Southeast Asia or the Caribbean is a discovery a colorful thread in a global weave of literary exchange Edited by Samantha Schnee Alane Salierno Mason and Dedi Felman Resistance Literature Barbara Harlow, 2023-03-01 As one of the foundational texts in the field of postcolonial writing Barbara Harlow's Resistance Literature introduced new ground in Western literary studies Originally published in 1987 and now reissued with a new Preface by Mia Carter this powerfully argued and controversial critique develops an approach to literature which is essentially political Resistance Literature introduces the reader to the role of literature in the liberation movements of the developing world during the 20th Century It considers a body of writing largely ignored in the west Although the book is organized according to generic topics poetry narrative prison memoirs thematic topics and the specific historical conditions that influence the cultural and political strategies of various resistance struggles including those of Palestine Nicaragua and South Africa are brought to the fore Among the questions raised are the role of women in the developing world communication in circumstances of extreme atomization literature versus propaganda censorship and the problem of adopting literary forms identified with the oppressor culture Sexuality and War Evelyne Accad, 1990-12-01 A courageous analysis of Arab writers addressing the connections between masculinity violence and nationalism Robin Morgan Ms Rarely have sexuality and war been treated with such poignancy and historical concreteness The force of these often intertwined phenomena endemic to the human condition are considered with incisive and wrenching specificity from within one of the most baneful convergences of sexuality and war in recent history Djelal Kadir editor World Literature Today Personal powerful passionate uncensored Fedwa Malti Douglas The Journal of Women's History A welcome departure from stereotypical nationalist conceptions from which no solutions to the current impasse can possibly emerge Joel Benin The Middle East Report Accad's extraordinary pacifism is deeply compelling to women as it is deeply challenging to men Andrea Dworkin A splendid book Drawing on interviews with Lebanon's village women and her close readings of Lebanon's contemporary novelists Accad manages to pull back the veil that has shrouded so many conventional nationalisms revealing their roots in men's effort to control women's sexuality Cynthia Enloe author of Does Khaki Become You Extraordinary in weaving together literature feminist theory and theories of war and violence Her analysis of the relationships between sexuality war and nationalism is stunning in its frankness and importance Berenice A Carroll Purdue University It is in the women's writings on the Lebanese civil war that Accad discerns alternative visions that could shape a non violent reality Miriam Cooke The Middle East Studies This book should remind us how patriarchies can operate similarly in societies we most often define through difference Accad's forthright critically respectful caring treatment of Lebanese lives and worlds resonates as we engage with the longterm repercussions of the Gulf War Marilyn Booth Women's Review of Books This compelling book offers an exploration of the indissoluble link between war and sexuality based on over twelve years of interviews by the well known Lebanese expatriate teacher critic and writer Evelyne Accad explores what she calls the indissoluble link between war and sexualtiy She refers to sexuality as the physical and psychological relations of

men and women and examines Middle Eastern customs involved in defining such relationships She argues that many of the problems faced by societies at war stem from the way male sexuality is viewed and imposed and from the oppression of women within cultural parameters For twelve years Professor Accad interviewed women throughout the Middle East about their sexuality and relationships with men On the basis of these interviews and a close study of six novels written by both men and women on the subject of the Lebanese war she explores the connection between sexuality and war and contrasts the reactions of male authors with those of their female counterparts Each author views war as having roots in sexuality Evelyne Accad concludes that there is a need for a new rapport between men and women women and women and men and men there is a need for relationships based on trust recognition of the other tenderness equal sharing and love devoid of jealousy and possession Since the personal is the political changes in relationships traditionally based on domination oppression and power games will inevitably rebound in other spheres of life On Evelyne Accad Cheryl Toman, 2007

Scheherazade's Legacy Susan M. Darraj, 2004-08-30 In a time when it seems that the gap of understanding between the West and the Middle East continues to widen Scheherazade's Legacy builds a bridge between the two cultures Collected here are the voices of those who define the genre of Arab Anglophone writing that literature that describes the cultural experiences of those with Arab identities living and often writing in the West Contributions from such writers as Naomi

