**Sitting on a Salt Spring** David Conover,1978      *Inside* Susan Marie Conrad,2016-05-15 The Ocean is calling me This is my Journey With these words in the spring of 2010 Susan Marie Conrad scaled her world down to an 18 foot sea kayak and launched a solo journey that took her north to Alaska With no sense of where she belonged in space and unreconciled feelings of a painful childhood following her she decided that instead of running away she would run toward her dreams Her adventure took her along the western coast of North America through the Inside Passage a 1 200 mile ribbon of water in a journey of the sea and soul The expedition took her deep within herself humbling her healing her helping her to discover the depths of her own strength and courage On her way from Anacortes Washington to Juneau Alaska she grappled with fear and exhaustion forged friendships with quirky people in the strangest places endured perilous weather and angry seas and pretended not to be intimidated by 700 pound grizzly bears and 40 ton whales She lived her dream      **Ocala National**
