word yielding a complex set of social sexual and cultural associations *Pretty Gentlemen* is grounded in surviving dress archival documents and art spanning hierarchies and genres from scurrilous caricature to respectful portrait painting Celebrities hailed and mocked as macaroni include politician Charles James Fox painter Richard Cosway freed slave Julius Soubise and criminal parson Reverend Dodd The style also rapidly spread to neighboring countries in cross cultural exchange while Horace Walpole George III and Queen Charlotte were active critics and observers of these foppish men Publisher's website *Empire and Information* Christopher Alan Bayly, 1996 In a penetrating account of the evolution of British intelligence gathering in India C A Bayly shows how networks of Indian spies were recruited by the British to secure military political and social information about their subjects He also examines the social and intellectual origins of these native informants and considers how the colonial authorities interpreted and often misinterpreted the information they supplied It was such misunderstandings which ultimately contributed to the failure of the British to anticipate the rebellions of 1857 The author argues however that even before this complex systems of debate and communication were challenging the political and intellectual dominance of the European rulers **The Multifarious Mr. Banks** Toby Musgrave, 2020-06-30 A fascinating life of Sir Joseph Banks which restores him to his proper place in history as a leading scientific figure of the English Enlightenment As official botanist on James Cook's first circumnavigation the longest serving president of the Royal Society advisor to King George III the father of Australia and the man who established Kew as the world's leading botanical garden Sir Joseph Banks was integral to the English Enlightenment Yet he has not received the recognition that his multifarious achievements deserve In this engaging account Toby Musgrave reveals the true extent of Banks's contributions to science and Britain From an early age Banks pursued his passion for natural history through study and extensive travel most famously on the HMS Endeavour He went on to become a pivotal figure in the advancement of British scientific economic and colonial interests With his enquiring enterprising mind and extensive network of correspondents Banks's reputation and influence were global Drawing widely on Banks's writings Musgrave sheds light on Banks's profound impact on British science and empire in an age of rapid advancement **The A to Z of the Discovery and Exploration of Australia** Alan Day, 2009-06-19 This engaging reference examines the history of the search for and the discovery of Australia taking full account of the evidence for and the speculation surrounding possible earlier contacts by the

Ancient Egyptians Arabs and Chinese seamen Day brings the expeditions to life expressing the desires that drove great sea captains deeper into turbulent waters searching for caches of spice silks and precious metals Covers a wide variety of topics including Seamen from eight nations The recovery of storm wrecked ships Diplomatic treaties Priority of discovery disputes Military and civil explorers and surveyors Topographical features Geographical terms and places Rivers and river system

The Hanoverian Dimension in British History, 1714-1837 Brendan Simms, Torsten Riotte, 2007-02-08 For more than 120 years 1714 1837 Great Britain was linked to the German Electorate later Kingdom of Hanover through Personal Union This made Britain a continental European state in many respects and diluted her sense of insular apartness The geopolitical focus of Britain was now as much on Germany on the Elbe and the Weser as it was on the Channel or overseas At the same time the Hanoverian connection was a major and highly controversial factor in British high politics and popular political debate This volume was the first systematically to explore the subject by a team of experts drawn from the UK US and Germany They integrate the burgeoning specialist literature on aspects of the Personal Union into the broader history of eighteenth and early nineteenth century Britain Never before had the impact of the Hanoverian connection on British politics monarchy and the public sphere been so thoroughly investigated

The Ephemeral Eighteenth Century Gillian Russell, 2020-08-27 Often regarded as trivial and disposable printed ephemera such as tickets playbills and handbills was essential in the development of eighteenth century culture In this original study richly illustrated with examples from across the period Gillian Russell examines the emergence of the cultural category of printed ephemera its relationship with forms of sociability the history of the book and ideas of what constituted the boundaries of literature and literary value Russell explores the role of contemporary collectors such as Sarah Sophia Banks in preserving such material arguing for ephemerology as a distinctive strand of popular antiquarianism Multi disciplinary in scope The Ephemeral Eighteenth Century reveals new perspectives on the history of theatre the fiction of Maria Edgeworth and Jane Austen and on the history of bibliography as well as highlighting the continuing relevance of the concept of ephemerality to how we connect through social media today

Sir Joseph Banks 17431820 A Guide To Biographical And Bibliographical Sources Introduction

In today's digital age, the availability of Sir Joseph Banks 17431820 A Guide To Biographical And Bibliographical Sources books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Sir Joseph Banks 17431820 A Guide To Biographical And Bibliographical Sources books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Sir Joseph Banks 17431820 A Guide To Biographical And Bibliographical Sources books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Sir Joseph Banks 17431820 A Guide To Biographical And Bibliographical Sources versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Sir Joseph Banks 17431820 A Guide To Biographical And Bibliographical Sources books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics.

Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Sir Joseph Banks 17431820 A Guide To Biographical And Bibliographical Sources books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Sir Joseph Banks 17431820 A Guide To Biographical And Bibliographical Sources books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Sir Joseph Banks 17431820 A Guide To Biographical And Bibliographical Sources books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Sir Joseph Banks 17431820 A Guide To Biographical And Bibliographical Sources books and manuals for download and embark on your journey of knowledge?

FAQs About Sir Joseph Banks 17431820 A Guide To Biographical And Bibliographical Sources Books

1. Where can I buy Sir Joseph Banks 17431820 A Guide To Biographical And Bibliographical Sources books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