Géographies discursives ,2005-01-01 The present collection of essays follows in the wake of recent work in cultural geography challenging the idea that maps are scientifically neutral entities or that space unlike time is immobile In defining space place and geography as forms of textuality the essays collected in this volume examine the ways in which postcolonial and metropolitan literary and filmic texts in French can at once inscribe and produce place and space and thereby participate in forms of discursive geographies Contributors Fran ois Bon Alexandre Dauge Roth Habiba Deming Zakaria Fatih Jeanne Garane Patricia Geesey Greg Hainge Sir ne Harb Jean Luc Joly Chantal Kalisa Michel Laronde Val rie Loichot Mary McCullough Michael O Riley Pascale Perraudin Walter Putnam Antoine St phani Abdourahman A Waberi The Oxford Encyclopedia of Women in World History Bonnie G. Smith,2008 The Encyclopedia of Women in World History captures the experiences of women throughout world history in a comprehensive 4 volume work Although there has been extensive research on women in history by region no text or reference work has comprehensively covered the role women have played throughout world history The past thirty years have seen an explosion of research and effort to present the experiences and contributions of women not only in the Western world but across the globe Historians have investigated womens daily lives in virtually every region and have researched the leadership roles women have filled across time and region They have found and demonstrated that there is virtually no historical social or demographic change in which women have not been involved and by which their lives have not been affected The Oxford Encyclopedia of Women in World History benefits greatly from these efforts and experiences and illuminates how women worldwide have influenced and been influenced by these historical social and demographic changes The Encyclopedia contains over 1 250 signed articles arranged in an A Z format for ease of use The entries cover six main areas biographies geography and history comparative culture and society including adoption abortion performing arts organizations and movements such as the Egyptian Uprising and the Paris Commune womens and gender studies and topics in world history that include slave trade globalization and disease With its rich and insightful entries by leading scholars and experts this reference work is sure to be a valued go to resource for scholars college and high

school students and general readers alike *Pathetic Literature* Eileen Myles, 2022-11-15 An utterly unique collection composed by the award winning poet and writer a global anthology of pieces from lesser known classics by luminaries like Franz Kafka Samuel R Delany and Gwendolyn Brooks to up and coming writers that examine pathos and feeling giving a well timed rehab to the word pathetic Literature is pathetic So claims Eileen Myles in their provocative and robust introduction to Pathetic Literature a breathtaking mishmash of pieces ranging from poems to theater scripts to prose to anything in between all exploring the so called pathetic or awkwardly felt moments and revelations around which lives are both built and undone Myles first reclaimed the word for a seminar they taught at the University of California San Diego in the early 2000s rescuing it from the derision into which it had slipped and restoring its original meaning of inspiring emotion or feeling from the Ancient Greek rhetorical method pathos Their identification of pathetic as ripe for reinvention forms the need for this anthology which includes a hearty 106 contributors encompassing canonical global stars like Robert Walser Jorge Luis Borges Rumi and Gwendolyn Brooks literary libertines like Dodie Bellamy Samuel R Delany and Bob Flanagan as well as extraordinary writers on the rise including Nicole Wallace Precious Okoyomon and Will Farris Wrenching and discomfiting prose by Karla Cornejo Villavicencio Jack Halberstam and Porochista Khakpour rubs shoulders with poems by Natalie Diaz Victoria Chang Lucille Clifton and Ariana Reines and butts up against fiction from Chester Himes Djuna Barnes Chris Kraus and Qiu Miaojin among so many others including Myles s own opening salvo of their 1992 presidential campaign The result is a completely anomalous and uplifting anthology that encourages a fresh political discourse on literature as well as supplying an essential compendium of pained awkward queer trans gleeful and ever jarring ways to think differently and live pathetically on a polarized and fearful planet
